DEPARTMENT 471 - BANK OF NORTH DAKOTA

SENATE - This amendment transfers from the Department of Economic Development and Finance to the Bank of North Dakota, the North Dakota development fund and funding for five FTE positions relating to the fund (\$490,577). This amendment also deletes general fund appropriation authority from the Department of Economic Development and Finance and provides an appropriation to the Bank of North Dakota from the Bank's earnings for the following programs: Native American business grants (\$27,500), women's business grants (\$52,000), and the North Dakota development fund line item. This amendment also deletes the authority for four FTE positions and related general fund appropriation authority of \$296,461.

This amendment also removes Section 4 of the bill which allowed the reallocation of funds between Technology Transfer, Inc., and the North Dakota development fund. This authority is no longer necessary because of the transfer of the North Dakota development fund to the Bank of North Dakota.

This amendment also changes Section 4 to provide that the balance in the North Dakota development fund relating to the regional rural development revolving loan fund of approximately \$4,000,000 must be dedicated for providing assistance to new or expanding primary sector businesses in rural areas.

This amendment also provides changes related to the payment of ethanol production incentives from the highway tax distribution fund to the Agricultural Products Utilization Commission.
