FIRST ENGROSSMENT

Fifty-fifth Legislative Assembly of North Dakota

ENGROSSED SENATE CONCURRENT RESOLUTION NO. 4030

Introduced by

25

Representatives Christopherson, D. Johnson, Kerzman

1	A concurrent resolution directing the Legislative Council to study the issues of welfare reform
2	as they relate to the relationship between the state and the federally recognized Indian tribes
3	within the state.
4	WHEREAS, Congress has enacted Public Law 104-193, which substantially reforms
5	the welfare system and which includes block grants to the states and to federally recognized
6	Indian tribes, if the tribes so choose, along with strict work requirements for recipients of public
7	assistance and time limits for recipients of public assistance; and
8	WHEREAS, members of federally recognized Indian tribes represent less than six
9	percent of the population of the state; however, approximately 25 percent of the welfare
10	caseload of the state is tribal members who live on reservations; and
11	WHEREAS, tribal economies have not been as strong as the economy of the remainder
12	of the state which will make compliance with the work participation rate requirements of the
13	welfare reform legislation more difficult to achieve on the reservations; and
14	WHEREAS, the federally recognized tribes in the state are undecided as to whether to
15	apply for state and federal block grants that would allow the tribes to design and administer
16	their own welfare system; and
17	WHEREAS, the federally recognized tribes in the state are unsure as to the role the
18	state should play, if any, in the development, funding, and administration of a tribally
19	administered welfare program; and
20	WHEREAS, the federally recognized tribes in the state desire to engage in constructive
21	dialogue with the state regarding welfare reform issues of mutual concern;
22	NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF NORTH DAKOTA,
23	THE HOUSE OF REPRESENTATIVES CONCURRING THEREIN:
24	That the Legislative Council study the issues of welfare reform as they relate to the

relationship between the state and the federally recognized Indian tribes within the state; and

- BE IT FURTHER RESOLVED, that the Legislative Council, in conducting its study, shall solicit input from tribal members, tribal leaders, and tribal government officials interested in
- 3 state and tribal welfare reform issues; and
- 4 **BE IT FURTHER RESOLVED**, that the Legislative Council report its findings and
- 5 recommendations, together with any legislation required to implement the recommendations, to
- 6 the Fifty-sixth Legislative Assembly.
