1	Lien for past due child support. When a past due child support obligation is at least			
2	six times the monthly child support obligation and the obligor is not current in a			
3	court-established plan to repay the past due support, the public authority may establish a lien			
4	on personal	property as provided in this chapter.		
5	Veh	icle lien.		
6	<u>1.</u>	In the case of a vehicle, the public authority may establish a lien by filing a notice		
7		of lien with the director of the department of transportation. The notice must be in		
8		a form prescribed by the director and contain a description of the vehicle, the name		
9		and last known address of the obligor, and any other information required by the		
10		director. The notice of lien must state that the child support obligation is past due		
11		and that a copy of the notice of lien has been served on the obligor by first-class		
12		mail at the obligor's last known address.		
13	<u>2.</u>	Upon filing of the notice of lien in accordance with this section, the director shall		
14		demand in writing the surrender of the certificate of title from the obligor or a		
15		superior lienholder for the purpose of recording the lien on the certificate of title.		
16		Upon receipt of the certificate of title, the director shall record the fact of the lien		
17		and the identity of the lienholder on the certificate of title and deliver the certificate		
18		of title to the vehicle's owner or, if a superior lienholder had possession of the		
19		certificate of title, to that superior lienholder. If the obligor or superior lienholder		
20		fails to surrender the certificate of title within fifteen days after the written demand		
21		by the director, the director shall notify the public authority seeking the lien.		
22	<u>3.</u>	Upon receipt of notice from the director that the obligor or superior lienholder has		
23		not responded to the demand for surrender of a title certificate, the public authority		
24		may obtain an order from a court of competent jurisdiction requiring the certificate		
25		of title to be delivered to the court so that a lien may be properly recorded.		
26	<u>4.</u>	No fee may be charged for services provided under this section.		
27	<u>5.</u>	The director may determine a certificate of title to have been fraudulently procured		
28		if endorsed by a previous owner who, at the time the endorsement was made:		
29		a. Was an obligor who owed past due child support; and		
30		b. Had been served with a copy of a notice of lien filed under this section with		
31		respect to the vehicle described on that certificate of title.		

	U			
1	<u>6</u>	<u>A lien under this section is perfected when the lien is recorded on the certificate of</u>		
2		<u>title.</u>		
3	3 <u>Vessel lien.</u>			
4	<u>1</u>	. In the case of a vessel, the public authority may establish a lien by filing a notice of		
5		lien with the secretary of state if the value of the vessel is estimated to be at least		
6		twice the cost of establishing the lien. The notice must contain a description of the		
7		make, model designation, and serial number of the vessel, including its		
8		identification or registration number, if any, and the name, social security number,		
9		and last known address of the obligor. The notice of lien must state that the child		
10		support obligation is past due and that a copy of the notice of lien has been served		
11		on the obligor by first-class mail at the obligor's last known address.		
12	<u>2</u>	. Upon filing of the notice of lien in accordance with this section, the notice of lien		
13		must be indexed by the secretary of state in the central notice system and may be		
14		enforced and foreclosed in the same manner as a security agreement under the		
15		provisions of title 41.		
16	<u>3</u>	. The secretary of state shall remove and destroy the lien notification statement in		
17		the same manner as provided for other liens in section 11-18-14 for the register of		
18		deeds. The secretary of state shall charge the same filing and information retrieval		
19		fees and credit the amounts in the same manner as financing statements filed		
20		under chapter 41-09.		
21	<u>4</u>	<u>A lien under this section is perfected when notice of the lien is filed with the</u>		
22		secretary of state.		
23	<u>5</u>	. The public authority may file an amendment to correct the social security number		
24		of the obligor, to correct the spelling of the obligor's name, or to correct or change		
25		the address of the obligor.		
26	<u>A</u>	Account lien.		
27	<u>1</u>	. In the case of an account maintained in a financial institution, the public authority		
28		may establish a lien on the account by serving a notice of lien upon the financial		
29		institution in the manner provided for service of a summons in a civil action. The		
30		notice must be in a form prescribed by the public authority and contain the name,		
31		social security number, or other taxpayer identification number and last known		

1		address of the obligor, the amount of past due support for which a lien is claimed,
2		and any other information required by the public authority. The notice of lien must
3		state that the child support obligation is past due and that a copy of the notice of
4		lien has been served on the obligor by first-class mail at the obligor's last known
5		address.
6	<u>2.</u>	Upon service of the notice of lien on a financial institution in accordance with this
7		section, the lien attaches to accounts of the obligor maintained in the financial
8		institution, except to the extent necessary to satisfy any right of set off which exists
9		in connection with an account, payment orders that were made by the obligor
10		before the financial institution was served with notice of lien, or other obligations of
11		the obligor based upon written agreements or instruments made or issued by the
12		obligor before the financial institution was served with notice of lien.
13	<u>3.</u>	A lien under this section is perfected when the financial institution is served with
14		notice of the lien.
15	Lie	n on other personal property.
16	<u>1.</u>	In the case of personal property that does not consist of a vehicle, a vessel, or an
17		account maintained in a financial institution, the public authority may establish a
18		lien on such personal property by filing a notice of lien with the office of the register
19		of deeds in the county in which the personal property may be found or with the
20		secretary of state. The notice must particularly describe the property to be
21		subjected to the lien and the name and last known address of the obligor. The
22		notice of lien must state that the child support obligation is past due and that a
23		copy of the notice of lien has been served on the obligor by first-class mail at the
24		obligor's last known address.
25	<u>2.</u>	The information filed with a register of deeds or with the secretary of state under
26		this section must be included in the computerized central notice system maintained
27		by the secretary of state under section 41-09-46 and must be accessible to the
28		public on the same terms and conditions that apply to access other statutory lien
29		information maintained in the computerized central notice system.
30	<u>3.</u>	Upon filing of the notice of lien in accordance with this section, the lien attaches to
31		and is perfected against all personal property described in the notice.

1	Priority of liens. A lien perfected under this chapter may not be subordinate to any
2	other lien except a lien that was perfected before the child support lien was perfected. The
3	public authority may, upon request of the obligor, subordinate the child support lien.
4	Satisfaction of lien. Upon payment of all past due child support obligations, the public
5	authority shall provide, within a reasonable time, an appropriate satisfaction or release of a lien
6	arising under this chapter.
7	Immunity from liability. A person in possession of, or obligated with respect to,
8	property, who, upon demand of the public authority, surrenders the property or discharges the
9	obligation to the public authority is immune from any liability to the obligor or other person
10	arising from the surrender or payment. The court shall award reasonable attorney's fees and
11	costs against any person who commences an action that is subsequently dismissed by reason
12	of the immunity granted by this section.
13	Action to enforce lien. In any case in which there has been a refusal or neglect to pay
14	child support, the public authority, in addition to any other relief, may file an action in any court
15	of competent jurisdiction to enforce a lien under this chapter. The filing of an action does not
16	preclude the public authority from pursuit of any other means of enforcement available under
17	state or federal law.
18	Persons aggrieved. A person aggrieved by an action taken by the public authority to
19	enforce a lien under this chapter may seek review of the public authority's actions in the court
20	that issued the child support order claimed to be past due.
21	Full faith and credit. A lien arising in another state, under a law of that state
22	implementing the provisions of 42 U.S.C. 666(a)(4)(A), is entitled to full faith and credit when
23	the party seeking to enforce that lien records or serves the lien documents in the manner
24	provided under this code. No judicial notice or hearing is required prior to recording or service
25	of the lien documents.
26	SECTION 48. A new chapter to title 43 of the North Dakota Century Code is created
