- 1 A BILL for an Act to amend and reenact sections 40-47-01.1 and 40-48-18 of the North Dakota
- 2 Century Code, relating to extraterritorial zoning and planning authority of cities.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 40-47-01.1 of the North Dakota Century Code is amended and reenacted as follows:

40-47-01.1. Territorial authority of Extraterritorial zoning regulations.

- Based upon the population of the A city as determined by the last official regular or special federal census or, in case of a city incorporated subsequent to such census, a census taken in accordance with chapter 40-02, the governing body of a city may, by ordinance, may extend the application of a city's zoning regulations to any quarter quarter section or portion thereof of unincorporated territory if a majority of the quarter quarter section is located within the following distance of the corporate limits of the city:
- 1. a. To each quarter quarter section of unincorporated territory the majority of which is located within one-half One-half mile [.80 kilometer] of its limits in any direction if it is a the city having has a population of less than five thousand.
- 2. <u>b.</u> To each quarter quarter section of unincorporated territory the majority of which is located within one <u>One</u> mile [1.61 kilometers] of its limits in any direction if it is a the city having has a population of five thousand or more, but less than twenty-five thousand.
- 3. <u>c.</u> To each quarter quarter section of unincorporated territory the majority of which is located within two <u>Two</u> miles [3.22 kilometers] of its limits in any direction if it is a city having a population of twenty-five thousand or more.

- 2. Provided, that where If the extraterritorial zoning of two or more noncentiquous cities have boundaries at a distance where there would be an overlap of zoning authority under this section, each city is authorized to control the zoning of land on its side of a line established overlaps and the affected cities are unable to reach an agreement regarding the exercise of zoning jurisdiction, the zoning authority of each city must be determined by dividing the overlapping territory in proportion to the authority each city has to zone land outside its limits in accordance with this section or pursuant to mutual agreement. The governing body may thereafter enforce such regulation in the area to the same extent as if such property were situated within the city's corporate limits. This territorial authority shall not authorize the application of zoning regulations to territory outside the corporate limits of land attached to a city by a strip of land not more than one hundred feet [30.48 meters] wide, nor shall this territorial authority authorize application of zoning regulations to territory outside the corporate limits of land included within such a strip of land subsection 1.
 - 3. For purposes of this section, the population of a city must be determined by the last official regular or special federal census. If a city has incorporated after a census, the population of the city must be determined by a census taken in accordance with chapter 40-02.
 - 4. In determining the corporate limits of a city under this section, all points on every straight line one hundred feet [30.48 meters] long and which intersects the city limits of the city more than once must be disregarded. However, if the city is divided into two or more noncontiguous parts, the corporate limits of the city must coincide with the most populous of the portions.
- <u>5.</u> For the purposes of this section, a quarter quarter section shall must be determined in the manner provided by 2 Stat. 313 [43 U.S.C. 752], and when appropriate, the phrase "quarter quarter section" refers to the equivalent government lot.
- **SECTION 2. AMENDMENT.** Section 40-48-18 of the North Dakota Century Code is amended and reenacted as follows:

- 40-48-18. Jurisdiction of Extraterritorial subdivision regulation authority. The territorial jurisdiction of any city planning commission over the subdivision or platting of land shall include all land located within the corporate limits of the city. Based upon the population of the city as determined by the last official regular or special federal census or, in case of a city incorporated subsequent to such census, a census taken in accordance with chapter 40-02, the governing body of a city may, by ordinance, extend the application of the city's subdivision regulations:
 - 1. To unincorporated territory located within one-half mile [.80 kilometer] of its limits in any direction if it is a city having a population of less than five thousand.
 - 2. To unincorporated territory located within one mile [1.61 kilometers] of its limits in any direction if it is a city having a population of five thousand or more, but less than twenty-five thousand.
 - 3. To unincorporated territory located within two miles [3.22 kilometers] of its limits in any direction if it is a city having a population of twenty-five thousand or more.

Provided, that where two or more noncontiguous cities have boundaries at a distance where there would be an overlap of subdivision regulation authority under this section, each city is authorized to control the subdivision of land on its side of a line established in proportion to the authority each city has to control the subdivision of land outside its limits in accordance with this section or pursuant to mutual agreement. The governing body may thereafter enforce such regulations in the area to the same extent as if such property were situated within the city's corporate limits. A city may regulate subdivisions beyond its corporate limits to the same extent, in the same manner, and subject to the same limitations as it is authorized to extend its zoning authority under section 40-47-01.1.
