MOTIONS

Rep. Kingsbury moved that House Bill No. 1358 be returned to the House from the Committee on Finance and Taxation for the purpose of withdrawal, which motion prevailed.

Rep. Kingsbury requested permission to withdraw House Bill No. 1358, which request was granted.

Rep. Lang moved that the House reconsider its action whereby the Committee Report on House Bill No. 1479, recommending Do Pass was accepted, which motion prevailed.

Rep. Lang moved that House Bill No. 1479 be rereferred to the Committee on Political Subdivisions, which motion prevailed.

Speaker Peterson announced that House Bill No. 1479 was rereferred to the Committee on Political Subdivisions.

Rep. Meiers moved that House Bill No. 1649 be returned to the House from the Committee on State and Federal Government for the purpose of withdrawal, which motion was defeated on a verification vote.

POINT OF PERSONAL PRIVILEGE

Rep. Meiers: I rise on a point of personal privilege and ask that my remarks be placed in the Journal: "Mr. Speaker, fellow legislators: This is a 'first' for the 47th Legislative Assembly — the first time a legislator has been denied the privilege of withdrawing a bill which has been introduced. Many bills have been withdrawn previously, all of

them considered by their sponsors to have merit. For instance, House Bill No. 1329 was withdrawn last Friday without objection.

House Bill No. 1649 is a companion bill in that it deals with the same subject matter. When one was allowed to be withdrawn, the same courtesy should be extended to the other. The usual procedure would have been to assign both bills to the same committee, have them considered according to their merits and then make a recommendation. It is interesting to note that House Bill No. 1329 introduced earlier had not yet been scheduled for a hearing prior to withdrawal, but House Bill No. 1649, introduced much later, is scheduled for a hearing on Tuesday according to the media. The scenario for House Bill No. 1649 was graphically described on statewide television this past weekend. If it destined to become a duplicate of House Bill No. 1329. The stage has been set; the actors have been assigned their roles and the show will go on. Fair play does not have to be one of the ingredients in this worthwhile purpose. The best interest of this Legislative Assembly, the best interest of the people of this state would now have been to allow this bill to die a natural death. To proceed diminishes us all!"

SIXTH ORDER OF BUSINESS

Rep. Timm moved that the amendments to House Bill No. 1195 as recommended by the Committee on Transportation as printed on page 475 of the House Journal be adopted, which motion prevailed.
