

February 3, 1999

PROPOSED AMENDMENTS TO SENATE BILL NO. 2207

Page 1, line 2, after the semicolon insert "and"

Page 1, line 4, remove "; and to provide a penalty"

Page 2, line 2, remove "**and penalties**"

Page 2, line 3, replace "A telecommunications service provider may not make a change in or direct another" with "The provisions of title 47, Code of Federal Regulations, part 64, subpart k, apply to any telecommunications company submitting or executing an order on behalf of a subscriber of telecommunications service to change the subscriber's provider of intrastate telecommunications service or add a telecommunications intrastate service. A subscriber for whom an intrastate telecommunications service is added without compliance with title 47, Code of Federal Regulations, part 64, subpart k, is absolved of liability for charges imposed by the service provider during the first thirty days after the unauthorized addition. Upon being informed by the subscriber that an unauthorized addition has occurred, the telecommunications company providing the service shall cancel the service addition, inform the subscriber of the forty-five day absolution period, and refund any payments made by the subscriber for the service during the absolution period. The telecommunications company may rebill for any additional service provided before the cancellation if the company determines the service addition was properly authorized. The remedies provided in this section are in addition to any other remedies available at law."
