Page 1, line 1, after "resolution" replace the remainder of the resolution with "directing the Legislative Council to study the clarity and continuity of end-of-life decisionmaking issues and related laws.

WHEREAS, a broad variety of state laws address end-of-life issues, including informed consent for health care, guardianship, organ donation, living will, durable power of attorney for health care, durable power of attorney, and power of attorney; and

WHEREAS, state law addressing these issues was enacted over the course of several years, resulting in the lack of continuity and dispersal throughout the North Dakota Century Code; and

WHEREAS, many North Dakotans fail to adequately plan for issues that arise at the end of life because of the complexity of relevant laws; and

WHEREAS, the National Conference of Commissioners on Uniform State Laws recognized the value of clarity and continuity in making health care decisions and therefore recommended the Uniform Health Care Decision Act to the states for enactment; and

WHEREAS, at least 16 states have studied the advantages and disadvantages of enacting comprehensive advanced health care directive statutes, concluding a comprehensive statutory scheme is a reasonable solution; and

WHEREAS, the Robert Wood Johnson Foundation provided a grant to the North Dakota End of Life Task Force, which is in part studying end-of-life decisionmaking issues;

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF NORTH DAKOTA, THE SENATE CONCURRING THEREIN:

That the Legislative Council study the clarity and continuity of end-of-life decisionmaking issues and related laws; and

BE IT FURTHER RESOLVED, that the Legislative Council report its findings and recommendations, together with any legislation required to implement the recommendations, to the Fifty-seventh Legislative Assembly."
