POINT OF PERSONAL PRIVILEGE

REP. GORDER: Madam Speaker: I rise on a point of personal privilege and request that my remarks be printed in the Journal:

Madam Speaker: I wish to explain my NO vote on the appropriation for the Association of Retarded Citizens lawsuit against the state of North Dakota.

1. The amount is excessive.
2. I, and many of my constituents, feel the suit was not necessary; for the state was moving rapidly to correct deficiencies in our care of the mentally retarded.
3. I resent the incursion of the courts into what I felt was a legislative matter.
4. If no opposition is given to this appropriation, who is to say that another class of North Dakota citizens may not attempt a similar action.
5. In these difficult times a two-tenths million dollar appropriation needs to be questioned.

Fellow House Members, this appropriation has been a familiar conversation piece over coffee cups in my district and my constituents are not at all pleased with it.

The court systems of our state and nation sometimes question the actions of our legislative branches. I see no harm in questioning the court's actions at certain times.

It is my hope that some of you will vote NO, even though the Appropriations Committee has given this bill a DO PASS. Thank you very much for your courteous attention.
