STATEMENT OF PURPOSE OF AMENDMENT:

DEPARTMENT 120 - STATE TREASURER

This amendment makes the following changes to the State Treasurer's executive budget recommendation:

- Deletes one FTE fiscal analyst position and related funding included in the executive budget as follows:

Salaries and wages (1 FTE)	\$(43,054)
Information services	(4,194)
Operating expenses	(3,000)
Equipment	(4,575)
General fund reduction	\$(54,823)

- Increases funding for information services by \$13,148 from the general fund.
- Reduces the estimated income line item by \$121,248 due to the elimination of alcohol brand fees which were proposed in Senate Bill No. 2450. Because the State Treasurer's office will not receive special funds from brand fees, the operating expenses line item is reduced by \$24,270 relating to costs which would have been paid to other state agencies for services provided. The general fund support for the State Treasurer's office is increased by \$96,978 to cover costs which would have been paid for by the brand fees.
- Provides \$3,000 from the general fund for the purchase of a computer and printer.
- The total change to the State Treasurer's office is a reduction of

one FTE position, from nine FTE to eight FTE; a general fund increase of \$58,303, from \$2,254,363 to \$2,312,666; and a reduction of special funds of \$121,248, from \$126,248 to \$5,000.

DEPARTMENT 125 - ATTORNEY GENERAL

This amendment makes the following changes to the Attorney General's office executive budget recommendation:

- Adds funding from federal or other funds for one FTE consumer fraud investigator position and related expenses as follows:

Salaries and wages - 1 FTE	\$55,408
Information services	960
Operating expenses	5,100
Special funds increase	<u>\$61,468</u>

- Adds funding from the general fund for one FTE training position and related expenses as follows:

Salaries and wages - 1 FTE	\$64,932
Operating expenses	7,000
General fund increase	<u>\$71,932</u>

- Eliminates funding of \$115,750 from the general fund for prosecution witness fees. (It is the intent of the Legislative Assembly that funding for prosecution witness fees will be addressed in the Supreme Court budget.)
- Increases funding from special funds from charges to gaming employees by \$35,000 for Gaming Division operating expenses to pay the Department of Transportation for producing work permit photos.
- Provides \$50,000 from the general fund to be used for legal action opposing reductions in Lake Sakakawea's water level.
- The total change to the Attorney General's executive budget recommendation is an increase of two FTE positions, from 132 FTE to 134 FTE; a general fund increase of \$6,182, from \$8,285,392 to \$8,291,574; an increase in special funds of \$96,468, from \$9,487,639 to \$9,584,107.

DEPARTMENT 127 - TAX COMMISSIONER

This amendment increases the operating expenses line item by \$48,000 from the general fund for employee training.

DEPARTMENT 401 - INSURANCE COMMISSIONER

This amendment increases the salaries and wages line item by \$77,194 and decreases operating expenses by the same amount. The \$77,194 was moved from operating expenses to salaries to provide funding for one FTE financial analyst position. Also, the \$22,806 remaining in operating expenses is for dues and professional fees and other reimbursements to fund legislative participation in the National Conference of Insurance Legislators. The amount of \$100,000 was originally provided in the bill for legal fees charged by the Attorney General for defense in a lawsuit and this funding is no longer considered necessary.

This amendment, in total, increases funding from the general fund by \$112,485, from \$39,230,713 to \$39,343,198 and decreases funding from special funds by \$24,780, from \$22,791,795 to \$22,767,015.
