15 in a case of failure to comply with statutory reporting requirements, or a violation of  
16 examination security. Any fines collected by the state board of medical examiners  
17 must be deposited in the state general fund.

18           **SECTION 5. AMENDMENT.** Section 43-17-31 of the 1997 Supplement to the North  
19 Dakota Century Code is amended and reenacted as follows:

20           **43-17-31. Grounds for disciplinary action.** Disciplinary action may be imposed  
21 against a physician upon any of the following grounds:

- 22           1. The use of any false, fraudulent, or forged statement or document, or the use of  
23 any fraudulent, deceitful, dishonest, or immoral practice, in connection with any of  
24 the licensing requirements.
- 25           2. The making of false or misleading statements about the physician's skill or the  
26 efficacy of any medicine, treatment, or remedy.
- 27           3. The conviction of any misdemeanor determined by the board to have a direct  
28 bearing upon a person's ability to serve the public as a practitioner of medicine or  
29 any felony. A license may not be withheld contrary to the provisions of chapter  
30 12.1-33.
- 31           4. Habitual use of alcohol or drugs.

5. Physical or mental disability materially affecting the ability to perform the duties of a physician in a competent manner.
6. The performance of any dishonorable, unethical, or unprofessional conduct likely to deceive, defraud, or harm the public.
7. Obtaining any fee by fraud, deceit, or misrepresentation.
8. Aiding or abetting the practice of medicine by an unlicensed, incompetent, or impaired person.
9. The violation of any provision of a medical practice act or the rules and regulations of the board, or any action, stipulation, condition, or agreement imposed by the board or the commission on medical competency.
10. The practice of medicine under a false or assumed name.
11. The advertising for the practice of medicine in an untrue or deceptive manner.
12. The representation to a patient that a manifestly incurable condition, sickness, disease, or injury can be cured.
13. The willful or negligent violation of the confidentiality between physician and patient, except as required by law.
14. The failure of a doctor of osteopathy to designate that person's school of practice in the professional use of that person's name by such terms as "osteopathic physician and surgeon", "doctor of osteopathy", "D.O.", or similar terms.
15. Gross negligence in the practice of medicine.
16. Sexual abuse, misconduct, or exploitation related to the licensee's practice of medicine.
17. The prescription, sale, administration, distribution, or gift of any drug legally classified as a controlled substance or as an addictive or dangerous drug for other than medically accepted therapeutic purposes.
18. The payment or receipt, directly or indirectly, of any fee, commission, rebate, or other compensation for medical services not actually or personally rendered, or for patient referrals; this prohibition does not affect the lawful distributions of professional partnerships, corporations, limited liability companies, or associations.
19. The failure to comply with the reporting requirements of section 43-17.1-05.1.

- 1           20.    The failure to transfer medical records, except those relating to psychiatric  
2                    treatment which must be governed by board rule, to another physician or to supply  
3                    copies thereof to the patient or to the patient's representative when requested to  
4                    do so by the patient or the patient's designated representative. A reasonable  
5                    charge for record copies may be assessed.
- 6           21.    A continued pattern of inappropriate care as a physician, including unnecessary  
7                    surgery.
- 8           22.    The use of any false, fraudulent, or deceptive statement in any document  
9                    connected with the practice of medicine.
- 10          23.    The prescribing, selling, administering, distributing, or giving to oneself or to one's  
11                   spouse or child any drug legally classified as a controlled substance or recognized  
12                   as an addictive or dangerous drug.
- 13          24.    The violation of any state or federal statute or regulation relating to controlled  
14                   substances.
- 15          25.    The imposition by another state or jurisdiction of disciplinary action against a  
16                   license or other authorization to practice medicine based upon acts or conduct by  
17                   the physician that would constitute grounds for disciplinary action as set forth in  
18                   this section. A certified copy of the record of the action taken by the other state or  
19                   jurisdiction is conclusive evidence of that action.
- 20          26.    The lack of appropriate documentation in medical records for diagnosis, testing,  
21                   and treatment of patients.
- 22          27.    The failure to properly monitor a physician assistant, a fluoroscopy technologist, or  
23                   an emergency medical technician.
- 24          28.    The failure to furnish the board or the ~~commission on medical competency~~  
25                   investigative panel, their investigators, or representatives, information legally  
26                   requested by the board or the ~~commission~~ investigative panel.
- 27    The board shall keep a record of all of its proceedings in the matter of suspending, revoking, or  
28    refusing licenses together with the evidence offered.

29           **SECTION 6.** A new section to chapter 43-17 of the North Dakota Century Code is  
30    created and enacted as follows:

**Practice of medicine or osteopathy by holder of permanent, unrestricted license.**

Notwithstanding anything in this chapter to the contrary, any physician who is the holder of a permanent, unrestricted license to practice medicine or osteopathy in any state or territory of the United States, the District of Columbia, or a province of Canada may practice medicine or osteopathy in this state without first obtaining a license from the state board of medical examiners under one or more of the following circumstances:

1. As a member of an organ harvest team;
2. On board an air ambulance and as a part of its treatment team;
3. To provide one-time consultation or teaching assistance for a period of not more than twenty-four hours; or
4. To provide consultation or teaching assistance previously approved by the board for charitable organizations.
