9 average weekly wage, who is eligible for supplementary benefits and who is
10 receiving permanent total disability benefits, or death benefits regardless of the
11 date of death, is entitled to receive a weekly supplementary benefit that, when
12 added to the weekly permanent total disability benefit or death benefit, results in a
13 combined benefit of at least sixty percent of the state's average weekly wage on
14 July first of each year. equals the ratio of that claimant's weekly benefit to the
15 state's average weekly wage on the date of the claimant's first disability, times the
