Requested by Legislative Council Date of Request: 02-16-95

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

This bill requires a $10 million dollar increase to the foundation aid line item for per pupil and transportation payments, including dollars for "small, necessary schools" and for students attending school in a bordering state. The bill also implements a "guaranteed tax base" equalization program, for which the Governor requested $25.5 million. To fully fund the guaranteed tax base as provided in this bill, approximately $50 million. At the requested level of funding, the proposal would be funded at about 51.2%.

The remaining changes do not have a fiscal note on state funds.
