Page 2, line 7, overstrike "physical" and insert immediately thereafter "medical"

Page 2, line 9, after the period insert "After the initial medical examination, an employer shall require at least a periodic medical examination as follows: for one to ten years of service, every five years; for eleven to twenty years of service, every three years; and for twenty-one or more years of service, every year. The periodic medical examination, at a minimum, must consist of a general medical history of the individual and the individual's family; an occupational history including contact and an exposure to hazardous materials, toxic products, contagious and infectious diseases, and to physical hazards; a physical exam including measurement of height, weight, and blood pressure; and laboratory and diagnostic procedures including a nonfasting total blood cholesterol test and paparicolaou smear for women. If the medical examination reveals that an employee falls into a recognized risk group, the employee must be referred to a qualified health professional for future medical examination."
