18 base year must be:
 - 19 a. Reduced by an amount equal to the sum determined by application of the
20 base year's mill rate for that taxing district to the final base year taxable
21 valuation of any property that is not included in the assessment for the budget
22 year but was included in the assessment for the base year. However, no

5 that year, which was authorized by law or by the electors of that taxing district but
6 not levied for that year, to the budget year taxable valuation of the taxable property
7 in that taxing district. A taxing district electing to increase its levy under this
8 subsection may not add any amount permitted by subsection 3 to the amount

26 year for both the general fund and special fund accounts. School district levies
27 under any section other than section 57-15-14 may be made within applicable
28 limitations but those levies are not subject to subsection 3.

30 adopted a home rule charter unless the provisions of the charter supersede state
31 laws related to property tax levy limitations.

2 **taxpayers and taxing districts.** Each taxing district may levy the lesser of the amount in
3 dollars as certified in the budget of the governing body, or the amount in dollars as allowed in
4 this section, subject to the following:

22 base year's calculated mill rate for that taxing district to the final base year

24 the taxing district for the budget year but was included in the taxing district for
25 the base year.
 - 26 b. Increased by an amount equal to the sum determined by the application of
27 the base year's calculated mill rate for that taxing district to the final budget
28 year taxable valuation of any taxable or exempt property that was not
29 included in the taxing district for the base year but which is included in the
30 taxing district for the budget year.

c. Reduced to reflect expired temporary mill levy increases authorized by the electors of the taxing district.

4. A taxing district may levy an amount in dollars equal to the amount levied in any of the previous three years reduced to reflect expired temporary mill levy increases authorized by the electors of the taxing district and increased by an amount equal to the sum determined by the application of any unused mill levy authority from that year, which was authorized by law or by the electors of that taxing district but not levied for that year, to the budget year taxable valuation of the taxable property in that taxing district. A taxing district electing to increase its levy under this subsection may not add any amount permitted by subsection 3 to the amount levied under this subsection.

School district levies under any section other than section 57-15-14 may be made within applicable limitations but those levies are not subject to subsection 3.
