

HOUSE BILL NO. 1186
with Senate AmendmentsFifty-fifth
Legislative Assembly
of North Dakota

HOUSE BILL NO. 1186

Introduced by

Representatives Belter, Nelson

Senators G. Nelson, Wanzek

1 A BILL for an Act to amend and reenact subsection 1 of section 39-12-04 of the North Dakota
2 Century Code, relating to commercial movement of fertilizer spreaders and agricultural
3 chemical applicators; and to declare an emergency.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1. AMENDMENT.** Subsection 1 of section 39-12-04 of the 1995
6 Supplement to the North Dakota Century Code is amended and reenacted as follows:

7 1. A total outside width, including load thereon, of eight feet six inches [2.59 meters].

8 This limitation does not apply to:

9 a. Construction and building contractors' equipment and vehicles used to move
10 such equipment which does not exceed ten feet [3.05 meters] in width when
11 being moved by contractors or resident carriers.

12 b. Implements of husbandry being moved by resident farmers, ranchers,
13 dealers, or manufacturers between sunrise and sunset. Furthermore, the
14 limitation does not apply to implements of husbandry being moved between
15 sunset and sunrise by resident farmers, ranchers, dealers, or manufacturers
16 on public state, county, or township highway systems other than interstate
17 highway systems.

18 c. Hay in the stack or bale being moved along the extreme right edge of a
19 roadway between sunrise and sunset by someone other than a commercial
20 mover.

21 d. Commercial movement of haystacks or hay bales with vehicles designed
22 specifically for hauling hay, ~~overwidth~~ commercial movement of self-propelled
23 fertilizer spreaders and self-propelled agricultural chemical applicators,
24 whether operating under their own power or being transported by another

- vehicle, and ~~overwidth~~ the commercial movement of hay grinders, which may be ~~operated~~ moved on the highway after obtaining a permit issued by the highway patrol. The highway patrol shall issue permits that are valid during daylight hours on any day of the week, or that are valid at all times for the movement of self-propelled fertilizer spreaders and self-propelled agricultural chemical applicators, to any commercial ~~mover~~ entity otherwise qualified under this subdivision. Self-propelled fertilizer spreaders and self-propelled agricultural chemical applicators operating under their own power between sunset and sunrise must display vehicle hazard warning signal lamps as described in subsection 3 of section 39-21-19.1. The permit is in lieu of registration requirements for the permit period. No permit may be issued, unless proof of financial responsibility in a minimum of three hundred thousand dollars is filed and the appropriate permit fee is paid. The permit may also be issued for hauling hay bales with vehicles or vehicle combinations other than those designed specifically for hauling haystacks. This permit, however, will not be in lieu of registration requirements. All permit fees must be deposited in the state highway distribution fund.
- e. Safety devices that the highway patrol determines are necessary for the safe and efficient operation of motor vehicles may not be included in the calculation of width.
- f. Any nonload carrying safety appurtenance as determined by the highway patrol which extends no more than three inches [7.62 centimeters] from each side of a trailer is excluded from the measurement of trailer width. The width of a trailer is measured across the sidemost load carrying structures, support members, and structural fasteners.
- g. The highway patrol may adopt reasonable rules for those vehicles exempted from the width limitations as provided for in this subsection.

SECTION 2. EMERGENCY. This Act is declared to be an emergency measure.
