

SENATE CONCURRENT RESOLUTION NO. 4042

Introduced by

Senators Stenehjem, Flakoll, Grindberg, Holmberg

Representatives Carlson, Clark

1 A concurrent resolution directing the Legislative Council to study the feasibility and desirability
2 of a centralized process for administrating noncriminal traffic violations.

3 **WHEREAS**, noncriminal traffic citations are processed in the 53 counties of this state
4 before traffic violation information is transmitted to the Department of Transportation; and

5 **WHEREAS**, current methods of processing noncriminal traffic citations result in
6 redundancies in data entry, delay in transmitting traffic violation information, and substantial
7 investments of time and personnel by county and city employees; and

8 **WHEREAS**, central processing of noncriminal traffic citations through the Department of
9 Transportation would provide a single processing point, a central location for submission of
10 citation payments by traffic offenders, and a central point of reporting for state and local law
11 enforcement;

12 **NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF NORTH DAKOTA, THE**
13 **HOUSE OF REPRESENTATIVES CONCURRING THEREIN:**

14 That the Legislative Council study the feasibility and desirability of a centralized process
15 for administrating noncriminal traffic violations; and

16 **BE IT FURTHER RESOLVED**, that the Legislative Council report its findings and
17 recommendations, together with any legislation required to implement the recommendations, to
18 the Fifty-eighth Legislative Assembly.
