14-09-08.4. Periodic review of child support orders.

1. Each child support order must be reviewed by the child support agency no less frequently than thirty-six months after the establishment of the order or the most recent amendment or review of the order by the court or child support agency unless:
 - a. In the case of an order with respect to which there is in effect an assignment under ~~section 50-09-06 or 50-09-06.1, subsection 2 of section 50-24.1-02, or section 50-24.1-02.1~~ chapter 50-09 or 50-24.1, the child support agency has determined that a review is not in the best interests of the child and neither the obligor nor the obligee has requested review; or
 - b. In the case of any other order neither the obligor nor the obligee has requested review.
2. Each child support order, in which there is in effect an assignment under chapter 50-09 or with respect to which either the obligor or the obligee has requested review, must be reviewed by the child support agency if:

- 1 a. More than twelve months have passed since the establishment of the order or
2 the most recent amendment or review of that order by the court or child
3 support agency, whichever is later; and
4 b. The order provides for no child support and was based on a finding that the
5 obligor has no ability to pay child support.

6 3. If, upon review, the child support agency determines that the order provides for
7 child support payments in an amount that is inconsistent with the amount that
8 would be required by the child support guidelines established under subsection 1
9 of section 14-09-09.7, the child support agency may seek an amendment of the
10 order. If the order provides for child support payments in an amount less than
11 eighty-five percent of the amount that would be required by those guidelines, the
12 child support agency shall seek an amendment of the order.

13 ~~3.~~ 4. If a child support order sought to be amended was entered at least one year before
14 the filing of a motion or petition for amendment, the court shall order the
15 amendment of the child support order to conform the amount of child support
16 payment to that required under the child support guidelines, whether or not the
17 motion or petition for amendment arises out of a periodic review of a child support
18 order, and whether or not a material change of circumstances has taken place,
19 unless the presumption that the correct amount of child support would result from
20 the application of the child support guidelines is rebutted. If a motion or petition for
21 amendment is filed within one year of the entry of the order sought to be amended,
22 the party seeking amendment must also show a material change of circumstances.

23 4. 5. A determination that a child who is the subject of a child support order is eligible for
24 benefits furnished under subsection 18 or 20 of section 50-06-05.1, chapter 50-09,
25 or chapter 50-24.1, or any substantially similar program operated by any state or
26 tribal government, constitutes a material change of circumstances. The availability
27 of health insurance at reasonable cost to a child who is the subject of a child
28 support order constitutes a material change of circumstances. The need to
29 provide for a child's health care needs, through health insurance or other means,
30 constitutes a material change of circumstances.

1 **SECTION 14. AMENDMENT.** Section 14-09-08.6 of the 1995 Supplement to the North
2 Dakota Century Code is amended and reenacted as follows:

3 **14-09-08.6. Obligor's duties upon review - Failure to provide information.**

- 4 1. The obligor shall provide information to the child support agency concerning the
5 obligor's income, which is sufficient to accomplish the review, no later than five
6 working days before the date of review. The information must be furnished by:
- 7 a. Providing an income report, in the form and manner required by the child
8 support agency, accurately completed and attested to by the obligor;
 - 9 b. Providing a verified copy of the latest income tax return, filed with the internal
10 revenue service or any state official administering a state income tax, which
11 accurately reports the obligor's income for a fiscal year ending no more than
12 seventeen months prior to the date of the review; or
 - 13 c. Providing a written authorization by which the child support agency may
14 secure a verified copy of the latest income tax return, filed with the tax
15 commissioner, which accurately reports the obligor's income for a fiscal year
16 ending no more than seventeen months prior to the date of review.
- 17 2. ~~If information concerning the obligor's income sufficient to accomplish the review~~
18 ~~has not been received by the child support agency by the fifth working day before~~
19 ~~the date of review, the child support agency shall provide to the tax commissioner~~
20 ~~an affidavit stating the obligor's name and address, that a review of the obligor's~~
21 ~~child support obligation is pending, that notice requesting income information has~~
22 ~~been given as required by law, and that the required information has not been~~
23 ~~furnished on a timely basis. Notwithstanding the provisions of section 57-38-57 or~~
24 ~~other confidentiality statutes, upon receipt of an affidavit provided for in this~~
25 ~~subsection, the tax commissioner may provide to a child support agency a verified~~
26 ~~copy of the latest income tax return, filed with the office of the commissioner, which~~
27 ~~reports the obligor's income. The information obtained by a child support agency~~
28 ~~from the tax commissioner, in accordance with this section, retains its~~
29 ~~confidentiality and may only be used by a child support agency in the pursuit of its~~
30 ~~child support collection duties and practices. The tax commissioner may require a~~

~~child support agency to make assurances, satisfactory to the commissioner, that the agency has the ability to comply with this subsection.~~

~~3.~~ If information concerning the obligor's income sufficient to accomplish the review has not been timely furnished by the obligor ~~and is not available from the office of the tax commissioner~~, the child support agency may apply to the court for an order compelling the obligor to furnish information sufficient to accomplish the review.

~~4.~~ 3. If an application to the court made pursuant to subsection ~~3~~ 2 has not resulted in the production of information concerning the obligor's income sufficient to accomplish the review, the child support agency may base its review determination on the assumption that the obligor's income has increased at the rate of ten percent per year since the child support order under review was entered or last modified.

SECTION 15. AMENDMENT. Section 14-09-08.9 of the North Dakota Century Code is amended and reenacted as follows:

14-09-08.9. Request for review - Notice of right to request review. An obligor or an obligee may request review under section 16 of chapter 148 of the 1989 Session Laws or section 14-09-08.4, by applying to the child support agency for child support services, and indicating, in the manner there provided, a desire to have a child support order reviewed. Each judgment or order issued by a court in this state which includes an order for child support must include a statement advising of the right to request a review under this section. If a party to a child support matter is receiving services from the child support agency and an order for current child support has issued out of that matter, the child support agency shall provide notice of the right to request a review or further review of that child support order, to the obligor and obligee, not more than three years after the most recent child support order, review of that child support order, or notice of right to request a review of that child support order.

SECTION 16. AMENDMENT. Section 14-09-08.10 of the North Dakota Century Code is amended and reenacted as follows:

14-09-08.10. Order. Each order entered under this code for the support of a minor child must include a provision for health insurance coverage for that child.

~~1. Unless the obligee has comparable or better group dependent health insurance coverage available at no or nominal cost, the court shall order the obligor to name~~

~~the minor child as beneficiary on any health insurance plan that is available to the obligor at no or nominal~~ Except as provided in subsection 2, the order must require the obligor to provide satisfactory health insurance coverage whenever that coverage is available at reasonable cost or becomes available at reasonable cost.

1 **Lien for past due child support.** When a past due child support obligation is at least
2 six times the monthly child support obligation and the obligor is not current in a
3 court-established plan to repay the past due support, the public authority may establish a lien
4 on personal property as provided in this chapter.

5 **Vehicle lien.**

- 6 1. In the case of a vehicle, the public authority may establish a lien by filing a notice
7 of lien with the director of the department of transportation. The notice must be in
8 a form prescribed by the director and contain a description of the vehicle, the name
9 and last known address of the obligor, and any other information required by the
10 director. The notice of lien must state that the child support obligation is past due
11 and that a copy of the notice of lien has been served on the obligor by first-class
12 mail at the obligor's last known address.
- 13 2. Upon filing of the notice of lien in accordance with this section, the director shall
14 demand in writing the surrender of the certificate of title from the obligor or a
15 superior lienholder for the purpose of recording the lien on the certificate of title.
16 Upon receipt of the certificate of title, the director shall record the fact of the lien
17 and the identity of the lienholder on the certificate of title and deliver the certificate
18 of title to the vehicle's owner or, if a superior lienholder had possession of the
19 certificate of title, to that superior lienholder. If the obligor or superior lienholder
20 fails to surrender the certificate of title within fifteen days after the written demand
21 by the director, the director shall notify the public authority seeking the lien.
- 22 3. Upon receipt of notice from the director that the obligor or superior lienholder has
23 not responded to the demand for surrender of a title certificate, the public authority
24 may obtain an order from a court of competent jurisdiction requiring the certificate
25 of title to be delivered to the court so that a lien may be properly recorded.
- 26 4. No fee may be charged for services provided under this section.
- 27 5. The director may determine a certificate of title to have been fraudulently procured
28 if endorsed by a previous owner who, at the time the endorsement was made:
29 a. Was an obligor who owed past due child support; and
30 b. Had been served with a copy of a notice of lien filed under this section with
31 respect to the vehicle described on that certificate of title.

6. A lien under this section is perfected when the lien is recorded on the certificate of title.

Vessel lien.

1. In the case of a vessel, the public authority may establish a lien by filing a notice of lien with the secretary of state if the value of the vessel is estimated to be at least twice the cost of establishing the lien. The notice must contain a description of the make, model designation, and serial number of the vessel, including its identification or registration number, if any, and the name, social security number, and last known address of the obligor. The notice of lien must state that the child support obligation is past due and that a copy of the notice of lien has been served on the obligor by first-class mail at the obligor's last known address.

2. Upon filing of the notice of lien in accordance with this section, the notice of lien must be indexed by the secretary of state in the central notice system and may be enforced and foreclosed in the same manner as a security agreement under the provisions of title 41.

3. The secretary of state shall remove and destroy the lien notification statement in the same manner as provided for other liens in section 11-18-14 for the register of deeds. The secretary of state shall charge the same filing and information retrieval fees and credit the amounts in the same manner as financing statements filed under chapter 41-09.

4. A lien under this section is perfected when notice of the lien is filed with the secretary of state.

5. The public authority may file an amendment to correct the social security number of the obligor, to correct the spelling of the obligor's name, or to correct or change the address of the obligor.

Account lien.

1. In the case of an account maintained in a financial institution, the public authority may establish a lien on the account by serving a notice of lien upon the financial institution in the manner provided for service of a summons in a civil action. The notice must be in a form prescribed by the public authority and contain the name, social security number, or other taxpayer identification number and last known

1 address of the obligor, the amount of past due support for which a lien is claimed,
2 and any other information required by the public authority. The notice of lien must
3 state that the child support obligation is past due and that a copy of the notice of
4 lien has been served on the obligor by first-class mail at the obligor's last known
5 address.

6 2. Upon service of the notice of lien on a financial institution in accordance with this
7 section, the lien attaches to accounts of the obligor maintained in the financial
8 institution, except to the extent necessary to satisfy any right of set off which exists
9 in connection with an account, payment orders that were made by the obligor
10 before the financial institution was served with notice of lien, or other obligations of
11 the obligor based upon written agreements or instruments made or issued by the
12 obligor before the financial institution was served with notice of lien.

13 3. A lien under this section is perfected when the financial institution is served with
14 notice of the lien.

15 **Lien on other personal property.**

16 1. In the case of personal property that does not consist of a vehicle, a vessel, or an
17 account maintained in a financial institution, the public authority may establish a
18 lien on such personal property by filing a notice of lien with the office of the register
19 of deeds in the county in which the personal property may be found or with the
20 secretary of state. The notice must particularly describe the property to be
21 subjected to the lien and the name and last known address of the obligor. The
22 notice of lien must state that the child support obligation is past due and that a
23 copy of the notice of lien has been served on the obligor by first-class mail at the
24 obligor's last known address.

25 2. The information filed with a register of deeds or with the secretary of state under
26 this section must be included in the computerized central notice system maintained
27 by the secretary of state under section 41-09-46 and must be accessible to the
28 public on the same terms and conditions that apply to access other statutory lien
29 information maintained in the computerized central notice system.

30 3. Upon filing of the notice of lien in accordance with this section, the lien attaches to
31 and is perfected against all personal property described in the notice.

1 **Priority of liens.** A lien perfected under this chapter may not be subordinate to any
2 other lien except a lien that was perfected before the child support lien was perfected. The
3 public authority may, upon request of the obligor, subordinate the child support lien.

4 **Satisfaction of lien.** Upon payment of all past due child support obligations, the public
5 authority shall provide, within a reasonable time, an appropriate satisfaction or release of a lien
6 arising under this chapter.

7 **Immunity from liability.** A person in possession of, or obligated with respect to,
8 property, who, upon demand of the public authority, surrenders the property or discharges the
9 obligation to the public authority is immune from any liability to the obligor or other person
10 arising from the surrender or payment. The court shall award reasonable attorney's fees and
11 costs against any person who commences an action that is subsequently dismissed by reason
12 of the immunity granted by this section.

13 **Action to enforce lien.** In any case in which there has been a refusal or neglect to pay
14 child support, the public authority, in addition to any other relief, may file an action in any court
15 of competent jurisdiction to enforce a lien under this chapter. The filing of an action does not
16 preclude the public authority from pursuit of any other means of enforcement available under
17 state or federal law.

18 **Persons aggrieved.** A person aggrieved by an action taken by the public authority to
19 enforce a lien under this chapter may seek review of the public authority's actions in the court
20 that issued the child support order claimed to be past due.

21 **Full faith and credit.** A lien arising in another state, under a law of that state
22 implementing the provisions of 42 U.S.C. 666(a)(4)(A), is entitled to full faith and credit when
23 the party seeking to enforce that lien records or serves the lien documents in the manner
24 provided under this code. No judicial notice or hearing is required prior to recording or service
25 of the lien documents.

26 **SECTION 48.** A new chapter to title 43 of the North Dakota Century Code is created
27 and enacted as follows:

28 **Definition.** For purposes of this chapter, "occupational or professional certificate,
29 permit, or license" means a certificate, permit, or license issued by or on behalf of the state by
30 any of its licensing authorities or occupational or professional boards, which an individual is
31 required to obtain before engaging in the individual's occupation or profession.

1 **Social security number required for professional or occupational license.** No
2 issuer of an occupational or professional certificate, permit, or license may issue such a
3 certificate, permit, or license, or renewal thereof, to any individual who has not first provided the
4 individual's social security number.

5 **Inclusion of social security number in automated data base.** An issuer of an
6 occupational or professional certificate, permit, or license, that maintains an automated data
7 base concerning individuals who have applied for or been issued a certificate, permit, or
8 license, after the effective date of this section, must include the individual's social security
9 number as an identifier in that data base.

10 **Social security number not public record.** A social security number provided under
11 this chapter is exempt from section 44-04-18 and section 6 of article XI of the Constitution of
12 North Dakota.
