19-18-02.1. Environment and rangeland protection fund. The environment and rangeland protection fund is a special fund in the state treasury. The moneys in this fund may be used for rangeland improvement projects and to address issues relating to harmonization of crop protection product standards. ~~These~~ The rangeland improvement projects may include noxious weed control; ground water testing, analysis, protection, and improvement; analysis of food products for residues of pesticides and other materials; and analysis and disposal of unusable pesticides and pesticide containers.

SECTION 5. AMENDMENT. Section 19-18-04 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

19-18-04. (Effective through June 30, ~~2004~~ 2003) Registration - Fees.

1. Any person before selling or offering for sale any pesticide for use within this state shall file biennially with the commissioner an application for registration of the pesticide. The application must:
 - a. Give the name and address of each manufacturer or distributor.
 - b. Give the name and brand of each product registered.
 - c. Be accompanied by a current label of each product so registered.
 - d. Be accompanied by a registration fee of three hundred fifty dollars for each product registered. At the close of each calendar month, the commissioner shall transmit to the state treasurer all moneys received for the registrations. The state treasurer shall credit fifty dollars for each registered product to the general fund in the state treasury and the remainder of the registration fee for each registered product to the environment and rangeland protection fund.
 - e. Be accompanied by a material safety data sheet.
2. The commissioner may require an applicant or registrant to provide efficacy, toxicity, residue, and any other data necessary to determine if the pesticide will perform its

intended function without unreasonable adverse effects on the environment. If the commissioner finds that the application conforms to law, the commissioner shall issue to the applicant a certificate of registration of the product. If after public hearing before the commissioner the application is denied, the product may not be offered for sale.

3. Each registration covers a two-year period beginning January first and expiring December thirty-first of the following year. A certificate of registration may not be issued for a term longer than two years, and is not transferable from one person to another, or from the ownership to whom issued to another ownership, or from one place to another place or location. A penalty of fifty percent of the license or registration fee must be imposed if the license or certificate of registration is not applied for on or before January thirty-first following the expiration date, or within the same month the pesticides are first manufactured or sold within this state. Each product must go through a two-year discontinuance period in order to clear all outstanding products in the channel of trade.
4. This section does not apply to a pesticide sold by a retail dealer if the registration fee has been paid by the manufacturer, jobber, or any other person, as required by this section.

(Effective July 1, 2004 2003) Registration - Fees. Any person before selling or offering for sale any pesticide for use within this state shall file biennially with the commissioner an application for registration of the pesticide. The application must:

1. Give the name and address of each manufacturer or distributor.
2. Give the name and brand of each product registered.
3. Be accompanied by a current label of each product so registered.
4. Be accompanied by a registration fee of three hundred dollars for each product registered. At the close of each calendar month, the commissioner shall transmit to the state treasurer all moneys received for the registrations. The state treasurer shall credit fifty dollars for each registered product to the general fund in the state treasury and the remainder of the registration fee for each registered product to the environment and rangeland protection fund.
5. Be accompanied by a material safety data sheet.

The commissioner may require an applicant or registrant to provide efficacy, toxicity, residue, and any other data necessary to determine if the pesticide will perform its intended function without unreasonable adverse effects on the environment. If the commissioner finds that the application conforms to law, the commissioner shall issue to the applicant a certificate of registration of the product. If after public hearing before the commissioner the application is denied, the product may not be offered for sale.

Each registration covers a two-year period beginning January first and expiring December thirty-first of the following year. A certificate of registration may not be issued for a term longer than two years, and is not transferable from one person to another, or from the ownership to whom issued to another ownership, or from one place to another place or location. A penalty of fifty percent of the license or registration fee must be imposed if the license or certificate of registration is not applied for on or before January thirty-first following the expiration date, or within the same month the pesticides are first manufactured or sold within this state. Each product must go through a two-year discontinuance period in order to clear all outstanding products in the channel of trade.

This section does not apply to a pesticide sold by a retail dealer if the registration fee has been paid by the manufacturer, jobber, or any other person, as required by this section.

SECTION 6. ESTIMATED INCOME - ENVIRONMENT AND RANGELAND PROTECTION FUND. The estimated income line item in section 1 of this Act includes the sum of \$2,341,815, or so

much of the sum as may be necessary, from the environment and rangeland protection fund for the purpose of defraying the expenses of various agriculture department programs, for the biennium beginning July 1, 2001, and ending June 30, 2003.

SECTION 7. ESTIMATED INCOME - ANHYDROUS AMMONIA STORAGE INSPECTION FUND. The estimated income line item in section 1 of this Act includes the sum of \$139,775, or so much of the sum as may be necessary, from the anhydrous ammonia storage inspection fund for the purpose of defraying the expenses of regulating anhydrous ammonia storage facilities, for the biennium beginning July 1, 2001, and ending June 30, 2003.

SECTION 8. ESTIMATED INCOME - GAME AND FISH FUND. The estimated income line item in section 1 of this Act includes the sum of \$668,000, or so much of the sum as may be necessary, from the game and fish department operating fund for the purpose of defraying the expenses of various agriculture department programs for the biennium beginning July 1, 2001, and ending June 30, 2003.

SECTION 9. SAFE SEND PESTICIDE AND PESTICIDE CONTAINER COLLECTION - USER FEES. The agriculture commissioner, in consultation with the advisory board for the safe send pesticide and pesticide container disposal program, shall charge a fee for collection of rinsate during the biennium beginning July 1, 2001, and ending June 30, 2003. The fees must be established at a level that will generate enough revenues to cover the cost of disposal associated with the rinsate collected for the biennium beginning July 1, 2001, and ending June 30, 2003. Collections from this fee must be deposited in the environment and rangeland protection fund.

SECTION 10. SAFE SEND PESTICIDE AND PESTICIDE CONTAINER COLLECTION - RECYCLING. The agriculture commissioner, in consultation with the advisory board for the safe send pesticide and pesticide container disposal program, shall research the potential of recycling select products collected during the biennium beginning July 1, 2001, and ending June 30, 2003.
