## CHAPTER 6

H. B. No. 112—Holte, Treffry and Fitzgerald)

### PURCHASE, ETC., HOG CHOLERA VIRUS

An Act regulating the purchase, use, administering and handling of hog cholera virus, and providing penalties therefor.

March 23, 1935.

TO THE HONORABLE THE SECRETARY OF STATE:

House Bill No. 112 is herewith filed with your office unsigned and not vetoed. It was passed by a vote of 57 ayes, 37 nays, with 19 absent and not voting in the House, and in the Senate by a vote of 27 ayes, 15 nays and 7 absent and not voting.

There seems to be considerable difference of opinion as to the effect of the use of the hog cholera virus in the treatment of diseased herds. The Department of Agriculture advises that the use of the serum is the only effective means of complete vaccination.

This same bill was passed at the last session of the Legislature and vetoed. Many farmers are interested in having this legislation passed and inasmuch as it seems to be the difference of opinion as to the effect, it will probably be a good thing to give it a trial.

Respectfully,

WALTER WELFORD,

Acting Governor.
