Fifty-fifth Legislative Assembly of North Dakota

## HOUSE CONCURRENT RESOLUTION NO. 3004

Introduced by

Legislative Council

(Budget Committee on Home and Community Care)

1 A concurrent resolution directing the Legislative Council to study the means of expanding home 2 and community-based service availability, options for training additional qualified service 3 providers, adequacy of geropsychiatric services, and the feasibility of combining service 4 reimbursement payment sources to allow payments to flow to a broadened array of elderly and 5 disabled services options. 6 WHEREAS, during the 1995-96 interim the Department of Human Services and the 7 Department of Health formed a Task Force on Long-Term Care Planning and presented 8 recommendations to the Legislative Council's Budget Committee on Home and Community 9 Care and the Insurance and Health Care Committee; and 10 WHEREAS, in the area of long-term care service inventory, distribution, and 11 alternatives, the Budget Committee on Home and Community Care recommended statutory 12 changes relating to the moratorium on long-term care beds and allowing pilot projects for the 13 conversion of existing long-term care beds for use by the Alzheimer's and related dementia 14 population; and 15 WHEREAS, the availability of qualified service providers in rural areas may be limited, 16 potential providers may lack the skills necessary to meet required competency standards, and 17 training opportunities are limited, which may require the rural elderly and disabled to choose 18 between relocating to access services or going without necessary services; and 19 WHEREAS, expanded training of qualified service providers could enhance the 20 availability and improve the quality of home and community-based services; and 21 WHEREAS, the State Hospital is reviewing the adequacy of geropsychiatric care and 22 developing a plan to provide outreach support for nursing homes in need of intervention 23 services for this special population and the State Hospital may need to provide inpatient 24 geropsychiatric care; and

**WHEREAS**, a combining of service reimbursement payment sources could provide increased flexibility or portability of service payments to allow payments to flow to a broadened array of service options for the elderly and disabled;

## NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF NORTH DAKOTA, THE SENATE CONCURRING THEREIN:

That the Legislative Council study the means of expanding elderly and disabled service availability, options for training additional qualified service providers, adequacy of geropsychiatric services, and the feasibility of combining service reimbursement payment sources to allow payments to flow to a broadened array of elderly and disabled services options; and

**BE IT FURTHER RESOLVED**, that the Legislative Council report its findings and recommendations, together with any legislation required to implement the recommendations, to the Fifty-sixth Legislative Assembly.
