Be It Enacted by the Legislative Assembly of the State of North Dakota:

§ 1. AMENDMENT.] That section 277 and section 280 of chapter 4, of article 6, of the revised codes of 1899, be amended so as to read as follows:

§ 277. EXAMINATIONS, HOW CONDUCTED. LICENSES, TO WHOM GRANTED AND HOW REVOKED.] All persons before commencing the practice of medicine, surgery or obstetrics in this state shall apply to the board of medical examiners for a license so to do, and such applicant shall submit to an examination in the following subjects: Anatomy, physiology, chemistry, pathology, therapeutics, diseases of women and children, nervous diseases, diseases of the eye and ear, medical jurisprudence and such other subjects as the board deems advisable, and present evidence of having graduated from a reputable medical college and attended three courses of lectures of at least six months each; provided, however, that after the year 1904, applicants must present evidence of having graduated from a reputable college and attended four courses of lectures of at least eight months each; and the board shall cause such examination to be practical and scientific and sufficient to test the candidate's fitness to practice medicine, surgery and obstetrics; provided, however, that the examination of any applicant in therapeutics shall be conducted by the member or members of said board who represent the system of medicine of which such applicant has been a student. If there be no representative of the school or system of which the applicant has been a student, the examination in therapeutics shall be conducted by an ex-

aminer appointed for that purpose by the governor of North Dakota, but all other examinations other than that in therapeutics shall be conducted as heretofore provided by this act. If such applicant passes the prescribed examination, the board shall grant him a license to practice medicine, surgery and obstetrics in this state, which license shall be signed by the president and secretary of the board and attested by the seal thereof. The fee for such examination shall be twenty dollars, to be applied by the board toward paying the expenses thereof. The board, in its discretion, may grant license for the same fee without examination to applicants examined and licensed by other state examining boards maintaining standards not lower than those provided for in this article. The board may revoke or refuse a license for dishonorable or immoral conduct, chronic or persistent inebriety or mental aberration, excessive use of narcotics, or for the practice of criminal abortion. In complaints for violating the provisions of this section the accused shall be furnished with a copy of the complaint and be given a hearing before the board in person or by attorney.

§ 280. PENALTY FOR PRACTICING WITHOUT A LICENSE.] Any person practicing medicine, surgery and obstetrics, without a license or otherwise violating the provisions of this article is guilty of a misdemeanor and upon conviction thereof, is punishable by a fine of not less than fifty nor more than one hundred dollars, or by imprisonment in the county jail not exceeding thirty days, or by both. Nothing in this act shall be construed so as to prohibit gratuitous assistance to a sick or injured person in case of emergency.

§ 2. REPEAL.] That section 277 and section 280 of article 6 of chapter 4 of the revised codes, 1899, are hereby repealed and this act re-enacted in lieu thereof and nothing in this act shall be so construed as to repeal any other existing article or law.
