25 amended and reenacted as follows:

26 **15-39.1-14. Retirement not mandatory ~~When retirement occurs.~~** Nothing in this

5 amended and reenacted as follows:

6 **15-39.1-15. Withdrawal from fund - Return to teaching.** Any teacher who has
7 withdrawn from the fund as set forth in this chapter may, by returning to teach ~~one full school~~
8 ~~year~~ in a public school or state institution of this state, regain credit for prior teaching by making
9 the required payment. The required payment, if made within five years of ~~initial eligibility~~
10 returning to teach, is the amount that was ~~returned to the teacher on withdrawal~~ withdrawn with
11 interest. In all other cases, the purchase cost must be on an actuarial equivalent basis. The
12 fund may accept rollovers from other qualified plans under rules adopted by the board for the
13 repurchase of refunds previously taken, but only to the extent the transfer is a rollover
14 contribution that meets the requirements of section 408 of the Internal Revenue Code.

15 **SECTION 5. AMENDMENT.** Section 15-39.1-19.1 of the North Dakota Century Code
16 is amended and reenacted as follows:

17 **15-39.1-19.1. Annuities discontinued on resumption of teaching.** ~~The benefits~~
18 ~~payable to any retired person who has retired from teaching under chapter 15-39, 15-39.1, or~~
19 ~~15-39.2 and who again returns to teaching in a public school or state institution in this state~~
20 ~~must be discontinued when the retired person's earnings during the fund's fiscal year exceed~~
21 ~~the maximum earnings allowed by the federal Social Security Act. Such person shall~~
22 ~~immediately notify the office of the fund in writing when the retired person's earnings have~~
23 ~~exceeded such maximum. Failure to notify the fund results in the loss of one month's annuity~~
24 ~~benefits when the payment of the annuity is resumed upon further retirement, in addition to the~~
25 ~~discontinuance of benefits paid after reaching such maximum. A retired teacher who is~~
26 receiving a retirement annuity under chapter 15-39, 15-39.1, or 15-39.2 may not return to
27 covered employment until sixty calendar days have elapsed from the member's retirement date.
28 A retired member may then return to covered employment for a maximum of ninety working
29 days and continue receiving a monthly retirement benefit. For purposes of this section, a
30 working day is four or more hours of teaching. The board may waive this restriction in
31 emergency situations.

1 Should the retired member's employment exceed the ninety-day maximum limit, the
2 retired member must immediately notify the fund office in writing. Failure to notify the fund
3 office will result in the loss of one month's annuity benefit. The retired member's monthly
4 benefit must be discontinued the first of the month following the date the member reaches the
5 ninety-day maximum.

6 Any retired ~~person~~ member who returns to teaching shall pay the required assessments
7 on those earnings received ~~after the maximum has been exceeded in the fiscal year and the by~~
8 the retired member after the ninety-day maximum. The employer shall pay the required
9 contributions in a like manner.

10 Upon the teacher's subsequent retirement, the member's benefit must be resumed as
11 follows:

- 12 1. If the teacher subsequently retires with less than two years of additional credited
13 service, the teacher's assessments paid to the fund must be refunded in
14 accordance with section 15-39.1-20 and the teacher is ~~not~~ entitled to receive the
15 discontinued annuity ~~for those months of the fiscal year during which the earnings~~
16 ~~were in excess of the maximum earnings so established~~ the first day of the month
17 following the teacher's re-retirement.
- 18 2. If the teacher subsequently retires with more than two years of additional credited
19 service, the retired person's annuity ~~must be~~ is the sum of the discontinued
20 annuity, plus an additional annuity computed according to this chapter based upon
21 years of service and average salaries earned during ~~such~~ the period of
22 reemployment. The new annuity is payable the first day of the month following the
23 member's re-retirement.

24 **SECTION 6. AMENDMENT.** Section 15-39.1-20 of the 1995 Supplement to the North
25 Dakota Century Code is amended and reenacted as follows:

26 **15-39.1-20. Withdrawal from fund.** When a member of the fund ceases to be eligible
27 under the terms of this chapter to participate in the fund, the member may, after a period of one
28 hundred twenty days, withdraw from the fund and is then entitled to receive a refund of
29 assessments accumulated with interest. The one-hundred-twenty-day requirement may be
30 waived by the board when it has evidence the teacher will not be returning to teach in North
31 Dakota. The refund is in lieu of any other benefits to which the member may be entitled under

1 the terms of this chapter. The accumulated assessments of a member who ceases to be
2 eligible to participate in the fund before accumulating five years of service credit must be
3 automatically refunded. The assessments plus interest earned, if not claimed by the member,
4 must be returned ~~during the month of January next~~ in the fiscal year following the date of
5 termination. The automatic refund must be waived provided the member presents the board
6 with a statement of intent to return to teach in North Dakota within thirty-six months after
7 eligibility to participate in the fund ceases. The board may waive the automatic refund for
8 members who present to the board a statement of intent to return to teach in North Dakota
9 within a period exceeding thirty-six months after eligibility to participate in the fund ceases. For
10 distributions made after January 1, 1993, notwithstanding any provision of the plan to the
11 contrary that would otherwise limit a member's refund election under this chapter, a member
12 may elect, at the time and under rules established by the board, to have any portion of an
13 eligible rollover distribution paid directly in a direct rollover to an eligible retirement plan
14 specified by the member.

15 **SECTION 7. AMENDMENT.** Section 15-39.1-23 of the North Dakota Century Code is
16 amended and reenacted as follows:

17 **15-39.1-23. Penalties for failure to make required reports and payments.** ~~An~~
18 Except for unintentional reporting errors, an employing body failing to file reports required by
19 the board or failing to pay over for credit to the fund the amounts required to be paid by this
20 chapter, is subject to a civil penalty of two hundred fifty dollars and, as interest, one percent of
21 the amount due for each month of delay or fraction thereof after the report was required to be
22 filed or the payment became due. The board, if satisfied the delay or underpayment was
23 unintentional and excusable, may waive, or if paid, refund all or part of the two hundred fifty
24 dollar penalty and may reduce the interest rate charge to the investment return rate used in the
25 most recent actuarial valuation, compounded annually, but may not waive the entire amount of
26 the interest. The penalty must be paid to the fund and deposited in the same manner as other
27 receipts under this chapter.

28 In addition ~~no~~ a school district may not share in the apportionment of any money from
29 the state for any year unless the school board, or an officer thereof, has made the reports
30 required by the board as permitted by this chapter, and has paid over for credit to the fund the
31 amounts required to be paid ~~by~~ under this chapter.

1 **SECTION 8. AMENDMENT.** Section 15-39.1-24 of the 1995 Supplement to the North
2 Dakota Century Code is amended and reenacted as follows:

3 **15-39.1-24. Purchase of additional credit.** Prior to retirement a teacher may
4 purchase additional credit for use toward retirement in the following instances and manner:

- 5 1. Any teacher may purchase service credit for years of teaching service at an
6 out-of-state school or educational institution supported by public taxation out of
7 North Dakota. However, a teacher must complete five years of creditable service
8 in this state before the teacher is eligible to purchase the first five years of service
9 credit for out-of-state teaching under this subsection. The teacher may purchase
10 any part of the remaining years of service credit for out-of-state teaching with each
11 year of service credit conditional upon the teacher completing one additional year
12 of creditable service in this state following the out-of-state teaching. The years of
13 out-of-state teaching service do not qualify for credit in this state if the years
14 claimed also qualify for retirement benefits from an out-of-state retirement system.
- 15 2. Any teacher who has received an honorable discharge from military service of the
16 United States of America may receive credit for no more than four years of active
17 service, upon filing application and proof with the board and subject to the terms of
18 this chapter upon teaching one year in North Dakota subsequent to military
19 service. Members qualified to receive military credit under the ~~Veterans'~~
20 ~~Reemployment Rights Act [Pub. L. 93-508; 88 Stat. 1594; 38 U.S.C. 2021 et seq.]~~
21 Uniformed Services Employment and Reemployment Rights Act of 1994 [Pub. L.
22 103-353; 108 Stat. 3150; 38 U.S.C. 4301-4307] shall only pay member
23 assessments plus interest pursuant to rules adopted by the board. For those
24 individuals becoming eligible to receive military credit under the ~~Veterans'~~
25 ~~Reemployment Rights Act~~ Uniformed Services Employment and Reemployment
26 Rights Act after June 30, 1991, the employer shall pay the required employer
27 contribution for military service.
- 28 3. A teacher who attends a college, university, or other recognized school for two
29 consecutive semesters or three consecutive quarters, other than summer
30 sessions, for the purpose of improving the teacher's qualifications in the teaching
31 profession is entitled to have such periods while in attendance at that college,

1 university, or school credited, not to exceed three years of teaching service, under
2 this chapter. To be eligible for purchasing credit under this subsection, the teacher
3 must have taught at least one full school year in North Dakota immediately
4 preceding entrance into the college, university, or school, or, immediately following
5 such training, the teacher must have taught not less than one full school year in a
6 public school or state institution of this state.

7 4. A teacher may purchase service credit for the time during each legislative session
8 spent serving as a member of the legislative assembly while holding eligible
9 employment under this chapter. Service credit for a legislative session must be
10 purchased within one year after the adjournment of that legislative session. As an
11 alternative to a teacher purchasing service credit under this subsection, a teacher
12 and the governmental body employing the teacher may enter into an agreement by
13 which payment for service credit for time spent during each legislative session by
14 the teacher serving as a member of the legislative assembly is made pursuant to
15 section 15-39.1-09. The agreement must provide that contributions made
16 pursuant to section 15-39.1-09 are calculated based on the teacher's annual salary
17 without reduction for a leave of absence taken by the teacher during the legislative
18 session.

19 5. A teacher may purchase credit for service as an administrator or teacher in the
20 field of education if employed by an agency of the United States government
21 teaching school age children. The maximum service that may be purchased under
22 this subsection is ten years.

23 6. An active teacher who is elected president of a professional educational
24 organization recognized by the board and who serves in a full-time capacity in lieu
25 of teaching may purchase service credit for the time spent serving as president.
26 The service credit must be purchased within one year after the teacher leaves the
27 position. As an alternative to purchasing service credit under this subsection, a
28 teacher and the governmental body employing the teacher may enter into an
29 agreement under which payment for service credit for the time spent as president
30 of the professional educational organization is made pursuant to section
31 15-39.1-09. The agreement must provide that contributions made pursuant to

section 15-39.1-09 are calculated based on the teacher's annual salary as president.

7. The fund may accept rollovers from other qualified plans under rules adopted by the board for the purchase of additional service credit, but only to the extent the transfer is a rollover contribution that meets the requirements of section 408 of the Internal Revenue Code.

8. Except as provided in subsections 2, 4, and 6, the amount of additional service eligible to be purchased under this section must be credited to the teacher when the teacher has made the required payment. In all cases, the purchase cost must be on an actuarial equivalent basis.

SECTION 9. Two new sections to chapter 15-39.1 of the North Dakota Century Code are created and enacted as follows:

Correction of errors - Adjustment to actuarial equivalent. If any change or error in the records of the fund or any participating employer or error in any calculation results in any person receiving from the fund more than that person would have been entitled to receive had the records been correct, the board shall correct the error and, as far as practicable, adjust the payment in such a manner that the actuarial equivalent of the benefit to which the person was entitled is paid or the board may offset the amount of the overpayment from the amount of future retirement benefit payments. However, if the person agrees to repay the fund for the cost of the error upon terms acceptable to the board, no actuarial adjustment to the person's retirement benefit need be made.

Correction of errors - Lump sum payment. If any change or error in the records of the fund or any participating employer or any error in calculation results in any person receiving less from the fund than that person would have been entitled to receive had the records been correct, the board shall correct the error and adjust the payment in such a manner that the benefit to which the person was correctly entitled is paid. In addition, the board shall remit payment to the person in a lump sum to compensate that person for the difference between what was paid and what should have been paid. No interest may be assessed against the fund for providing payment for the correction of any loss of benefits.
