DELIVERY OF ENROLLED BILLS AND RESOLUTIONS

The following resolutions were delivered to the Secretary of State for his filing at the hour of 9:30 a.m., March 15, 1999: HCR 3011, HCR 3056.

COMMUNICATION FROM GOVERNOR EDWARD T. SCHAFER

I am returning to you House Bill 1330, and respectfully veto the same, in order to do what is best for the employers and employees of our State. HB 1330 allows the North Dakota Worker's Compensation Bureau to re-open any decision based upon new information. This is a public policy with which I do not agree for the following reasons:

First, I believe it will invite litigation to interpret the bill, and litigation to challenge the bill's effect upon North Dakota's employees, a result that neither the Bureau, nor citizens of North Dakota want.

Secondly, the bill allows the right to re-open a case, only to the Bureau. It does not afford the employee the same right to re-open a case upon "new information." I believe that is fundamentally unfair.

Third, the bill is in direct response to a Supreme Court decision, Cridland v. NDWCB, 1997, ND 223, 571 N.W.2d 351, which says that Bureau decisions should be final, and it should not be allowed to re-litigate issues it has had an opportunity to litigate. In the Cridland case, the employee applied for and received North Dakota Workers Compensation benefits following a formal hearing. Subsequently, the Bureau chose to re-open the case and seek reimbursement of \$24,000 in benefits. The Supreme Court rejected the Bureau's claim. Its decision is well reasoned and reasonable. It allows the Bureau to continue its current practices, but confirmed that the Bureau does not get more than "one bite at the apple."

The bill's language is unclear. Section 2 provides that the Bureau may re-open a case "on the basis of new information." But, it provides no standards by which to guide decisions for review. In other areas of the law, litigants are allowed only to revisit a case upon "new information" if they show that it was not discoverable at the time of trial even with the exercise of reasonable diligence. We should hold North Dakota Workers Compensation to a similar standard.

The bill also does not provide finality for the parties. Every litigant, every employer, and employee deserves to have confidence in the decisions made by the Bureau, that those decisions are final. This bill does not afford that finality, but in fact opens cases for review upon standards that are undefined. It risks the limited resources of the employer, the employee, the Bureau, the Office of Administrative Hearings, and the Court, to have issues relitigated repeatedly. We should not endorse bills that provide more litigation and less certainty in Bureau claims.

Finally, the bill erodes the rights of North Dakota workers and their employers to have work related injuries handled in a judicious, prompt manner that affords the employee sure and certain relief for work related injuries. In considering this bill, I am reminded of our Supreme Court's admonition in Baldock v. NDWCB, that continued erosion of workers compensation benefits may reach a point where the fairness of the system no longer supports the underlying bargain of employer immunity.

I have reviewed carefully the testimony of proponents and opponents of the bill. I am convinced that it does not provide wise public policy for our employers and their employees. For these reasons, I respectfully veto the bill.

REP. DORSO MOVED that HB 1330 be reconsidered pursuant to Article V, Section 9, of the Constitution of the State of North Dakota for the purpose of overriding the Governor's veto and that HB 1330 be placed on the Eleventh order of business on the calendar, which motion prevailed.
