STATEMENT OF PURPOSE OF AMENDMENT:

DEPARTMENT 512 - DIVISION OF EMERGENCY MANAGEMENT

HOUSE - This amendment adds \$7 million of federal funds to the grants line item to reflect increased federal funds. The amendment also adds a section appropriating any additional federal funds received for disaster projects at the university of North Dakota.

This amendment requires all spring 1997 Red River Valley flooding disaster claims to be presented before September 1, 2001, unless otherwise authorized by the Legislative Assembly. The amendment also removes Section 3 which provided that the Division of Emergency Management and the University of North Dakota were not to borrow from the Bank of North Dakota in order to match federal funds relating to the spring 1997 flood in the Red River Valley. The section also provided that the impacted political subdivision was required to pay the state's share of the federal match in addition to the local share of the federal match in order to receive federal emergency management agency funds.
