HOUSE BILL NO. 1214
(Representatives Wilkie, Olson, Hanson)
(Senators Kelsh, O'Connell, Sand)

AN ACT to amend and reenact subsection 8 of section 20.1-03-11 of the North Dakota Century Code, relating to landowner preference moose hunting licenses.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Subsection 8 of section 20.1-03-11 of the 1995 Supplement to the North Dakota Century Code is amended and reenacted as follows:

8. A resident who has executed a lease for at least one hundred sixty acres [64.75 hectares] of land and who actively farms or ranches that land or a resident who holds title to at least one hundred sixty acres [64.75 hectares] of land is eligible to apply for a license to hunt moose without charge upon filing an affidavit describing that land. The land must be within a unit open for the hunting of moose. The license must include a legal description of the eligible land described in the affidavit and may be used to hunt moose only upon that land. Upon request a lessee shall provide proof that the land described in the affidavit is leased for agricultural purposes. A resident who is eligible for a license under this subsection may transfer that eligibility for the license to a spouse or a legal dependent residing customarily with the resident, but no more than one license may be issued under this subsection for any qualifying land. A resident transferring eligibility under this subsection is not eligible to apply for a license to hunt moose in future years but is eligible to participate in the North Dakota game warden association raffle under section 20.1-08-04.2. If not otherwise specified in an agricultural lease, the landowner is entitled to receive the license. The number of licenses issued under this subsection for a district or unit may not exceed fifteen percent of the total licenses prescribed in the governor's proclamation for that district or unit. If the number of eligible persons who apply for a license under this subsection exceeds the number of licenses available under this subsection, the licenses must be issued by lottery as prescribed in the governor's proclamation. A person who receives a license under this subsection and who is successful in harvesting a moose is not eligible to apply for a license to hunt moose in future years but is eligible to participate in the North Dakota game warden association raffle under section 20.1-08-04.2. Notwithstanding this subsection, if a person other than the transferee of license eligibility is unsuccessful in harvesting a moose under this subsection, that person may return the unused license to the department and is eligible to apply for, but not transfer an additional license to hunt moose in future years. A person who receives a second license under this subsection is not eligible to participate in the North Dakota game warden association raffle under section 20.1-08-04.2. If a person receives a license under this subsection, the person's spouse, children, and parents living with the person are not eligible to receive a license under this subsection for the district or unit in which the land described in the affidavit is located, unless the person has sold or otherwise transferred the person's rights to the land described in the affidavit. The governor's proclamation may restrict the area of land within a unit open for the hunting of moose for which a preferential license is issued under this subsection. If the proclamation restricts the area for issuance of preferential licenses, an applicant must own or lease land within the restricted area to be eligible to apply for a license to hunt moose upon payment of the fee required for a resident big game license. The license may be used to hunt moose within the entire unit in which the land described in the affidavit is located. A successful applicant from a restricted area may not return an unused license to regain eligibility for a license to hunt moose in future years.
