25 farmer.

5 deducted in computing taxable income.
- 6 (c) Depreciation expenses from farming activities which have been

16 provision of law, a residence situated on agricultural land is not exempt
17 for the year if it is occupied by an individual engaged in farming who
18 had nonfarm income, including that of a spouse if married, of more than

25 occupied by that farmer is entitled to the exemption under this section
26 for that residence if the farmer and the residence would qualify for
27 exemption under this section except for the use of the residence as a
28 bed and breakfast facility.

 - 29 f. A corporation organized under the provisions of Public Law No. 63-6, § 25A
30 [38 Stat. 273; 12 U.S.C. 611 to 631];

- 1 g. An agency or branch of a foreign depository as defined in Public Law
2 No. 95-369 [92 Stat. 607; 12 U.S.C. 3101];
- 3 h. A production credit association organized under the Farm Credit Act of 1933
4 [Pub. L. 73-98; 48 Stat. 257; 12 U.S.C. 1131 et seq.], all of the stock of which
5 held by the federal production credit corporation has been retired;
- 6 i. A corporation the voting stock of which is more than fifty percent owned,
7 directly or indirectly, by any person or business entity described in
8 subdivisions a through h other than an insurance company taxable under
9 section 26.1-03-17 ~~or a corporation taxable under chapter 57-38~~;
- 10 j. A corporation or other business entity that derives more than fifty percent of
11 its total gross income for financial accounting purposes from finance leases.
12 For purposes of this subdivision, a "finance lease" means any lease
13 transaction that is the functional equivalent of an extension of credit and which
14 transfers substantially all of the benefits and risks incident to the ownership of
15 property. The phrase includes any "direct financing lease" or "leverage lease"
16 that meets the criteria of financial accounting standards board statement
17 no. 13, "accounting for leases", or any other lease that is accounted for as a
18 financing by a lessor under generally accepted accounting principles. For the
19 classification under this subdivision to apply:
- 20 (1) The average of the gross income in the current tax year and
21 immediately preceding two tax years must satisfy the more than fifty
22 percent requirement; and
- 23 (2) Gross income from incidental or occasional transactions must be
24 disregarded; or
- 25 k. Any other person or business entity, other than an insurance company taxable
26 under section 26.1-03-17, a real estate broker, or a securities dealer, ~~or a~~
27 ~~person or entity taxable under chapter 57-38~~, which derives more than fifty
28 percent of its gross income from activities that a person described in
29 subdivisions b through h and j is authorized to transact. For the purpose of
30 this subsection, the computation of gross income does not include income
31 from nonrecurring, extraordinary items.

1 The commissioner may exclude any person from the application of subdivision k
2 upon that person proving, by clear and convincing evidence, that the
3 income-producing activity of that person is not in substantial competition with those
4 persons described in subdivisions b through h and j.

5 **SECTION 31. AMENDMENT.** Section 57-35.3-02 of the North Dakota Century Code is
6 amended and reenacted as follows:

7 **57-35.3-02. Taxable income.**

- 8 1. In determining "taxable income" there must be added to federal taxable income:
- 9 a. The adjustments provided by subdivisions c, d, and g of subsection 1 of
10 section 57-38-01.3 as they existed before January 1, 2005;
- 11 b. Interest not subject to federal tax upon obligations of the state of North Dakota
12 and its political subdivisions;
- 13 c. The amount of any charitable contribution deduction taken for federal income
14 tax purposes under section 170 of the Internal Revenue Code;
- 15 d. In the case of a building and loan association or savings and loan association,
16 the amount of any bad debt reserve deduction taken for federal income tax
17 purposes under section 585 of the Internal Revenue Code; and
- 18 e. Dividends paid by a federal reserve bank to the extent not subject to federal
19 tax.
- 20 2. In determining "taxable income" there must be subtracted from federal taxable
21 income:
- 22 a. The adjustments provided by subdivision b of subsection 1 of section
23 57-38-01.3 as it existed before January 1, 2005;
- 24 b. Repealed by S.L. 2003, ch. 529, § 3;
- 25 c. In the case of a building and loan association or savings and loan association
26 that uses the bad debt reserve method under section 585 of the Internal
27 Revenue Code to account for bad debts for federal income tax purposes, an
28 amount equal to the deduction for bad debts that would have been allowed
29 under section 166(a) of the Internal Revenue Code if a deduction had not
30 been claimed under section 585 or 593;

- 1 d. The amount of any adjustments taken into account for federal income tax
2 purposes under section 593(g) of the Internal Revenue Code;
- 3 e. The amount of any interest and expenses relating to income not taxable for
4 federal income tax purposes if the income is taxable under sections
5 57-35.3-01 through 57-35.3-12 and the interest and expenses were
6 disallowed as deductions under section 171(a)(2), 265, or 291 of the Internal
7 Revenue Code in computing federal taxable income;
- 8 f. The amount of any wage and salary expenses disallowed as deductions
9 under section 280C(a) of the Internal Revenue Code in computing federal
10 taxable income;
- 11 g. An amount equal to the deduction for charitable contributions that would be
12 allowed for federal income tax purposes under section 170 of the Internal
13 Revenue Code if the percentage limitation of section 170(b)(2) of the Internal
14 Revenue Code was applied in all relevant taxable periods to taxable income,
15 rather than federal taxable income, but computed without regard to this
16 subdivision and that portion of subdivision a that refers to subdivision g of
17 subsection 1 of section 57-38-01.3 as it existed before January 1, 2005.
18 However, no deduction is allowable for a contribution if and to the extent that
19 a credit is allowed for the contribution under section 57-35.3-05;
- 20 h. The amount of net income not allocated and apportioned to this state under
21 sections 57-35.3-13 through 57-35.3-17, but only to the extent that the
22 amount of net income not allocated and apportioned to this state under those
23 sections is not included in any adjustment made pursuant to the preceding
24 subdivisions; and
- 25 i. The amount of federal income tax liability for the same taxable year for which
26 North Dakota taxable income is being determined, to the extent that the
27 federal taxes are computed upon income that becomes part of North Dakota
28 taxable income. Provided, that no adjustment to federal income taxes, paid or
29 accrued, is required because of allowable deductions to federal taxable
30 income made under the cost recovery provisions of subdivision b of
31 subsection 5 of section 57-38-01 as it existed before January 1, 2005.

1 Federal income taxes for prior periods assessed against the taxpayer by
2 reason of audit or other adjustment by the internal revenue service, or
3 voluntary disclosure by the taxpayer, are not deductible except in the period in
4 which income so taxed was reported or reportable or in which an adjustment
5 was required but only after an adjustment is made by or with the office of the
6 state tax commissioner. A refund of federal income tax must be reported and
7 included in North Dakota taxable income in the year in which the tax was
8 originally deducted. Income must be further reduced by any federal
9 alternative minimum tax when a federal credit for a prior year minimum tax is
10 taken. This reduction is limited to any federal alternative minimum tax
11 previously disallowed in computing North Dakota taxable income and may not
12 exceed North Dakota taxable income computed before the North Dakota net
13 operating loss deduction. Any excess may be carried forward to the next
14 taxable year a federal credit for a prior year minimum tax is taken.

15 3. A net operating loss for any prior taxable period, attributable to North Dakota
16 sources, must be allowed as a deduction from the sum otherwise calculated under
17 this section to the extent that it exceeds the taxable income for each of the prior
18 taxable years to which the loss may be carried under sections 57-35.3-01 through
19 57-35.3-12 or under prior chapters 57-35, 57-35.1, ~~or 57-35.2~~, or ~~corporations~~
20 ~~under chapter 57-38~~, governing the taxation of the taxpayer. Net operating losses
21 may be carried forward for the same time period as federal net operating losses
22 may be carried forward. If a financial institution uses an apportionment formula in
23 the loss year to determine the amount of income or loss that is attributable to North
24 Dakota sources, the amount of the North Dakota loss so determined is the net
25 operating loss attributable to North Dakota sources for purposes of this subsection.
26 No deduction may be taken for a carryforward when determining the amount of net
27 operating loss that is attributable to North Dakota sources. No net operating loss
28 carryback deduction is allowed.

29 4. The commissioner may adopt rules to prevent requiring income that had been
30 previously taxed under sections 57-35.3-01 through 57-35.3-12, or prior law
31 governing the taxation of financial institutions, from being taxed again because of

1 the provisions of sections 57-35.3-01 through 57-35.3-12 and to adopt rules to
2 prevent any income from becoming exempt from taxation because of sections
3 57-35.3-01 through 57-35.3-12 if it would otherwise have been subject to taxation
4 under sections 57-35.3-01 through 57-35.3-12.

5 5. If it appears to the commissioner that the segregation of assets shown by any
6 return made under sections 57-35.3-01 through 57-35.3-12 does not properly
7 reflect the taxpayer's activity or business done, or the income earned from the
8 taxpayer's activity or from business done in this state, because of the character of
9 the taxpayer's business and the character and location of its assets, the
10 commissioner may equitably adjust the tax.

11 **SECTION 32. AMENDMENT.** Section 57-35.3-06 of the North Dakota Century Code is
12 amended and reenacted as follows:

13 **57-35.3-06. Tax return.** On or before April fifteenth of each year, the taxpayer shall file
14 with the commissioner, on forms or in a manner prescribed by the commissioner, a report in
15 writing under oath showing the amount of taxable income of the financial institution for the
16 preceding calendar year. If required by the commissioner, the return must be accompanied by
17 a true copy of the federal income tax return of the taxpayer or by equivalent information in the
18 form and manner prescribed by the commissioner. A true copy of the federal income tax return
19 must be furnished to the commissioner by the taxpayer at any time after the taxpayer has filed
20 the return required by this section if required by the commissioner before the expiration of the
21 applicable period for assessment of additional tax liability ~~under section 57-38-38~~. The
22 commissioner may prescribe alternative methods for signing, subscribing, or verifying a return
23 filed by electronic means, including telecommunications, that has the same validity and
24 consequence as the actual signature and written declaration for a paper return. The
25 commissioner may grant a reasonable extension of time for filing a return ~~under the standards~~
26 ~~and terms applicable to other corporations under section 57-38-34~~.

27 **SECTION 33. AMENDMENT.** Section 57-35.3-11 of the North Dakota Century Code is
28 amended and reenacted as follows:

29 **57-35.3-11. Refunds.** Refunds of the tax imposed by sections 57-35.3-01 through
30 57-35.3-12, including related interest, must be paid from the state general fund. An amount
31 equal to the portion of any such refund attributable to tax collections deposited in the financial

1 institution tax distribution fund must be reimbursed to the state general fund from the first
2 available assets of the financial institution tax distribution fund, with interest thereon at the rate
3 prescribed by section 57-38-35.2 as it existed before January 1, 2005, from the date of
4 payment of the refund from the state general fund. The amounts necessary to pay these
5 refunds are hereby appropriated to the state treasurer as a standing and continuing
6 appropriation for payment under this section.

7 **SECTION 34. AMENDMENT.** Section 57-35.3-12 of the North Dakota Century Code is
8 amended and reenacted as follows:

9 **57-35.3-12. Applicable provisions of chapter 57-38 relating to administration,**
10 **interest, and penalties.** The provisions of section 57-38-33, subsection 1 of section 57-38-34,
11 sections 57-38-34.4, 57-38-35.1, 57-38-35.2, 57-38-37, 57-38-38, 57-38-39, 57-38-40,
12 57-38-44, 57-38-45, 57-38-46, 57-38-47, 57-38-48, 57-38-49, 57-38-50, 57-38-51, 57-38-53,
13 57-38-54, 57-38-56, and 57-38-57 as they existed before January 1, 2005, insofar as consistent
14 therewith, govern the administration of sections 57-35.3-01 through 57-35.3-12. For this
15 purpose, the term "corporation", as used in the sections listed in this section, includes a
16 financial institution.

17 **SECTION 35. AMENDMENT.** Subsection 1 of section 57-35.3-13 of the North Dakota
18 Century Code is amended and reenacted as follows:

19 1. Except as otherwise specifically provided, a financial institution whose business
20 activity is taxable both within and without this state shall allocate and apportion its
21 net income as provided in sections 57-35.3-13 through 57-35.3-17. All items of
22 nonbusiness income, meaning income that is not includable in the apportionable
23 income tax base, must be allocated under chapter 57-38.1 as it existed before
24 January 1, 2005. A financial institution organized under the laws of a foreign
25 country, the Commonwealth of Puerto Rico, or a territory or possession of the
26 United States the effectively connected income of which, as defined under the
27 Internal Revenue Code, is taxable both within this state and within another state,
28 other than the state in which it is organized, shall allocate and apportion its net
29 income as provided in sections 57-35.3-13 through 57-35.3-17.

30 **SECTION 36. AMENDMENT.** Subsection 14 of section 57-35.3-15 of the North Dakota
31 Century Code is amended and reenacted as follows:

1 14. All other receipts. The numerator of the receipts factor includes all other receipts
2 under the rules set forth in chapter 57-38.1 as it existed before January 1, 2005, to
3 the extent not inconsistent with this section.

4 **SECTION 37. AMENDMENT.** Subsection 5 of section 57-40.3-01 of the North Dakota
5 Century Code is amended and reenacted as follows:

6 5. "Purchase price" means the total amount paid for the motor vehicle whether
7 received in money or otherwise; provided, however, that when a motor vehicle or
8 other tangible personal property that will be subject to a sales or use tax imposed
9 by chapter ~~57-39.2~~ 57-64 or ~~57-40.2~~ 57-67 when sold or used is taken in trade as
10 a credit or as part payment on a motor vehicle taxable under this chapter, the credit
11 or trade-in value allowed by the person selling the motor vehicle shall be deducted
12 from the total selling price to establish the purchase price of the vehicle being sold
13 and the trade-in allowance allowed by the seller on a motor vehicle accepted as a
14 trade-in shall constitute the purchase price of a motor vehicle accepted as a
15 trade-in. If a motor vehicle is purchased by an owner who has had a motor vehicle
16 stolen or totally destroyed, a credit or trade-in credit shall be allowed in an amount
17 not to exceed the total amount the purchaser has been compensated by an
18 insurance company for the loss but not to exceed the total amount of motor vehicle
19 excise tax paid. The purchaser must provide the director of the department of
20 transportation with a notarized statement from the insurance company verifying the
21 fact that the original vehicle was a total loss and stating the amount compensated
22 by the insurance company for the loss. The statement from the insurance
23 company must accompany the purchaser's application for a certificate of title for
24 the replacement vehicle. In instances in which a licensed motor vehicle dealer
25 places into the dealer's service a new vehicle for the purpose of renting, leasing, or
26 dealership utility service, the reasonable value of the vehicle replaced shall be
27 included as trade-in value provided the vehicle replaced has been subject to motor
28 vehicle excise tax under section 57-40.3-02 and if the new vehicle is properly
29 registered and licensed. "Purchase price" when the motor vehicle is acquired by
30 gift or by any other transfer for a nominal or no monetary consideration also
31 includes the average value of similar motor vehicles, established by standards and

1 guides as determined by the director of the department of transportation.
2 "Purchase price" when a motor vehicle is manufactured by a person who registers
3 it under the laws of this state means the manufactured cost of such motor vehicle
4 and manufactured cost means the amount expended for materials, labor, and other
5 properly allocable costs of manufacture except that, in the absence of actual
6 expenditures for the manufacture of a part or all of the motor vehicle, manufactured
7 cost means the reasonable value of the completed motor vehicle.

8 **SECTION 38. AMENDMENT.** Section 57-40.3-02 of the North Dakota Century Code is
9 amended and reenacted as follows:

10 **57-40.3-02. Tax imposed.** There is hereby imposed an excise tax at the rate of five
11 and sixty-five hundredths percent on the purchase price of any motor vehicle purchased or
12 acquired either in or outside of the state of North Dakota for use on the streets and highways of
13 this state and required to be registered under the laws of this state.

14 **SECTION 39. AMENDMENT.** Subsection 6 of section 57-40.3-04 of the North Dakota
15 Century Code is amended and reenacted as follows:

16 6. Motor vehicles transferred between a lessee and lessor; provided, that the lessee
17 has been in continuous possession of such vehicle for a period of one year or
18 longer, and further provided that the lessor has paid either the tax imposed under
19 section 57-40.3-02 at the time of titling or licensing the vehicle in this state or the
20 use tax imposed by chapter ~~57-40.2~~ 57-67.

21 **SECTION 40. AMENDMENT.** Section 57-40.3-11 of the North Dakota Century Code is
22 amended and reenacted as follows:

23 **57-40.3-11. Penalties.**

24 1. Any person who violates any of the provisions of this chapter is guilty of a class B
25 misdemeanor.
26 2. Any person who submits a false or fraudulent motor vehicle purchaser's certificate,
27 or who fails to submit the certificate, is subject to a penalty of five percent of the
28 true amount of the tax which was due or five dollars, whichever is greater, plus one
29 percent of such tax for each month or fraction thereof subsequent to the month in
30 which the motor vehicle purchaser's certificate was due or the false or fraudulent
31 motor vehicle purchaser's certificate was furnished to the director of the

1 department of transportation. Such penalty must be paid to either the tax
2 commissioner or the director of the department of transportation and disposed of
3 pursuant to the provisions of section 57-40.3-10. The tax commissioner, if satisfied
4 that the failure to submit or the delay was excusable, may waive, and if paid,
5 refund all or any part of such penalty and interest. Unpaid penalties may be
6 enforced in the same manner as the tax imposed by this chapter.

7 3. Whenever a person, including any motor vehicle dealer, has collected from a
8 person acquiring a motor vehicle, a motor vehicle excise tax in excess of the
9 amount prescribed or due under this chapter, and if the person does not refund the
10 excessive tax collected to the person who remitted it, the person who collected the
11 tax shall pay it to the tax commissioner in the quarterly period in which the
12 excessive collection occurred. The penalty and interest provisions of this section
13 apply beginning at the termination of each reporting period.

14 4. If upon audit the commissioner determines that a motor vehicle excise tax has not
15 been paid or an additional tax is due, the commissioner shall give notice of
16 determination of the tax due to the person liable for the tax. The notice of
17 determination of tax due fixes the tax finally and irrevocably unless within fifteen
18 days of the date of the notice the person against whom the tax is assessed applies
19 to the commissioner for a hearing under chapter 28-32 or unless the commissioner
20 reduces the liability relating to assessments on the commissioner's own motion.
21 The provisions of ~~chapter 57-39-2~~ chapters 57-64 through 57-67 not in conflict with
22 the provisions of this chapter govern the administration of the tax levied in this
23 chapter.

24 **SECTION 41. AMENDMENT.** Section 57-40.5-03 of the North Dakota Century Code is
25 amended and reenacted as follows:

26 **57-40.5-03. Exemptions.** There are specifically exempted from the provisions of this
27 chapter and from computation of the amount of tax imposed by it, the following:

28 1. Aircraft acquired by disabled veterans as defined by the provisions of Public Law
29 No. 79-663 [38 U.S.C. 1901]. This exemption shall be allowed only with respect to

- 8 reorganization, if the ownership of the business organization remains in the same
- 9 person or persons as prior to the reorganization.
- 10 4. Aircraft transferred between a lessee and lessor, if the lessee has been in
- 11 continuous possession of the aircraft for a period of one year or longer, and if the

- 13 the aircraft in this state or the use tax imposed by chapter ~~57-40.2~~ 57-67.
- 14 5. Aircraft acquired by any parochial or private nonprofit school. To qualify, a school
- 15 must normally maintain a regular faculty and curriculum and must have a regularly
- 16 organized body of students in attendance. The aircraft is not to be used for
- 17 commercial activities.

18 **SECTION 42. AMENDMENT.** Subsection 3 of section 57-63-10 of the North Dakota
19 Century Code is amended and reenacted as follows:

7 interest charge for each month or part thereof for which the payment is late, which interest shall
8 be one and one-quarter percent or five dollars whichever is greater for the first month, and one
9 and one-quarter percent per month thereafter. If the failure to pay tax was with the intent to
10 intentionally avoid or delay the payment of tax, the person who fails to pay the tax within the
11 time prescribed is subject to an interest charge for each month or part thereof for which the
12 payment is late, which interest shall be one and one-half percent or five dollars, whichever is
13 greater. Interest is tolled during any appeal taken by the department or during any period the
14 hearing examiner extends the time in which to submit a proposed decision or during any period
15 the secretary fails to rule within thirty days after receiving the proposed decision. Penalty and
16 interest are considered the same as tax for the purposes of collection and enforcement
17 including liens, distress warrants, and criminal violations. Any payment received for taxes,
18 penalty, or interest is applied first to tax, beginning with the oldest delinquency, then to interest,
19 and then to penalty.

20 The secretary may, upon application of the taxpayer, establish a maximum interest rate
21 of thirty percent upon delinquent taxes if the tax commissioner determines that the delinquent
22 payment was caused by a mistake of law and was not caused by an intent to evade the tax.

23 **57-64-88. Change of reporting periods.** The tax commissioner may require or allow
24 some returns and remittances to be filed on a monthly, bimonthly, semiannual, or annual basis
25 and the return and remittance is due the last day of the month following the reporting period.
26 For persons issued a temporary or seasonal sales tax permit, the returns and remittances may
27 be required at a time determined by the tax commissioner.

28 **57-64-89. Deduction allowed for sales refunds.** Refunds made by a retailer during
29 the reporting period shall be allowed as a deduction in case the retailer included the receipts for
30 which a refund is made in the net taxable sales or has previously paid the sales tax.

1 **57-64-90. Deduction allowed attorneys and accountants for amounts spent on**
2 **behalf of clients.** In determining the amount of tax due under this chapter, attorneys and
3 accountants licensed in this state may deduct from gross receipts amounts which represent
4 charges to clients for tangible personal property or services purchased by the attorney or
5 accountant on behalf of a client. However, the sale of the property or service to the attorney or
6 accountant is not a sale for resale if this deduction is taken. This deduction may only be taken
7 if the amount to be deducted represents an expense specifically incurred for a particular client
8 and the amount is itemized and separately billed as a reimbursable expense by the attorney or
9 accountant.

10 **57-64-91. Bad debts - Deduction from amount upon which tax is calculated - Time**
11 **for deduction.** For purposes of this chapter, a bad debt is any portion of the purchase price of
12 a transaction that a seller has reported as taxable and for which the seller or any party related
13 to the seller within the meaning of section 267 or 707 of the Internal Revenue Code (related
14 party), as of January 1, 2003, or any disregarded entity for federal income tax purposes that is
15 owned by the seller or a related party, legally claims as a bad debt deduction for federal income
16 tax purposes. In computing the amount of tax due, a seller may deduct bad debts from the total
17 amount upon which the tax is calculated for any return. Any deduction taken or refund paid
18 which is attributed to bad debts may not include interest. Bad debts include worthless checks,
19 worthless credit card payments, and uncollectible credit accounts. Bad debts do not include
20 financing charges or interest, sales or use taxes charged on the purchase price, uncollectible
21 amounts on property that remain in the possession of the seller until the full purchase price is
22 paid, expenses incurred in attempting to collect any debt, debts sold, or assigned to unrelated
23 third parties for collection, and repossessed property. No bad debt deduction may be claimed
24 by any person who has purchased accounts receivable for collection unless the person is a
25 successor who has acquired the entire business of the seller that incurred the bad debt, the
26 person is a related party, or the person is a disregarded entity for federal income tax purposes
27 that is owned by the seller or a related party.

28 Bad debts shall be deducted within twelve months following the month in which the bad
29 debt has been charged off for federal income tax purposes. If a deduction is taken for a bad
30 debt and the seller subsequently collects the debt in whole or in part, the tax on the amount so
31 collected shall be paid and reported on the next return due after the collection.

1 A seller may obtain a refund of tax on any amount of bad debt that exceeds the amount
2 of taxable sales within the twelve-month period defined by that bad debt. A refund under this
3 section may not include interest.

4 If a seller's filing responsibilities have been assumed by a certified service provider, the
5 service provider may claim, on behalf of the seller, any bad debt allowance provided by this
6 section. The service provider shall credit or refund the full amount of any bad debt allowance or
7 refund received to the seller.

8 **57-64-92. Cash basis reporting and payment.** Notwithstanding other provisions of
9 this chapter, the tax commissioner shall allow retailers to report and pay sales tax measured by
10 gross receipts upon a cash basis if:

- 11 1. The retailer has not changed the retailer's basis in the previous calendar year;
- 12 2. The retailer's records are kept in a manner which may be audited to determine
13 whether sales tax is paid upon all taxable sales;
- 14 3. The retailer has made a written request to the tax commissioner for authority to pay
15 tax on the cash basis; and
- 16 4. Authority to pay tax on the cash basis applies only to sales made after the authority
17 is granted.

18 **57-64-93. Accrual basis reporting and payment.** If the tax commissioner has
19 granted a retailer the authority to report and pay sales tax on the cash basis and a retailer
20 requests in writing for the authority to report and pay sales tax upon the accrual basis, the tax
21 commissioner may grant such authority if assessment and collection of taxes are not
22 jeopardized.

23 **57-64-94. Receipts not issued for taxes remitted.** The tax commissioner is not
24 required to issue receipts for sales tax remitted to the office of the tax commissioner.

25 **57-64-95. Revocation of retailer's license for failure to file return or pay tax -**
26 **Continuation in business a misdemeanor.** Every person who is the holder of a sales tax
27 license and who has failed to file a return, or who has filed a return and has failed to pay the tax
28 due the state under this law on or before the fifteenth of the second month following the quarter,
29 or any other reporting period authorized, shall no longer continue as a retailer and that person's
30 sales tax license is hereby revoked and canceled. Any person who shall continue in a taxable

1 business after that person's license has been revoked or canceled, as herein provided, is guilty
2 of a class A misdemeanor.

3 **57-64-96. Appeals from decisions of tax commissioner.** Appeals from decisions of
4 the tax commissioner in contested cases may be taken in accordance with chapter 28-32.

5 **57-64-97. Reinstatement of revoked retailer's license - Fee.** The license of a retailer
6 which has been canceled or revoked shall not be reinstated by the tax commissioner until all
7 the sales tax due the state and a ten dollar reinstatement fee has been paid.

8 **57-64-98. Jeopardy assessment of sales tax - Lien and distress warrant - Bond to**
9 **pay tax.** If the tax commissioner believes that the assessment or collection of taxes will be
10 jeopardized by delay, the tax commissioner may immediately make an assessment of the
11 estimated tax and penalty and demand payment thereof from the taxpayer. If such payment is
12 not made, a lien may be filed and a distress warrant issued. The tax commissioner shall be
13 permitted to accept a bond from the taxpayer to satisfy collection until the amount of tax legally
14 due shall be determined and paid.

15 **57-64-99. Endorsement and return of uncollectible warrant - Liability of officer for**
16 **failure to issue or execute warrant.** When the sheriff is unable to find property of the
17 taxpayer which may be seized and sold, within thirty days after receipt of the warrant, the sheriff
18 shall endorse upon the case of the warrant the word "uncollectible" and return the warrant to
19 the county treasurer. Failure or refusal of the county treasurer to issue a distress warrant when
20 requested to do so, or of the sheriff to attempt to execute the same, shall make the officer
21 failing to perform that officer's duty personally liable for the delinquent tax, and said tax may be
22 recovered in an action brought against that officer and that officer's sureties by the tax
23 commissioner.

24 **57-64-100. Records preserved by persons subject to tax - Inspection by**
25 **department.** Every person subject to tax under this chapter shall keep records and books of all
26 receipts and sales, together with invoices, bills of lading, copies of bills of sale, and other
27 pertinent papers and documents. At all times during business hours of the day, such books and
28 records and other papers and documents shall be subject to inspection by the tax
29 commissioner or the tax commissioner's duly authorized agents and employees to determine
30 the amount of tax due. Such books and records shall be preserved for a period of three years

1 unless the tax commissioner, in writing, authorized their destruction or disposal at an earlier
2 date.

3 **57-64-101. Rules.** The tax commissioner may adopt rules under chapter 28-32
4 concerning:

- 5 1. Licensing, including bonding and filing license applications;
- 6 2. The filing of returns and payment of the tax;
- 7 3. Determining the application of the tax and exemptions;
- 8 4. Taxpayer recordkeeping requirements; and
- 9 5. Determining auditing methods.

10 **57-64-102. Violations as criminal offenses - Classification.** Any person who:

- 11 1. Makes any false or fraudulent return in attempting to defeat or evade the tax
12 imposed by this chapter is guilty of a class A misdemeanor;
- 13 2. Fails to pay tax due under this chapter within thirty days from the date the tax
14 becomes due is guilty of a class A misdemeanor;
- 15 3. Fails to keep the records and books required by this chapter or refuses to exhibit
16 these records to the tax commissioner or the tax commissioner's agents for the
17 purpose of examination is guilty of a class A misdemeanor;

19 return is due is guilty of a class A misdemeanor;
- 20 5. Engages in business as a retailer under this chapter without obtaining a sales tax
21 license is guilty of a class A misdemeanor;
- 22 6. Engages in business as a retailer under this chapter after that person's sales tax

26 enforcement of the provisions of this chapter is guilty of a class A misdemeanor;
- 27 8. Violates either subsection 2 or subsection 4 two or more times in any twelve-month
28 period is guilty of a class C felony; or
- 29 9. Engages in business as a retailer under this chapter without obtaining a sales tax
30 license after having been notified in writing by the tax commissioner that the
31 person is a retailer subject to the provisions of the sales and use tax laws is guilty

1 of a class A misdemeanor. It is not a violation of this subsection if the person
2 engaging in business as a retailer files an application for a sales tax license and
3 meets all lawful prerequisites for obtaining such license within three days from
4 receipt of written notice from the tax commissioner.

5 For purposes of this section, "person" includes corporate officers having control or supervision
6 of or charged with the responsibility for making tax returns or payments pursuant to this
7 chapter.

8 **57-64-103. Allocation to state general fund and political subdivisions.** All taxes
9 and license fees collected by the tax commissioner pursuant to this chapter shall immediately
10 be turned over to the state treasurer and credited to the state general fund, except five percent
11 of net sales, use, and motor vehicle excise tax collections under chapters 57-64 through 57-67
12 and 57-40.3 must be deposited by the state treasurer in the state aid distribution fund. The
13 state tax commissioner shall certify to the state treasurer the portion of sales, use, and motor
14 vehicle excise tax net revenues that must be deposited in the state aid distribution fund as
15 determined under this section. Revenues deposited in the state aid distribution fund are
16 provided as a standing and continuing appropriation and must be allocated as follows:

17 1. Fifty-three and seven-tenths percent of the revenues must be allocated to counties
18 in the first month after each quarterly period as provided in this subsection.

19 a. Sixty-four percent of the amount must be allocated among the seventeen
20 counties with the greatest population in the following manner:

21 (1) Thirty-two percent of the amount must be allocated equally among the
22 counties; and

23 (2) The remaining amount must be allocated based upon the proportion
24 each such county's population bears to the total population of all such
25 counties.

26 b. Thirty-six percent of the amount must be allocated among all counties,
27 excluding the seventeen counties with the greatest population in the following
28 manner:

29 (1) Forty percent of the amount must be allocated equally among the
30 counties; and

1 (2) The remaining amount must be allocated based upon the proportion
2 each such county's population bears to the total population of all such
3 counties.

4 A county shall deposit all revenues received under this subsection in the county
5 general fund. Each county shall reserve a portion of its allocation under this
6 subsection for further distribution to, or expenditure on behalf of, townships, rural
7 fire protection districts, rural ambulance districts, soil conservation districts, county
8 recreation service districts, county hospital districts, the Garrison Diversion
9 Conservancy District, the southwest water authority, and other taxing districts
10 within the county, excluding school districts, cities, and taxing districts within cities.
11 The share of the county allocation under this subsection to be distributed to a
12 township must be equal to the percentage of the county share of state aid
13 distribution fund allocations that township received during calendar year 1996. The
14 governing boards of the county and township may agree to a different distribution.

15 2. Forty-six and three-tenths percent of the revenues must be allocated to cities in the
16 first month after each quarterly period as provided in this subsection.

17 a. Nineteen and four-tenths percent of the amount must be allocated among
18 cities with a population of eighty thousand or more based upon the proportion
19 each city's population bears to the total population of all such cities.

20 b. Thirty-four and five-tenths percent of the amount must be allocated among
21 cities with a population of twenty thousand or more but fewer than eighty
22 thousand based upon the proportion each such city's population bears to the
23 total population of all such cities.

24 c. Sixteen percent of the amount must be allocated among cities with a
25 population of ten thousand or more but fewer than twenty thousand based
26 upon the proportion each such city's population bears to the total population
27 of all such cities.

28 d. Four and nine-tenths percent of the amount must be allocated among cities
29 with a population of five thousand or more but fewer than ten thousand based
30 upon the proportion each such city's population bears to the total population
31 of all such cities.

- 1 e. Thirteen and one-tenth percent of the amount must be allocated among cities
2 with a population of one thousand or more but fewer than five thousand based
3 upon the proportion each such city's population bears to the total population
4 of all such cities.
- 5 f. Six and one-tenth percent of the amount must be allocated among cities with
6 a population of five hundred or more but fewer than one thousand based upon
7 the proportion each such city's population bears to the total population of all
8 such cities.
- 9 g. Three and four-tenths percent of the amount must be allocated among cities
10 with a population of two hundred or more but fewer than five hundred based
11 upon the proportion each such city's population bears to the total population
12 of all such cities.
- 13 h. Two and six-tenths percent of the amount must be allocated among cities with
14 a population of fewer than two hundred based upon the proportion each such
15 city's population bears to the total population of all such cities.

16 A city shall deposit all revenues received under this subsection in the city general
17 fund. Each city shall reserve a portion of its allocation under this subsection for
18 further distribution to, or expenditure on behalf of, park districts and other taxing
19 districts within the city, excluding school districts. The share of the city allocation
20 under this subsection to be distributed to a park district must be equal to the
21 percentage of the city share of state aid distribution fund allocations that park
22 district received during calendar year 1996, up to a maximum of thirty percent. The
23 governing boards of the city and park district may agree to a different distribution.

24 **57-64-104. Personal liability of officers of corporation failing to file returns or pay**
25 **tax - Security in lieu of liability - Bonded municipal officials exempt.** If a corporation
26 subject to tax under this chapter fails for any reason to file the required returns or to pay the tax
27 due, any of its officers having control, or supervision of, or charged with the responsibility for
28 making such returns and payments shall be personally liable for such failure. The dissolution of
29 a corporation shall not discharge an officer's liability for a prior failure of the corporation to make
30 a return or remit the tax due. The sum due for such a liability may be assessed and collected
31 as provided by law.

1 If the corporate officers elect not to be personally liable for the failure to file the required
2 returns or to pay the tax due, the corporation shall provide the tax commissioner with a surety
3 bond or certificate of deposit as security for payment of any tax that may become due. The
4 bond or certificate of deposit provided for in this section shall be in an amount equal to the
5 estimated annual gross receipts multiplied by the applicable sales or excise tax rate. This
6 section does not apply to elected or appointed officials of a municipality if they are bonded.

7 **57-64-105. Exemption certificate - Responsibilities of seller taking certificate -**
8 **Responsibilities of purchaser - Violation as misdemeanor - Retention of certificate -**

9 **Rules and forms.** A seller, who possesses an exemption certificate from a purchaser of
10 tangible personal property or services which indicates the items or services being purchased
11 are exempt, may rely on the exemption certificate and not charge sales tax to the provider of
12 the exemption certificate until the provider of the exemption certificate gives notice that the
13 items or services being purchased are no longer exempt by filing a new exemption certificate
14 with the seller.

15 The exemption certificate shall be signed by the purchaser, provide the purchaser's
16 name, address, and valid state tax license number, if applicable, and shall describe the types of
17 tangible personal property and services being purchased exempt by the purchaser. However,
18 any person filing an electronic exemption certificate is not required to sign the exemption
19 certificate.

20 The purchaser claiming the protection of an exemption certificate is responsible for
21 assuring that the goods and services delivered thereafter are of a type covered by the
22 exemption certificate. If there are items covered under the exemption certificate which are not
23 being purchased exempt, it is the responsibility of the purchaser when ordering goods from a
24 seller to indicate if any of the items purchased are not exempt, and the appropriate sales tax
25 shall be charged on the portion of the sale that is not exempt. A seller of property or services
26 which are generally described under the exemption certificate is not responsible for the
27 collection of the tax unless otherwise directed by the purchaser.

28 If the purchaser later determines there is any tax due and owing, the purchaser shall
29 remit the tax owed by the purchaser to the state. If the purchaser makes an exempt purchase
30 and later determines that the goods or services purchased are not exempt, the purchaser shall
31 report the transaction and pay the use tax on the next filing of the purchaser's return.

1 Any purchaser who knowingly and intentionally lists on an exemption certificate
2 personal property or services which the purchaser knows, at the time the exemption certificate
3 is filed with the seller, are not exempt, or provides an invalid exemption certificate with the intent
4 to evade payment of the tax, and fails to timely report the same with the tax commissioner is
5 guilty of a class A misdemeanor. The tax commissioner may assess a penalty of up to fifty
6 percent of the tax owed in addition to the tax owed. No interest may be charged on the penalty.

7 The seller shall retain the exemption certificate for a period of three years from the date
8 it is filed by the purchaser and provide the exemption certificate to the tax commissioner upon
9 request.

10 The tax commissioner may adopt rules under chapter 28-32 to adopt forms for
11 exemption certificates.

13 **Transportation to be within state.** There is imposed a tax of five and sixty-five hundredths

24 by federal law or the United States constitution.

25 **57-64-109. Agricultural products transportation by producer exempt.** The
26 transportation of agricultural products by the agricultural producer thereof is exempt from the
27 tax imposed by sections 57-64-106 through 57-64-115 if the producer transports such products
28 in a mode of transportation which is owned, leased, or rented by the producer. However, if an
29 agricultural producer transports another person's products for hire, such transportation is
30 subject to the tax imposed by sections 57-64-106 through 57-64-115.

1 **57-64-110. Transportation services sold for resale.** Transportation services may
2 only be sold for resale under the following circumstances:

6 sells to its customers by truck or other mode of transportation owned, leased, or
7 rented by such retailer may purchase for resale the services of a transportation
8 company for the delivery of such retailer's tangible personal property.

22 terminal at which it was loaded with fuel to the most distant location in this state at
23 which the fuel is unloaded, excluding miles not traveled within this state.

24 **57-64-112. Tax of fuel terminal transportation services.** In lieu of the tax imposed
25 by sections 57-64-106 and 57-67-86 on the transportation of fuel, a transportation company
26 may elect to be taxed on the fuel terminal transportation services under sections 57-64-111
27 through 57-64-114.

28 **57-64-113. Tax on gross receipts of transportation company engaged in fuel**
29 **terminal transportation - Calculation of imputed gross receipts.** There is imposed a tax on
30 the imputed gross receipts of any transportation company engaged in fuel terminal
31 transportation who elects to be taxed under this section. The tax imposed by this section shall

1 be on the imputed gross receipts as provided in this section. The imputed gross receipts from
2 fuel terminal transportation shall be calculated on the basis of the number of cargo vessels and

15	<u>200 or more</u>	<u>2 or more</u>	<u>\$385.00</u>

16 **57-64-114. Exemption of tax on subsequent transportation of fuel.** For the fuel
17 terminal transportation subject to tax under sections 57-64-111 through 57-64-113, all
18 subsequent transportation of that fuel is exempt from the tax imposed under this chapter.

19 **57-64-115. Effect of special reporting election.** The provisions of section 57-64-82
20 also apply to any taxes imposed by sections 57-64-111 through 57-64-113 on transportation

14 due under this chapter, auctioneers may deduct from gross receipts amounts which represent
15 direct expense charges for clients for tangible personal property or services purchased by the
16 auctioneer on behalf of a client. However, the sale of the property or service to the auctioneer
17 is not a sale for resale if this deduction is taken. This deduction may only be taken if the
18 amount to be deducted represents an expense specifically incurred for a particular client and
19 the amount is itemized and paid from the client's auction proceeds by the auctioneer or closing
20 agent. The deduction shall be disallowed if the auctioneer receives any profit or remuneration
21 directly or indirectly from the client's expense.

22 **57-64-122. Auction clerk to file return and remit sales tax - Responsibilities of**
23 **auctioneer - Records.** All auction sales and consignment sales of tangible personal property
24 and services are sales at retail. The auction clerk shall file the return and remit the tax imposed
