#### STATEMENT OF PURPOSE OF AMENDMENT:

In total, the amendments decrease the general fund appropriation in Senate Bill No. 2003 by \$3,953,502 and increase the other funds by \$50,000.

#### DEPARTMENT 201 - DEPARTMENT OF PUBLIC INSTRUCTION

The amendments add \$83,216 from the general fund for one FTE teacher program approval coordinator. Of the \$83,216, \$68,076 is in salaries, \$2,800 in information services, \$8,340 in operating expenses, and \$4,000 in equipment.

Salaries and wages are reduced by \$71,443 from the general fund to delete funding for one of the three restructuring telecommunications coordinators added in the executive budget.

The grants line item is decreased by a net amount of \$1,088,560 from the general fund as follows:

Adult basic education	\$ 200,000 (increased from \$600,000 to \$800,000)
Telecommunications	<del>\$(1,288,560)</del> (decreased from \$5,804,815 to \$4,516,255)
	\$(1,088,560)

The school restructuring line is reduced by \$3,165,275 from the general fund, from \$8,236,500 to \$5,071,225 (all general fund). Funding is adequate for year 1 payments of \$165, year 2 and 3 payments of \$150, operating expenses of \$160,000, and planning grants of \$120,000. Any funds not spent for the above purposes are to be used for "paired" relationships.

A separate section is added appropriating \$50,000 from the general fund and \$50,000 of funds to be received from the National Geographic Society for the North Dakota Geographic Alliance. The Geographic Alliance is to develop a program to improve the quality of geographic instruction in grades kindergarten through 12. The general fund money can be spent only if a matching amount is received from the National Geographic Society.

#### DEPARTMENT 250 - STATE LIBRARY

Salaries and wages are increased by \$42,870 from the general fund to provide funding for one FTE volunteer coordinator for the Dakota Radio Information Service (DRIS).

Operating expenses are increased by \$130,000 from the general fund, \$50,000 for books and library materials and \$80,000 for the MINITEX resource sharing contract.

The grants line item is increased by \$65,690 from the general fund for state aid to public libraries.

The total addition to the State Library is \$238,560 from the general fund.

#### DEPARTMENT 270 - BOARD FOR VOCATIONAL EDUCATION

A section of legislative intent is added to provide that the total amount of grants that each higher education institution receives is distributed in a like amount for each month of the biennium.

Sections 3, 4, and 11 are amended to remove unnecessary appropriation language since the appropriations are already included in Section 1 of the bill.
