Dear Ms. Richter:

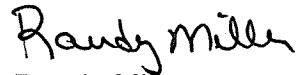

The Notice of Intent to Amend/Repeal Administrative Rules and a copy of the proposed rules related to Article 10-16 (Multi-State Lottery) of the N.D.A.C. are enclosed as required by N.D.C.C. § 28-32-10(1).

The proposed amendments addressing changes to the General Rules definitions; Retailer sales commission and bonus; Conduct and Play games authorized, claim of a prize, and subscription; Hot Lotto game description, expected prize pool percentages and odds, prize pool and payment, and Triple sizzler option; Mega Millions game description, expected prize pool percentages and odds, and Megaplier option; Lucky for Life game description; and the Lotto America game description, expected prize pool percentages and odds, prize pool and payment, and All Star bonus option are emergency rules with declared effective dates as interim final rules of October 28, 2017, October 29, 2017, and November 12, 2017.

The emergency rules are necessary to meet the Multi-State Lottery Association's termination of the Hot Lotto game, replacement of the Hot Lotto game with the Lotto America game, and changing the Mega Millions game; updating miscellaneous rules due to the Hot Lotto game ending, Lotto America game beginning, and Mega Millions game changing; revising the definition for play slip to be consistent with the Multi-State Lottery Association's definition; and replacing the trademark symbol <sup>TM</sup> with ® to identify registered ownership by the Multi-State Lottery Association for the Lucky for Life game. N.D.C.C § 53-12.1-13 allows the North Dakota Lottery to adopt emergency rules as necessary without the grounds otherwise required under N.D.C.C § 28-32-03.

If you have any questions, please call me at 328-1579.

Sincerely,
