

PROPOSED AMENDMENTS TO SENATE BILL NO. 2278

Page 1, remove lines 14 and 15

Page 1, line 18, after "treatment" insert "options"

Page 2, line 15, after "services" insert "that are medically necessary"

Page 2, after line 16, insert:

"This section does not prohibit an entity from communicating with its participating health care providers to address internal health plan issues of quality assurance or utilization review."

Renumber accordingly
