1 A BILL for an Act to create and enact a new section to chapter 4-35 of the North Dakota
2 Century Code, relating to the sale and use of agricultural chemicals registered in Canada; and
3 to declare an emergency.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1.** A new section to chapter 4-35 of the North Dakota Century Code is
6 created and enacted as follows:

7 **Agricultural chemicals - Sale and use - Canadian registry.** Any agricultural
8 chemical approved for use and registered in Canada may be offered for sale and sold in this
9 state. If the pesticide control board determines that the chemical is a restricted use pesticide,
10 its use and application is governed by this chapter. A chemical manufacturer selling an
11 agricultural chemical under this section may not charge suppliers in this state an amount
12 greater than that charged suppliers in the Canadian provinces bordering this state after taking
13 into account the rate of exchange on the date of sale.

14 **SECTION 2. EMERGENCY.** This Act is declared to be an emergency measure.
