- 1 A BILL for an Act to create and enact a new section to chapter 39-13 of the North Dakota
- 2 Century Code, relating to a sign logo franchise program.

## BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

**SECTION 1.** A new section to chapter 39-13 of the North Dakota Century Code is created and enacted as follows:

## Sign franchise program.

- Notwithstanding section 24-01-12, the director shall establish a sign franchise
  program for the purpose of providing on the right of way of the state highway
  system specific information on gas, food, camping, and lodging, for the benefit of
  the motoring public.
- 2. By public negotiation or bid, the director shall grant one or more franchises to qualified persons to erect and maintain, on the right of way of the state highway system, signs informing the motoring public of gas, food, lodging, and camping facilities. A franchisee shall furnish, install, maintain, and replace signs for the benefit of advertisers who provide gas, food, lodging, and camping facilities for the general public, and lease advertising space on the signs to operators of these facilities.
- All costs incurred under the program established by this section must be paid under agreements negotiated between a franchisee and an advertiser or advertisers, unless otherwise provided in the contract between the director and the franchisee.
- A franchisee agreement must conform with federal standards adopted under
   U.S.C. 131(f) and with the manual of uniform traffic-control devices adopted
   under section 39-13-06. The director may require additional terms and conditions,

- including provisions on the renewal and termination of the agreement, and on termination the rights of the state and franchisee relative to the franchisee's advertising contracts. All contracts made by the director with a franchisee must provide:
- A requirement that the franchisee obtain liability insurance in an amount the director determines, jointly insuring the state and the franchisee against all liability for claims for damages occurring wholly or in part because of the franchise; and
- b. Reasonable standards for the size, design, erection, and maintenance of service information signs and the advertising logos on the signs.
- 5. The director may not take any action under this section which will result in the loss to the state of any federal highway construction funds.
