Senators Kelsh, Freborg

Representatives Nelson, Weisz

- 1 A BILL for an Act relating to the development and the delivery of an elementary and a high
- 2 school core curriculum; and to provide for a legislative council study.

## BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

- **SECTION 1. School board Delivery of core curriculum.** The board of each school district in the state shall ensure that the following disciplines and specific courses are made available to each student in the respective grades:
  - Grades one through three: Phonics; language arts, including reading, writing
    mechanics, and spelling; arithmetic, including number concepts, computation,
    number application, and word problems; science, including health and hygiene;
    history; geography; and at least one of music, art, or physical education.
  - 2. Grade four: Mathematics; English, including spelling, speech, poetry, grammar, and composition; history, including lands and people; geography, including lands and people; science; logic; and at least one of music, art, or physical education.
  - 3. Grade five: Mathematics, including computations and applications; English, including spelling, grammar, vocabulary study, poetry, and a research paper; reading, including literature and reading comprehension; history, including a research paper; old world geography, including map study; science; logic; and at least one of music, art, or physical education.
  - 4. Grade six: Mathematics, including computations and applications; English, including spelling, grammar, vocabulary study, poetry, and a research paper; reading, including literature and reading comprehension; history, including a research paper; geography; science; logic; and at least one of music, art, or physical education.

- 5. Grade seven: Mathematics, including computations and applications or prealgebra; English, including spelling, grammar, vocabulary study, poetry, and a research paper; reading, including literature and reading comprehension; new world history and geography; science, including a research project; logic; and at least one of music, art, or physical education.
  - 6. Grade eight: Mathematics, including pre-algebra or algebra I; English, including grammar, spelling, vocabulary study, and poetry; history of North Dakota; science, including a research project; geography; and logic and philosophy.
  - 7. Grade nine: Algebra I or II; English I, including literature themes, composition, and grammar; history from the beginning of time to the present; geography; physical science; logic and philosophy; a foreign language; and at least one of music, art, or physical education.
  - 8. Grade ten: Algebra II or geometry; English II, including world literature, composition, and grammar; world history; biology; logic and philosophy; a foreign language; and at least one of music, art, or physical education.
  - Grade eleven: Geometry or advanced mathematics; English III, including
     American literature, composition, and grammar; United States history; chemistry;
     logic and philosophy; a foreign language; and at least one of music, art, or physical education.
  - 10. Grade twelve: Advanced mathematics or calculus; English IV, including English literature, composition, and grammar; economics; history; logic and philosophy; a foreign language; and at least one of music, art, or physical education.

## SECTION 2. LEGISLATIVE COUNCIL STUDY - FUNDING OF CORE CURRICULUM.

The legislative council shall consider studying the delivery of a core curriculum to each elementary and high school student in this state and the feasibility and desirability of providing total state funding solely for the delivery of a core curriculum. The legislative council shall report its findings and recommendations, together with any legislation required to implement its recommendations, to the fifty-eighth legislative assembly.
