1. An individual in adult court is guilty of a class A felony if the individual engages in any combination of three or more sexual acts or sexual contacts with a minor under the age of fifteen years during a period of three or more months. The court may not defer imposition of sentence, nor may the court suspend any part of the specified sentence, either at the time of or after the imposition of the sentence, unless the court first finds that the offense was the defendant's first violation of this chapter and that extenuating or mitigating circumstances exist which justify a suspension. The court shall announce the circumstances that justify a suspension in open court when sentence is imposed and recite these circumstances in the sentence or order suspending part of the sentence.
2. If more than three sexual acts or contacts are alleged, a jury must unanimously agree that any combination of three or more acts or contacts occurred. The jury does not need to unanimously agree which three acts or contacts occurred.
3. No other felony offense under this chapter involving the same victim may be charged in the same proceeding with a charge under this section unless the other charged offense occurred outside the time period charged under this section or the other offense is charged in the alternative. A defendant may be charged with only one count under this section, but a separate count may be charged for each victim if more than one victim is involved.

26                   trial and, subject to subsection 2, is admissible as evidence in any court  
27                   proceeding regarding the offense if the following conditions are satisfied:
- 28           a. The court determines there is reasonable cause to believe that the child  
29                   victim would experience serious emotional trauma as a result of in-court  
30                   participation in the proceeding;

- b. The accused must be given reasonable written notice of the time and place for taking the videotaped statement;
- c. The accused must be afforded the opportunity to hear and view the testimony from outside the presence of the child by means of a two-way mirror or other similar method that will ensure that the child cannot hear or see the accused;

- 2. A child victim's videotaped statement is admissible pursuant to subsection 1 if the court finds that the child is unavailable as a witness to testify at trial and, upon viewing the videotape recording before it is shown to the jury, determines that it is sufficiently reliable and trustworthy and that the interests of justice will best be served by admission of the statement into evidence. For purposes of this subsection, "unavailable" includes a determination, based on medical or psychological evidence or expert testimony, that the child would suffer serious emotional or psychological strain if required to testify at trial. The court, in making its findings and determinations under this subsection, shall consider at least the following:
  - a. The nature of the offense;
  - b. The significance of the child's testimony to the case;
  - c. The child's age;

8 with another person during, in the course of, or as a result of, the offense and any person who  
9 is in the custody of the department on or after August 1, 1995, as a result of a conviction of one  
10 of these offenses to have a sample of blood and other body fluids taken by the department for  
11 DNA law enforcement identification purposes and inclusion in law enforcement identification  
12 data bases. Notwithstanding any other provision of law, if the sentencing court has not  
13 previously ordered a sample of blood and other body fluids to be taken, the court retains  
14 jurisdiction and authority to enter an order that the convicted person provide a sample of blood  
15 and other body fluids as required by this section. Any person convicted on or after August 1,  
16 1995, who is not sentenced to a term of confinement shall provide a sample of blood and other  
17 body fluids as a condition of the sentence or probation at a time and place specified by the  
18 sentencing court. The cost of the procedure must be assessed to the person being tested.
