105-04-01-01. Initial licensure application.

An application for a license to practice polysomnography must be made to the state board of respiratory care on forms approved by the board. The application must contain such information as the board may reasonably require.

1. Each application for a license must be accompanied by:
 - a. The prescribed fee.
 - b. A photocopy of the certificate from the board of registered polysomnographic technologists, or other nationally accredited body approved by the board.
2. All applications must be signed by the applicant and notarized.
3. An applicant who has not maintained a license as a registered polysomnographic technologist for three years will require entry-level recredentialing.
4. The board may request such additional information or clarification of information provided in the application as it deems necessary.

History: Effective January 1, 2006; amended effective July 1, 2018.

General Authority: NDCC 43-42-03

Law Implemented: NDCC 43-42-03(4), 43-42-04.1

105-04-01-02. Licensure renewal.

Licenses are renewable annually.

1. Applications for renewal of license will be mailed by the board on or before December first to all licenseholders. Fees are payable to the board on or before December thirty-first of the year preceding the renewal year.
2. An application for renewal of license must be signed by the applicant.
3. License fees are considered delinquent and a late charge is assessed if the renewal application is not processed online or postmarked on or before December thirty-first of the year preceding the renewal year.
4. A license is considered as a renewal if renewal is sought within three years from the date of the last issuance. After three years any application is considered a new application.

5. Renewal of license must be mailed by January twenty-fourth of the renewal year if the renewal request is complete and postmarked on or before December thirty-first.
6. All late renewal applications will be audited and proof of continuing education units is required.

Law Implemented: NDCC 43-42-03(4)

105-04-01-04. Continuing education.

1. To renew a license, a person must present proof of having attended or acquired at least ten clock-hours of continuing education approved by the board. If any licensee allows the licensee's license to lapse for a period of more than one year, the licensee must be required to submit proof of attendance or acquisition of at least ten clock-hours of continuing education for each year that the license has lapsed up to a period of three years.
2. Continuing education for licensure renewal must be completed in the calendar year prior to the year for which licensure is sought. Under extraordinary circumstances, the board may consider a request for continuing education hours accrued in the same calendar year.
3. Continuing education courses must relate to or increase the professional competence of the attendee. This determination will be made by the board through approval of requested courses. The board has the authority to accept programs sponsored by a local, state, regional, national, international, scientific, or professional organization appropriate to provide continuing education (i.e., AARC, AMA, ALA, AHA, AASM, AAST, BRPT, ASET, etc.).
