

INITIATED MEASURES, DISAPPROVED

CHAPTER 600

YOUTH EMPLOYMENT PROGRAM

Disapproval of an initiated measure which would have appropriated \$1,950,000 annually and would have authorized the Governor to delegate to such agencies as he deemed necessary the duties and responsibilities to implement a public employment program to provide summer jobs for students attending North Dakota colleges and other youth, a research program to study the feasibility of increased industrial growth, an opportunity locator system to identify employment opportunities, a technical assistance program to aid new or small businesses in solving problems, and to undertake a continuing analysis of approaches to increase employment opportunities.

Disapproved November 5, 1974

98,201 to 100,913

NOTE: This was initiated measure No. 1 on the general election ballot.

CHAPTER 601

CORPORATION FARMING

Disapproval of an initiated measure to create and enact section 10-06-07 of the North Dakota Century Code which would have allowed limited corporation farming where the stockholders numbered no more than ten and were members of the same family with at least one such family member actively engaged in farming, and where no stockholder was a corporation.

Disapproved November 5, 1974

73,874 to 130,026

NOTE: This was initiated measure No. 2 on the general election ballot.
