NOTICE OF INTENT TO AMEND
ADMINISTRATIVE RULES RELATING TO
N.D.A.C. CHAPTER 75-03-38
AUTISM SPECTRUM DISORDER VOUCHER PROGRAM

TAKE NOTICE that the North Dakota Department of Human Services will hold a public hearing to address proposed amendments to N.D. Admin. Code chapter 75-03-38 at 2:30 p.m. on Thursday, December 12, 2019, in Bismarck, N.D. in AV Room 212, located on the second floor of the Judicial Wing of the State Capitol.

The proposed amendments to N.D. Admin. Code chapter 75-03-38, Autism Spectrum Disorder Voucher Program, are necessary to comply with an appropriations measure passed during the 2019 legislative session, as directed by Senate Bill No. 2012. Changes were also made to clarify and reduce confusion in understanding the voucher process from eligibility to termination, and to make it possible to assist more families in dealing with an autism spectrum disorder diagnosis.

The proposed changes are as follows:

Section 75-03-38-02 is amended to remove the following conditions on participation of a child in the autism spectrum disorder voucher program: that the child has been recommended for voucher support by a qualified professional and that the item or support requested is cost effective in meeting the child's needs. The section is amended to remove language stating that voucher support approved for a child with an autism spectrum diagnosis may not exceed \$12,500 per state fiscal year to section 75-03-38-04. This section is also amended to remove language stating that the department shall only approve voucher applications based on the voucher slots available.

Sections 75-03-38-04 is amended to remove language stating that the division may approve a voucher application for one state fiscal year and language stating that division shall review the application for completeness and will determine the child's eligibility for voucher supports. Language from 75-03-38-02 is added here identifying the maximum amount of funding allowed for voucher support annually. The section replaces references to "multiple purchases" with "recurring purchases". Language is added stating that division may approve a voucher request for a one-time purchase or a recurring purchase not to exceed the maximum amount in subsection 1 of section 75-03-38-04 (which currently stands at \$12,500).

LEGAL ADVISORY UNIT

It then clarifies that the difference between the maximum amount of funding permitted in subsection 1 of section 75-03-38-04 and the amount approved may be used to fund additional voucher requests. The section is amended to change the amount of time to make a purchase from 180 days to 60 days, to ensure items are purchased within a shorter time period. The section also clarifies that voucher funds may not be used for duplicate items or services that address identical deficit goals, except for disposable items. The section also adds language providing that voucher funds may not be used for items that would cause a parent, custodian, or legal guardian to have additional or recurring costs, as well as service animals or emotional support animals and related items. New language also provides that: items or supports requested through the voucher program must be cost-effective in meeting the child's needs; and that voucher funds are not available until the division approves the purchase request form.

The proposed amendments are not anticipated to have an impact on the regulated community in excess of \$50,000. No taking of real property is involved in this rulemaking action.

Copies of the proposed rules are available for review at county social services offices and at human service centers. Copies of the proposed rules and the regulatory analysis relating to these rules may be requested by telephoning (701) 328-2311. Written or oral data, views, or arguments may be entered at the hearing or sent to: Rules Administrator, North Dakota Department of Human Services, State Capitol - Judicial Wing, 600 E. Boulevard Ave., Dept. 325, Bismarck, ND 58505-0250. Written data, views, or arguments on the proposed rules must be received no later than 5:00 p.m. on Monday, December 23, 2019.

Dated this 25th day of October, 2019.
