TAKE NOTICE that the North Dakota Department of Health (NDDH) and the Environmental Health Section Chief, on behalf of the North Dakota Department of Environmental Quality (NDDEQ), will hold a public information meeting and hearing on proposed changes to the N.D. Admin. Code. The proposed changes are amendments to the Standards of Quality for Waters of the State, N.D. Admin. Code ch. 33-16-02.1, and adoption of the Standards of Quality for Waters of the State, N.D. Admin. Code ch. 33.1-16-02.1. The hearing will be held on March 12, 2018, beginning at 5:30 p.m., at the NDDH, 918 East Divide Avenue, Bismarck, ND 58501.

The proposed amendments to the Standards of Quality for Waters of the State, N.D. Admin. Code ch. 33-16-02.1, are the result of the NDDH's periodic review of the Standards of Quality for Waters of the State, as required by 33 U.S.C. § 1313(c). As proposed, the NDDH's amendments will provide clarification in the standards and include changes to the narrative and numeric criteria, definitions and formatting. Specifically, the NDDH is proposing the following amendments to N.D. Admin. Code Chapter 33-16-02.1:

1. Amend N.D. Admin. Code § 33-16-02.1-04 by adding definitions for "nutrients," Admin. Code § 33-16-02.1-04 (11) and "eutrophication," Admin. Code § 33-16-02.1-04 (12).
2. Amend N.D. Admin. Code § 33-16-02.1-05 by adding compliance schedules for achieving standards for permitted dischargers.
3. Amend N.D. Admin. Code § 33-16-02.1-08(1)(a) by adding a narrative "free from" criterion for nutrients, Admin. Code § 33-16-02.1-08(1)(a)(6).

The Environmental Health Section Chief, who is authorized under S.L. 2017, ch. 199, § 1 (S.B. 2327) to adopt rules for the NDDEQ, is proposing to adopt the NDDH’s Standards of Quality for Waters of the State, N.D. Admin. Code ch. 33-16-02.1, including the proposed amendments, as the NDDEQ’s Standards of Quality for Waters of the State, N.D. Admin. Code ch. 33.1-16-02.1. In addition, the proposed NDDEQ rules contain minor edits to reflect the creation of the new agency. If adopted, the proposed NDDEQ rules will be effective upon establishment of the NDDEQ, as specified in S.L. 2017, ch. 199, § 1 (S.B. 2327).

Comments regarding changes to the existing North Dakota Administrative Code will be considered. Comments regarding rules being transferred from NDDH to NDDEQ that are not substantively changed from existing code are beyond the scope of this proceeding and will not be considered because the transfer of authority is mandated by S.B. 2327. Comments regarding rules only changed in formatting or numbering that are not substantively changed from existing code, will be considered only as they relate to such changes.
