### BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

**SECTION 1.** A new section to chapter 57-38 of the North Dakota Century Code is created and enacted as follows:

### Small business tax credit.

- 1. A taxpayer is entitled to a credit against tax liability as determined under section 57-38-29, 57-38-30, or 57-38-30.3 as determined under this section.
- 2. A small business formed under the laws of this state and operating within this state is entitled to a credit equal to the amount paid by the business to the United States small business administration as an annual guarantee fee to obtain small business administration guaranteed financing through the small business administration 504 loan program. The credit is available only in the taxable year in which the fee is paid and may be claimed only by the small business that is the primary obligor in the financing transaction and which actually paid the fee. The credit may not exceed the taxpayer's tax liability under this chapter and may not be carried back or forward.

- 4. A partnership, subchapter S corporation, limited partnership, limited liability company, or any other passthrough entity that qualifies for a credit under this

1 section must determine allocation of the credit at the passthrough entity level. The 2 amount of the credit determined at the passthrough entity level must be passed 3 through to the individuals, estates, or trusts that are partners, shareholders, or 4 members in proportion to their respective interests in the passthrough entity. 5 5.
