## SUMMARY OF LEGISLATIVE CHANGES TO THE EXECUTIVE BUDGET AND MAJOR FUNDING ITEMS

# **Salaries and Wages**

## **FTE Changes**

The Legislative Assembly did not change the executive recommendation which included funding for 43.42 FTE positions, the same as the 2009-11 biennium. Pursuant to Section 13 of House Bill No. 1003, the State Board of Higher Education is authorized to adjust FTE positions as needed for institutions of higher education. Any FTE adjustment must be reported to the Office of Management and Budget prior to submission of the 2013-15 budget request.

#### **One-Time Funding**

In Section 2 of House Bill No. 1003, the Legislative Assembly identified \$49,260,357 of funding from the general fund as one-time funding items for the University System. Of this amount, \$1.32 million is for additional funding for the completion of the science laboratory renovation, \$1 million is for campus improvements (capital projects to develop a more collegiate and professional atmosphere on campus), and \$500,000 is for a workforce training building project. This amount is not to be considered part of the agency's base budget for preparing the 2013-15 executive budget, and Williston State College is to report to the Appropriations Committees during the 2013 legislative session on the use of this funding.

#### Other Income

The Legislative Assembly approved the executive recommendation, as provided in House Bill No. 1035, to appropriate on a continuing basis (through June 30, 2013) all other funds, including tuition income, received by the institutions of higher education during the 2011-13 biennium. Consequently, the legislative appropriation for Williston State College does not include a specific appropriation of other funds, except for capital projects.

# **Equity and Student Affordability Funding Pool**

The executive budget recommendation included \$10 million of funding from the general fund for equity payments to campuses and \$6,640,563 of funding from the general fund for limiting tuition increases to 2.5 percent annually at four-year institutions and providing for no tuition increase at two-year institutions. The Legislative Assembly removed the funding for these items and appropriated \$15,240,565 to the University System office for an equity and student affordability funding pool to be allocated to institutions as determined by the State Board of Higher Education.

# **Extraordinary Repairs**

The Legislative Assembly did not change the executive recommendation to provide \$197,801 from the general fund for extraordinary repairs, a decrease of \$270,676 from the 2009-11 biennium appropriation of \$468,477. The following is a summary of funding for extraordinary repairs:
