USE OF LIGNITE COAL.

AN ACT to Amend Section 1030 of the Revised Codes of 1899, Relating to Public Institutions.

Be It Enacted by the Legislative Assembly of the State of North Dakota:

§ 1. AMENDMENT.] That section 1030 of the revised codes of 1899, relating to public institutions, be amended to read as follows:

§ 1030. PUBLIC INSTITUTIONS TO USE.] The various state institutions, county buildings and public school houses of this state shall use for fuel, native or lignite coal, and it shall be unlawful for any officer to purchase for use in institutions, county buildings and public schools any coal other than that taken from the mines within the boundaries of this state; provided, that the comparative cost of such fuel is not greater than that of lignite coal. This section shall not be construed, however, as prohibiting the use of wood at such institutions, county buildings and public schools, when the cost thereof does not exceed that of native coal, or the use of coal other than native lignite coal at such public schools as are located six miles or more from any mine or railroad station within the boundaries of this state; provided, that the comparative cost of such fuel is not greater than that of lignite coal.
