BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF THE STATE OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 54-27-19 of the North Dakota Century Code is hereby amended and reenacted to read as follows:

54-27-19. HIGHWAY TAX DISTRIBUTION FUND - STATE TREASURER TO MAKE ALLOCATION TO STATE, COUNTIES, AND CITIES. A highway tax distribution fund is hereby created as a special fund in the state treasury into which shall be deposited the moneys available by law from collections of motor vehicle registration and related fees, fuels taxes, special fuels taxes, use taxes, motor vehicle excise taxes, and special fuels excise taxes. The state treasurer shall invest moneys in the highway tax distribution fund as provided by law for state investments, and all moneys derived from such investments shall be credited to the highway tax distribution fund. Any moneys in the highway tax distribution fund shall be allocated and transferred monthly by the state treasurer, as follows:

- 1. Sixty-three percent of such moneys shall be transferred monthly to the state highway department and placed in a state highway department fund.
2. Thirty-seven percent of such moneys shall be allocated to the counties of this state in proportion to the number of motor vehicle registrations credited to each county. Each county shall be credited with the certificates of title of all motor vehicles registered by residents of such county. The state treasurer shall compute and distribute the counties'

share monthly after deducting the incorporated cities' share. All the moneys received by the counties from the highway tax distribution fund shall be set aside in a separate fund called the "highway tax distribution fund" and shall be appropriated and applied solely for highway purposes in accordance with article 56 of the North Dakota Constitution. The state treasurer shall compute and distribute monthly twenty-seven percent of the sums allocated to each county to the incorporated cities within such county on the basis of the per capita population of all of the incorporated cities situated within such county as determined by the last official regular or special federal census or the census taken in accordance with the provisions of chapter 40-02 in case of a city incorporated subsequent to such census. Provided, however, that in each county having a city with a population of ten thousand or more, the amount transferred each month into the county highway tax distribution fund shall be the difference between the amount allocated to that county pursuant to this subsection and the total amount allocated and distributed to the incorporated cities in that county as computed according to the following formula:

- a. Twenty-seven percent of the amount allocated to all of the counties under this subsection shall be the incorporated cities' share and shall be divided by the total population of all of the incorporated cities in the state to determine the statewide per capita average.
- b. The share to each city in the county having a population of less than one thousand shall be determined by multiplying the population of that city by the product of 1.50 times the statewide per capita average computed under subdivision a.
- c. The share to each city in the county having a population of one thousand to four thousand nine hundred ninety-nine, inclusive, shall be determined by multiplying the population of that city by the product of 1.25 times the statewide per capita average computed under subdivision a.
- d. The share to each city in the county having a population of five thousand or more shall be determined by multiplying the population of that city by the statewide per capita average for all such cities, which per capita average shall be computed as follows: the total of the shares computed under subdivisions b and c for all cities in the state having a population of less than five thousand shall be subtracted from the total incorporated cities' share in the state as computed under subdivision a and the balance remaining shall then be divided by the total population of all cities of five thousand or more in the state.

The moneys allocated to the incorporated cities shall be distributed to them monthly by the state treasurer and shall be deposited by the cities in a separate fund and shall only be used in accordance with article 56 of the North Dakota Constitution, provided that any incorporated city may use such fund for the construction, reconstruction, repair and maintenance of public highways

within or outside such city pursuant to an agreement entered into between the city and any other political subdivision as authorized by section 54-40-08.

SECTION 2. AMENDMENT. Section 57-40.3-10 of the North Dakota Century Code is hereby amended and reenacted to read as follows:

57-40.3-10. ALLOCATION OF REVENUE. All moneys collected and received under this chapter shall be transmitted monthly by the motor vehicle registrar to the state tax commissioner and by him shall be paid by the tax commissioner to the state treasurer to be transferred and credited as follows:

1--~~Fifty-percent-of-the-tax-accruing-under-this-chapter-on-motor-vehicles-purchased-or-acquired-outside-of-this-state-for-use-in-this-state, shall-be-credited-to-the-motor-vehicle-registration-fund-~~

On page 1, line 1, after the words "A BILL" delete the remainder of the bill and insert in lieu thereof the following: "for an Act to create and enact a new section to chapter 14-02.1 of the North Dakota Century Code to meet the special interest of the state in encouraging unmarried pregnant minors to seek the advice and counsel of their parents when faced with the decision whether or not to bear a child; and to declare an emergency.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF THE
STATE OF NORTH DAKOTA:

SECTION 1. A new section to chapter 14-02.1 of the North Dakota Century Code is hereby created and enacted to read as follows:

PARENTAL CONSENT OR JUDICIAL AUTHORIZATION FOR ABORTION
OF UNMARRIED MINOR-STATEMENT OF INTENT.

The legislative assembly intends to encourage unmarried pregnant minors to seek the advice and counsel of their parents when faced with the difficult decision of whether or not to bear a child, to foster parental involvement in the making of that decision when parental involvement is in the best interests of the minor and to do so in a manner that does not unduly burden the right to seek an abortion.

1. No person shall knowingly perform an abortion upon a pregnant woman under the age of eighteen years unless:
 - a. The attending physician has secured the written consent of the minor woman and both parents, if living, or the surviving parent if one parent is deceased, or the legal guardian or guardians if the minor is subject to guardianship;
 - b. The minor woman is married and the attending physician has secured her informed written consent;
 - or
 - c. The abortion has been authorized by the juvenile court in accordance with the provisions of this Act.
2. Any pregnant woman under the age of eighteen or next friend shall be entitled to apply to the juvenile court for authorization to obtain an abortion without parental consent. Proceedings on such application shall be conducted in the juvenile court of the county of the minor's residence before a juvenile judge or referee, if authorized by the juvenile court judge in accordance with the provisions of chapter 27-20, except that the parental notification requirements and any other requirements of chapter 27-20 shall be superseded by the notification provisions of this Act in proceedings under this Act. All applications in accordance with this Act shall be heard by a juvenile judge or referee within forty-eight hours, excluding Saturdays and Sundays, of receipt of the application. The purpose of the hearing before the juvenile judge or referee shall be to determine:
 - a. Whether or not the minor is sufficiently mature and well informed with regard to the nature, effects and possible consequences of both having an abortion and bearing her child to be able to choose intelligently among the alternatives.
 - b. If the minor is not sufficiently mature and well informed to choose intelligently among the alternatives without the advice and counsel of her parents or guardian, whether or not it would be in the best interests of the minor to notify her parents or guardian of the proceedings and call in the parents or guardian to advise and counsel the minor and aid the court in making its determination and to assist the minor in making her decision.

JOURNAL OF THE HOUSE

- c. If the minor is not sufficiently mature and well informed to choose intelligently among the alternatives and it is found not to be in the best interests of the minor to notify and call in her parents or guardian for advice and counsel, whether an abortion or some other alternative would be in the best interests of the minor.
3. All proceedings in connection with this Act shall be kept confidential and the identity of the minor shall be protected in accordance with provisions relating to all juvenile court proceedings.
4. The court shall keep a stenographic or mechanically recorded record of the proceedings which shall be maintained on record for forty-eight hours following the proceedings. If no appeal is taken from an order of the court pursuant to the proceedings, the record of the proceedings shall be sealed as soon as practicable following such forty-eight hour period.
5. Following the hearing and the court's inquiry of the minor, the court shall issue one of the following orders:
 - a. If the minor is sufficiently mature and well informed concerning the alternatives and without the need for further information, advice or counseling, the court shall issue an order authorizing a competent physician to perform the abortion procedure on the minor.
 - b. If the minor is sufficiently mature and well informed, the court may:
 - (1) Issue an order to provide the minor with any necessary information to assist her in her decision if the minor is mature enough to make the decision but not well informed enough to do so.
 - (2) Issue an order to notify the minor's parents or guardian of the pendency of the proceedings and calling for their attendance at a reconvening of the hearing in order to advise and counsel the minor and assist the court in making its determination if the court finds that to do so would be in the best interests of the minor.
 - (3) Issue an order authorizing an abortion by a competent physician if the court has determined that it would not be in the best interests of the minor to call in her parents or guardian but has found that it would be in the minor's best interests to authorize the abortion.
6. The minor or next friend may appeal the determination of the juvenile court directly to the state supreme court. In the event of such an appeal, any and all orders of the juvenile court shall be automatically stayed pending determination of the issues on appeal. Any appeal taken pursuant to this section by anyone other than the minor or next friend shall be taken within forty-eight hours of the determination of the juvenile court by the filing of written notice with the juvenile court and a written application in the supreme court. 8. An application for appeal pursuant to this section shall be treated as an expedited appeal by the supreme court and shall be set down for hearing within four days of receipt of the application, excluding Saturdays and Sundays.

- 9. The hearing, inquiry, and determination of the supreme court shall be limited to a determination of the sufficiency of the inquiry and information considered by the juvenile court and whether or not the order or orders of the juvenile court accord with the information considered with respect to the maturity and information available to the minor and the best interests of the minor as determined by the juvenile court. The determination of the juvenile court shall not be overturned unless found to be clearly erroneous.
- 10. After hearing the matter the supreme court shall issue its decision within twenty-four hours.
- 11. Within forty-eight hours of the hearing by the supreme court, the record of the juvenile court shall be returned to the juvenile court and the juvenile court shall seal it at the earliest practicable time.
- 12. Nothing in this Act shall be construed to prevent the immediate performance of an abortion on an unmarried minor woman in an emergency where such action is necessary to preserve her life and no physician shall be prevented from acting in good faith in such circumstances or made to suffer any sanction thereby other than those applicable in the normal course of events to the general review of emergency and nonemergency medical procedures.
- 13. Nothing in this Act shall be construed to alter the effects of any other section of this chapter or to expand the rights of any minor to obtain an abortion beyond the limits to such rights recognized under the Constitution of the United States or under other provisions of the North Dakota Century Code.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF THE STATE OF NORTH DAKOTA:

SECTION 1. DEFINITIONS. As used in this Act:

- 1. "Contractual arrangement" means a written franchise, letter of appointment, or other written agreement by whatever name such an agreement may be called, between a distributor and a dealer whereby the dealer agrees to sell at retail whether or not exclusively with respect to a given geographic area, or to provide services in the dealer's name or in accordance with the dealer's instruction pursuant to the written agreement, and the distributor authorizes the dealer to sell, or to sell and service, or to provide a service, and agrees to supply an inventory of merchandise, and, if the dealer is to perform

JOURNAL OF THE HOUSE

repair or maintenance service, an inventory of parts for the merchandise.

2. "Dealer" means a person, partnership, corporation, or other entity which sells at retail. "Dealer" does not include any person, partnership, corporation, or other entity, whether acting as principal or agent, who or which transacts any business in this state from other than a fixed location, and sells goods, wares, merchandise, personal property, or personal services by sample, brochure, or sales catalog, for future delivery.
3. "Distributor" means any manufacturer, wholesaler, or distributor of merchandise, or parts used in the repair or maintenance of any merchandise, or any entity licensing or training, or both, concerning the dispensing of services, having a contractual agreement with a dealer in such merchandise or services.
4. "Merchandise" means any articles, goods, wares, advertising materials, or testing equipment furnished by a distributor to a dealer, including suspended articles, goods, wares, parts, testing equipment, or advertising materials, but shall not include foodstuffs for human ingestion.

SECTION 2. DEALER'S RECOVERY ON TERMINATION OF AGREEMENT.

1. Except as provided in subsection 4 of this section, a dealer may recover from a distributor the net cost to the dealer of all current new and unused merchandise or parts held by the dealer at the time of cancellation or discontinuance of a contractual arrangement by the distributor. The dealer may enforce this section by a civil action commenced in the district court of the county wherein the dealer has his or its principal place of business.
2. The provisions of this Act shall be subordinate to any contractual right which the dealer may have with respect to reimbursement for merchandise or parts inventory held by the dealer at the time of cancellation or discontinuance of a contractual agreement. Payment or recovery under this Act shall be reduced by any amount received pursuant to such contractual right. The prices for merchandise or parts required to be paid to any dealer pursuant to this Act shall be the equivalent of the net cost of the merchandise as shown in the distributor's price lists or catalogs in effect at the time the merchandise or parts were purchased.
3. The distributor shall also pay a sum equal to five percent of the net cost for all merchandise or parts returned to cover the cost of handling, packing, and loading of the merchandise or parts for return to the distributor. Title to and right to possession of the merchandise or parts shall pass to the distributor upon the distributor making payment in accordance with this section.
4. Except as provided in this subsection, this Act shall apply to all contractual arrangements in effect on the effective date of this Act, and to contractual arrangements entered into,

amended, or renewed after the effective date of this Act. This Act shall not apply to contracts or agreements governed under chapters 51-07 and 51-20 or under House Bill No. 1375, as approved by the forty-seventh legislative assembly.

SECTION 3. DISTRIBUTOR'S LIABILITY FOR FAILURE TO PAY UPON CANCELLATION OR DISCONTINUANCE OF AGREEMENT. A distributor who fails or refuses to pay a dealer for merchandise or parts upon cancellation or discontinuance of a contractual arrangement by the distributor pursuant to this Act, or who fails to supply merchandise or parts to a dealer having such an arrangement with the distributor, is liable in a civil action brought by the dealer for the net cost of the merchandise or parts, and is additionally liable for five percent of the net cost of the merchandise or parts returned to cover handling, packing, and loading of the merchandise or parts, and is also liable for court costs.

SECTION 4. EMERGENCY. This Act is hereby declared to be an emergency measure and shall be in full force and effect from and after its passage and approval."
