§ 158. No land shall be sold for less than the appraised value and in no case be sold for less than ten dollars (\$10.00) per acre. The purchaser shall pay one-fifth of the price in cash, and the remaining four-fifths as follows:

One-fifth in five years, one-fifth on or before the expiration of ten years, one-fifth on or before the expiration of fifteen years, and one-fifth on or before the expiration of twenty years, with interest at the rate of not less than three per cent per annum, payable annually; provided that when payments are made before due they shall be made at an interest paying date. All sales shall be held at the county seat of the county in which the land to be sold is situated, and shall be at public auction and to the highest bidder, after sixty days advertisement of the same in a newspaper of general circulation in the vicinity of the land to be sold, and one at the seat of government. Such lands as shall not have been specially subdivided shall be offered in tracts of one quarter section, and those subdivided in the smallest subdivisions. All lands designated for sale and not sold within two years after appraisal shall be reappraised before they are sold. No grant or patent for such lands shall issue until payment is made for the same; provided that the land contracted to be sold by the State shall be subject to taxation from the date of contract. In case the taxes assessed against any of said lands for any year remain unpaid until the first Monday in October of the following year, then thereupon the contract of sale for such land shall, if the Board of University and School Lands so determine, become null and void. Any lands under the provision of Section 158 of the Constitution of the State of North Dakota that have heretofore been sold, may be paid for, except as to interest as provided; provided further, that any school or institutional lands that may be required for townsite purposes, school house sites, church sites, cemetery sites, sites for other educational or charitable institutions, public parks, fair grounds, public highways, railroad right of way or for other railroad uses and purposes, reservoirs for the storage of water for irrigation, drain ditches, and lands that may be required for any of the purposes over which the right of eminent domain may be exercised under the Constitution and the laws of the State of North Dakota, may be sold under the provisions of this act, and shall be paid for, principal and interest, in full in

advance at the time of the sale, or at any time thereafter, and patent issued therefor, when principal and interest are paid. Any of the said lands, including lands held in trust for any purpose, may, with the approval of the Board of University and School Lands, be exchanged for lands of the United States, as the Legislature may provide, and the lands so acquired shall be subject to the trust, if any, to which the lands exchanged therefor were subject, and the State shall reserve all mineral and water and water power rights in lands so transferred by the State.

Provided, further, that, when land has been sold on contract as hereinbefore provided, and the purchases [purchaser] or his heirs or assigns, has been unable, at least in part by reason of successive crop failures, to pay for the land purchased within twenty years after the date of purchase and such contract is in default and subject to cancellation, the Board of University and School Lands, may, if so requested by such purchaser or his heirs, or assigns, after declaring such contract terminated, resell the land described in such contract to such purchaser, or his heirs or assigns for the amount of the unpaid principal of the original purchase price plus the amount of unpaid accrued interest, but in no case shall the resale price be more than the original sale price, such contract of resale to be upon the same terms as said original contract excepting that the contract of resale may provide that the purchaser may pay the first one-fifth of the resale price in five equal successive annual installments, the first installment to be paid at the time of execution of the resale contract, and that such resale contract shall bear interest at the rate of three per cent per annum payable annually; and provided further, that this Section shall be deemed self-executing insofar as provision is made herein for resale of lands sold to the original purchaser or to his heirs or assigns.
