SECTION 2. AMENDMENT. Subsection 13 of section 15-10-17 of the 1997 Supplement to the North Dakota Century Code is amended and reenacted as follows:

13. To establish a retirement program as an alternative to chapter 15-39.1 for employees of institutions under its control subject to the following guidelines:
 - a. Benefits under the program shall be provided through annuity contracts purchased by the board but which shall become the property of the participants;
 - b. The cost of the annuity contracts shall be defrayed by contributions made pursuant to rules of the state board of higher education;
 - c. Eligible employees appointed before July 1, 1973, shall participate in the alternate retirement program only by their individual election. When the electing eligible employee is a member of the teachers' fund for retirement, the employee's assessments and employer's contributions together with interest credited at the current rate for one-year certificates then being paid by the Bank of North Dakota shall be transferred to the employee's account in the alternate program. Such election shall be made prior to July 1, 1980, and shall relinquish all rights the eligible employee or the employee's beneficiary may have to benefits provided in chapters 15-39 and 15-39.2;
 - d. Employees of Bismarck state college and ~~university of North Dakota~~ Lake Region state college coming under the jurisdiction of the board who are members of the teachers' fund for retirement may elect prior to July 1, 1985, to continue membership in the teachers' fund for retirement in lieu of the alternate retirement program. If an employee does not elect to continue membership in the teachers' fund for retirement, membership in that fund will terminate and the employee will become a member of the alternate retirement program established by the board effective July 1, 1985. An employee of the above-named

colleges who becomes a member of the alternate retirement program may elect prior to July 1, 1985, to have the employee's assessments and employer's contributions in the teachers' fund for retirement with interest transferred by the board of trustees of the teachers' fund for retirement to the employee's account in the alternate retirement program. If an employee elects to transfer the employee's assessment and employer's contributions together with interest to the alternate retirement program, the employee relinquishes all rights the employee or the employee's beneficiary may have to benefits provided in chapters 15-39, 15-39.1, and 15-39.2; and

- e. Employees of institutions under the control of the state board of higher education who are members of the public employees retirement system and who become entitled to participate in the alternate retirement program are entitled to a special annuity purchase in the alternate retirement program in accordance with this subdivision. An eligible employee who consents to have that employee's contribution included is entitled to have that employee's contribution and employer's contribution, with interest, in the public employees retirement system fund, used by the retirement board of the public employees retirement system to purchase for that employee an annuity in the alternate retirement program in lieu of any other rights under the public employees retirement fund. However, before the employer's contribution may be used for an annuity purchase, the employee's combined years of service with the public employees retirement system and the alternate retirement program must equal or exceed the years of service necessary to be eligible for retirement benefits under the public employees retirement system. An employee who transferred from the public employees retirement system prior to March 30, 1987, and who received a refund of that employee's contribution is entitled to have the employer's contribution, with interest, used to purchase an annuity even if that employee did not purchase an annuity in the alternate employee program with the employee's contribution. If an employee makes the election allowed under this subdivision, that employee relinquishes all rights the employee or any of the employee's beneficiaries may have had to benefits provided under chapter 54-52.

The board shall provide for the administration of the alternate retirement program and establish rules therefor consistent with the foregoing guidelines. Nothing in this subsection shall be construed in derogation of any existing retirement programs approved by the board."
