If the applicant's plan for financing provides for a loan of funds from sources other than the state of North Dakota, the Bank of North Dakota may take a subordinate security

interest. The bank may recover from the revolving loan fund amounts actually expended by it for legal fees and to effect a redemption.

SECTION 7. AMENDMENT. Section 23-09.3-01.1 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

23-09.3-01.1. Moratorium on expansion of basic care bed capacity. ~~Except when existing beds are converted for use by nursing facilities are converting licensed nursing facility bed capacity to basic care bed capacity or the alzheimer's and related dementia population under the pilot projects provided for in established under section 50-06-14.4 are requesting licensure of their existing beds as basic care bed capacity, or unless the applicant can demonstrate to the department that a need for additional basic care bed capacity exists in the immediate geographic area, the department may not issue a license under this chapter for any additional bed capacity above the state's gross licensed capacity of one thousand four hundred seventy-one beds, adjusted by any reduction in beds before July 31, 1999 2001, during the period between August 1, 1999 2001, and July 31, 2004 2003. Transfers of existing beds from one municipality to another municipality must be approved if the licensing requirements are met, during the period August 1, 1999 2001, to July 31, 2004 2003, only to the extent that for each bed transfer approved the total number of licensed beds in the state is reduced by the same number transferred. Existing licensed beds released by a facility which are not immediately transferred to another facility may not be banked for future transfer to another facility. A nursing facility may designate up to twenty percent of its licensed bed capacity as both nursing care bed capacity and basic care bed capacity under rules promulgated by the department. This designation as basic care bed capacity is not subject to the basic care bed capacity limit.~~

SECTION 8. Section 23-27-04.5 of the North Dakota Century Code is created and enacted as follows:

23-27-04.5. (Effective through June 30, 2003) Quick-response unit service pilot program. The department shall create and implement a pilot program that creates incentives for basic life support ambulance services and advanced life support ambulance services to convert to quick-response unit services or create quick-response units in areas not already served. During the first year of the program, a maximum of five new quick-response units may receive a one-time five thousand dollar grant under this program and a maximum of twenty converting ambulance services may receive grants in the amount of five thousand dollars each year for a two-year period. During the second year of the program, the department shall distribute any remaining funds to converting ambulance services or to ten additional newly created quick-response units.

SECTION 9. A new chapter to title 43 of the North Dakota Century Code is created and enacted as follows:

Nursing facility nurses loan repayment program - State health council - Powers and duties. The state health council, in cooperation with the North Dakota long term care association, shall administer the nursing facility nurses loan repayment program. The state health council shall adopt rules necessary to administer the nursing facility nurses loan repayment program.

Nurse selection criteria - Eligibility for loan repayment program.

1. The state health council shall adopt rules establishing criteria regarding nurse selection for loan repayment funds under this chapter. The criteria must give priority to nurses employed by rural facilities and must give priority to nurses with previous long-term care experience.
2. In addition to meeting the selection criteria, an applicant for loan repayment under this chapter shall establish that the applicant:

- a. Is licensed as a nurse under chapter 43-12.1;
- b. Is employed as a nurse by a licensed nursing facility; and
- c. Has an outstanding education loan balance.

Distribution of funds. The state health council shall distribute funds to applicants who meet the criteria standards and eligibility standards. The amount of repayment is based on the amount of the outstanding balance of the educational loan on the date of application plus any interest incurred during the period of repayment under this chapter. A nurse approved to receive loan reimbursement under this chapter shall receive direct payments equal to:

1. Thirty percent of the amount of the outstanding balance of the loan on the date of application plus the amount of any interest incurred since the date of application after one year of employment following application;
2. Thirty percent of the amount of the outstanding balance of the loan on the date of application plus the amount of any interest incurred since the first repayment after two years of employment;
3. Twenty-five percent of the amount of the outstanding balance of the loan on the date of application plus the amount of any interest incurred since the second repayment after three years of employment following application; and
4. Fifteen percent of the amount of the outstanding balance of the loan on the date of application plus the amount of any interest incurred since the third repayment after four years of employment following application.

Nursing facility nurses loan repayment fund - Continuing appropriation. The nursing facility nurses loan repayment fund is created in the state treasury. The fund consists of revenue transferred from the North Dakota health care trust fund and interest earned on moneys in the fund. Moneys in the fund are appropriated and may be spent by the state health council for defraying the expenses of the nursing facility nurses loan repayment program in accordance with this chapter.

SECTION 10. AMENDMENT. Section 50-24.4-30 of the North Dakota Century Code is amended and reenacted as follows:

50-24.4-30. ~~(Effective through June 30, 2001)~~ Government nursing facility funding pool –Appropriations.

1. For purposes of this section:
 - a. "Fiscal period" means a twelve-month period determined by the department; and
 - b. ~~"Governmental~~ Government nursing facility" means ~~any~~ a nursing home administered by any political subdivision of this state for which a rate is set under this chapter.
2. The department shall establish a pool consisting of an amount annually calculated by multiplying the total of all resident days of all nursing homes during the fiscal period during which a resident was eligible for and received benefits under chapter 50-24.1 times an amount that does not exceed the amount that can reasonably be estimated to be paid under payment principles established under title XVIII of the Social Security Act [42 U.S.C. 1395; et seq.], reduced by the payment rates set for each such resident, for each such day, during the fiscal period.

3. In addition to any payment made pursuant to a rate set under this chapter, and notwithstanding any other provision of this chapter, the department shall pay to each ~~governmental~~ government nursing facility an amount determined by:
 - a. Dividing that facility's total inpatient days for the fiscal period by the total inpatient days of all governmental nursing facilities for the fiscal period; and
 - b. Multiplying a decimal fraction determined under subdivision a times the pool amount determined under subsection 2.
4. Each ~~governmental~~ government nursing facility, ~~immediately upon~~ within one business day of receiving a payment under subsection 3, shall remit the amount of that payment, less a ~~ten~~ fifty thousand dollar transaction fee, to the state treasurer for credit to:
 - a. The North Dakota health care trust fund in an amount equal to the federal medical assistance percentage for the fiscal period times the total remittance to the state treasurer, less ~~ten~~ fifty thousand dollars; and
 - b. The general fund for all remaining amounts. The amounts deposited in the general fund are to be considered the first moneys spent pursuant to legislative appropriations for medical assistance or medical assistance-related expenses.
5. A government nursing facility is not entitled to receive transaction fees totaling more than fifty thousand dollars during any calendar year. Each government nursing facility shall use its transaction fee revenues for long-term care-related services.
- ~~6.~~ 7. Notwithstanding any other provision of this code, or of any ordinance or code governing the operation of a ~~governmental~~ government nursing facility, a ~~governmental~~ government nursing facility is ~~authorized~~ entitled to receive and, upon receipt, is required to remit payments provided under this section.
- ~~6- 7.~~ 8. No payment is required under this section for any period in which the funds otherwise appropriated under subdivision b of subsection ~~7~~ 8 are unavailable due to action by the secretary of the United States department of health and human services.
- ~~7- 8.~~ 9. The department of human services, subject to legislative appropriation, may make the payments described in subsection 3 for the pool amount annually determined under subsection 2, as follows:
 - a. From special funds derived from federal funds and other income, the pool amount determined under subsection 2 reduced by the amount determined under subdivision b; and
 - b. From the general fund, the "state percentage" as that term is used in defining the term "federal medical assistance percentage" for purposes of title XIX of the Social Security Act [42 U.S.C. 1396; et seq.], multiplied times the pool amount determined under subsection 2.

SECTION 24. APPROPRIATION - PERSONAL CARE ALLOWANCE FOR NURSING FACILITY RESIDENTS.

There is appropriated out of any moneys in the health care trust fund in the state treasury, not otherwise appropriated, the sum of \$266,400, or so much of the sum as may be necessary, and from special funds derived from federal funds, the sum of \$621,600, or so much of the sum as may be necessary, to the department of human services for the purpose of increasing the personal care allowance for nursing home residents by \$10 per month, from \$40 to \$50 per month, for the period beginning January 1, 2002, and ending June 30, 2003.

SECTION 25. APPROPRIATION - PERSONAL CARE ALLOWANCE FOR BASIC CARE RESIDENTS.

There is appropriated out of any moneys in the health care trust fund in the state treasury, not otherwise appropriated, the sum of \$180,000, or so much of the sum as may be necessary, to the department of human services for the purpose of increasing the personal care allowance for basic care residents by \$15 per month, from \$45 to \$60 per month, for the biennium beginning July 1, 2001, and ending June 30, 2003.

SECTION 26. APPROPRIATION - LONG-TERM CARE NEEDS STUDY.

There is appropriated out of any moneys in the health care trust fund in the state treasury, not otherwise appropriated, the sum of \$241,006, or so much of the sum as may be necessary, to the department of human services for the purpose of conducting a statewide needs assessment study for long-term care, for the biennium beginning July 1, 2001, and ending June 30, 2003.

SECTION 27. TRANSFER - NURSING FACILITY NURSES LOAN

REPAYMENT FUND. The office of management and budget shall transfer \$1,000,000 from the health care trust fund to the nursing facility nurses loan repayment fund on July 1, 2001.

SECTION 28. APPROPRIATION - QUICK-RESPONSE UNIT SERVICE PILOT

PROGRAM. There is appropriated out of any moneys in the health care trust fund in the state treasury, not otherwise appropriated, the sum of \$225,000, or so much of the sum as may be necessary, to the state department of health for the purpose of funding the quick-response unit service pilot program, for the biennium beginning July 1, 2001, and ending June 30, 2003.

SECTION 29. APPROPRIATION - TRAINING GRANTS. There is appropriated out of any moneys in the health care trust fund in the state treasury, not otherwise appropriated, the sum of \$140,000, or so much of the sum as may be necessary, to the department of human services for the purpose of providing grants to organizations for training qualified service providers, for the biennium beginning July 1, 2001, and ending June 30, 2003. A qualified service provider means a county agency or independent contractor that agrees to meet standards for services and operations established by the department of human services for the provision of services to individuals receiving long-term care services in a home or community-based setting.

SECTION 30. HEALTH CARE TRUST FUND - MINIMUM BALANCE

REQUIRED. Except for making payments under subsection 3 of section 50-30-02, the state treasurer may not allow expenditures or transfers from the health care trust fund that would reduce the unobligated balance in the fund below \$13,000,000 until the director of the department of human services certifies to the state treasurer that the federal health care financing administration's claim for the return of \$13,000,000 of the state's first-year payment has been resolved, for the period beginning with the effective date of this Act and ending June 30, 2003.

SECTION 31. DEPARTMENT OF HUMAN SERVICES - EMERGENCY

RULEMAKING AUTHORITY. Notwithstanding subsection 6 of section 28-32-02, the department of human services may adopt interim final rules to implement this Act for the biennium beginning with the effective date of this Act and ending June 30, 2003. The department shall take appropriate measures to make the interim final rules known to every person who may be affected by them. The interim final rules are ineffective one hundred eighty days after its declared effective date unless first adopted as final rules.

SECTION 32. EXPIRATION DATE. Section 7 of this Act is effective through July 31, 2003, and after that date is ineffective.

SECTION 33. EMERGENCY. Sections 18, 30, and 31 of this Act are declared to be an emergency measure."
