

SENATE BILL NO. 2301

Introduced by

Senators Lee, DeMers, Krebsbach

Representatives Keiser, Kilzer, Rose

A BILL for an Act to create and enact a new chapter to title 23 of the North Dakota Century Code, relating to the confidentiality of and the privilege governing medical peer review records; to amend and reenact sections 31-08-01 and 43-17.1-05.1, and subsection 1 of section 43-17.1-06 of the North Dakota Century Code, relating to records and proceedings of medical review committees and reports to the commission on medical competency; to repeal section 23-01-02.1 of the North Dakota Century Code, relating to medical peer review confidentiality and privilege; to provide for retroactive application; and to declare an emergency.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. A new chapter to title 23 of the North Dakota Century Code is created and enacted as follows:

Definitions. As used in this chapter:

1. "Health care organization" means any hospital, hospital medical staff, clinic, long-term or extended care facility, ambulatory surgery center, emergency medical services unit, physician, group of physicians operating a clinic or outpatient care facility, combination of these entities, or federally designated state peer review organization.
2. "Health care provider" means a physician or other person licensed, certified, or otherwise authorized by the law of this state to provide health care services.
3. "Peer review committee" means any committee of a health care organization, composed of health care providers, employees, administrators, consultants, agents, or members of the health care organization's governing body, which conducts professional peer review.
4. "Peer review records" means all data, information, reports, documents, findings, compilations and summaries, testimony, and any other records generated by,

1 acquired by, or given to a peer review committee as a part of any professional peer
2 review. The term does not include original patient source documents. Peer review
3 records also include all communications relating to a professional peer review,
4 whether written or oral, between peer review committee members, peer review
5 committee members and the peer review committee's staff, or peer review
6 committee members and other persons participating in a professional peer review,
7 including the person who is the subject of the professional peer review.

- 8 5. "Professional peer review" means all procedures a peer review committee uses or
9 functions it performs to monitor, evaluate, and take action to review the medical
10 care provided to patients by health care organizations or health care providers to
11 improve patient care and treatment or to provide quality assurance.

12 **Peer review records - Confidentiality.** Peer review records are confidential and may
13 be used by a peer review committee and the committee members only for conducting a
14 professional peer review.

15 **Peer review records - Privileged - Exceptions.** Peer review records are privileged
16 and are not subject to subpoena or discovery or introduction into evidence in any civil or
17 administrative action, except:

- 18 1. Records gathered from an original source that is not a peer review committee;
19 2. Testimony from any person as to matters within that person's knowledge, provided
20 the information was not obtained by the person as a result of the person's
21 participation in a professional peer review; or
22 3. Peer review records subpoenaed in an investigation conducted by the commission
23 on medical competency pursuant to chapter 43-17.1 or subpoenaed in a
24 disciplinary action before the board of medical examiners pursuant to section
25 43-17-30.1. Any peer review records provided to the commission or introduced as
26 evidence in any disciplinary action before the board are confidential and are not
27 subject to subpoena, discovery, or admissibility into evidence in any civil or
28 administrative action, and are not public records subject to section 44-04-18 and
29 section 6 of article XI of the Constitution of North Dakota.

1 **Liability of health care provider to patient.** This chapter does not relieve any health
2 care provider of any liability that the provider has incurred or may incur to a patient as a result
3 of furnishing health care services to the patient.

4 **Limitation of liability.**

- 5 1. A person furnishing peer review records to a peer review committee with respect to
6 any patient examined or treated by a health care provider is not, by reason of
7 furnishing the records, liable in damages to any person or for willful violation of a
8 privileged communication.
- 9 2. A health care organization, health care provider, or member of a peer review
10 committee is not liable in damages to any person for any action taken or
11 recommendation made regarding a professional peer review, if the organization,
12 provider, or committee member acts without malice and in the reasonable belief
13 that the action or recommendation is warranted by the facts known to the
14 organization, provider, or committee member.

15 **SECTION 2. AMENDMENT.** Section 31-08-01 of the North Dakota Century Code is
16 amended and reenacted as follows:

17 **31-08-01. Admissibility in evidence of business records - Term business defined -**

18 **Exception.** A record of an act, condition, or event ~~shall be~~ is competent evidence insofar as
19 relevant, if:

- 20 1. The custodian or other qualified witness testifies to its identity and the mode of its
21 preparation.
- 22 2. It was made in the regular course of business, at or near the time of the act,
23 condition, or event.
- 24 3. The sources of information and the method and time of preparation, in the opinion
25 of the court, were such as to justify its admission.

26 For the purpose of this section, the term "business" ~~shall include~~ includes every kind of
27 business, profession, occupation, calling, or operation of institutions, whether carried on for
28 profit or not. ~~The records and proceedings of any regularly constituted medical review~~
29 ~~committee of a licensed medical hospital or a medical society in this state shall not be subject to~~
30 ~~discovery or admissible as evidence.~~

1 **SECTION 3. AMENDMENT.** Section 43-17.1-05.1 of the North Dakota Century Code
2 is amended and reenacted as follows:

3 **43-17.1-05.1. Reports to commission on medical competency - When required.** A
4 physician, the state medical association and its components, a health care institution in the
5 state, a state agency, a law enforcement agency in the state, or a court in the state having
6 actual knowledge that a licensed physician may be medically incompetent, guilty of
7 unprofessional conduct, or mentally or physically unable to safely engage in the practice of
8 medicine shall promptly report that information to the commission. A medical licensee or any
9 institution from which the medical licensee voluntarily resigns or voluntarily limits the licensee's
10 staff privileges shall report that licensee's action to the commission if that action occurs while
11 the licensee is under formal or informal investigation by the institution or a committee of the
12 institution for any reason related to possible medical incompetence, unprofessional conduct, or
13 mental or physical impairment. Upon receiving a report concerning a licensee, or on its own
14 motion, the commission may investigate any evidence that appears to show a licensee is or
15 may be medically incompetent, guilty of unprofessional conduct, or mentally or physically
16 incapable of the proper practice of medicine. ~~Any~~ A person required to report under this
17 section who makes a report in good faith ~~may~~ is not ~~be~~ subject to criminal prosecution or civil
18 liability for making the report. A physician who obtains information in the course of a
19 physician-patient relationship in which the patient is another physician is not required to report if
20 the treating physician successfully counsels the other physician to limit or withdraw from
21 practice to the extent required by the impairment. A physician who obtains information in the
22 course of a professional peer review pursuant to section 1 of this Act is not required to report
23 pursuant to this section. A physician who does not report information obtained in a professional
24 peer review is not subject to criminal prosecution or civil liability for not making a report.

25 **SECTION 4. AMENDMENT.** Subsection 1 of section 43-17.1-06 of the North Dakota
26 Century Code is amended and reenacted as follows:

- 27 1. Subpoena witnesses and physician and hospital records relating to the practice of
28 any physician under investigation. The confidentiality of the records by any other
29 statute or law does not affect the validity of the commission's subpoena nor the
30 admissibility of the records and board proceedings; however, the proceedings and
31 records of a committee that are exempt from subpoena, discovery, or introduction

1 into evidence under section ~~23-01-02.1~~ 1 of this Act are not subject to this
2 subsection.

3 **SECTION 5. REPEAL.** Section 23-01-02.1 of the North Dakota Century Code is
4 repealed.

5 **SECTION 6. RETROACTIVE APPLICATION OF ACT.** Section 1 of this Act applies
6 retroactively to peer review records created before the effective date of this Act.

7 **SECTION 7. EMERGENCY.** This Act is declared to be an emergency measure.
