

Introduced by

Representatives Winrich, Fairfield, Warner

1 A BILL for an Act to create and enact a new section to chapter 19-02.1 of the North Dakota
2 Century Code, relating to chemical residues in food.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1.** A new section to chapter 19-02.1 of the North Dakota Century Code is
5 created and enacted as follows:

6 **Chemical residues in food.** No food produced or processed in a foreign country may
7 enter this state without a certificate signed by the producer or processor indicating that the food
8 does not contain:

- 9 1. Chemical residues in excess of maximum residue limits established by federal law;
- 10 2. Residues from chemicals for which the federal government has not set maximum
11 residue limits; and
- 12 3. Residues from chemicals that have not been approved for use in food by the
13 federal government.
