a. Close or limit the operating hours or any indoor or outdoor shooting range or any entity engaged in the lawful selling or servicing of any firearm, including any component or accessory; ammunition, including any component or accessory; ammunition - reloading equipment and supplies; or personal weapons other than firearms, unless the closing or limitation of hours applies equally to all forms of commerce, use, recreation, enjoyment, or general activity within the jurisdiction;<u>however, a state owned and operated outdoor shooting range may close or limit its operating hours as necessary for maintenance, law enforcement training, military training or hunter's education purposes, or for other special activities associated with the shooting sports.</u>
