**11 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

12 **SECTION 1.** A new section to chapter 26.1-40 of the North Dakota Century Code is  
13 created and enacted as follows:

14 **Cancellation of minor's driving privileges - Effect.** An insurer may not use or rely on  
15 the cancellation of a minor's driving privileges under section 39-06-01.1 as the sole reason to  
16 cancel, deny, or not renew the automobile insurance policy of the minor or a parent of the minor  
17 unless the points or offenses on the minor's public driving record, separate from a cancellation  
18 under section 39-06-01.1, would be a reason to cancel, deny, or not renew the policy.

19 **SECTION 2. AMENDMENT.** Section 39-06-20 of the North Dakota Century Code is  
20 amended and reenacted as follows:

21 **39-06-20. Notice of change of address or name.** Whenever a person after applying  
22 for or receiving an operator's license or permit moves from the address named in the  
23 application or in the license or permit issued to that person or when the name of a licensee is  
24 changed by marriage or otherwise, that person shall within ten days thereafter notify the

1 director in writing or in person of that person's old and new addresses or of such former and  
2 new names and of the number of any license or permit then held by that person. A person may  
3 obtain a corrected license or permit by making application as provided for in section 39-06-18.  
4 In the event of a name change, a corrected license must be obtained. The department may  
5 change the address based on information received from any authorized address correction  
6 service of the United States postal service. The department may also develop procedures for  
7 receiving notification of address changes by telephone or electronic means.

8 **SECTION 3. AMENDMENT.** Subsection 6 of section 39-06-32 of the 1999  
9 Supplement to the North Dakota Century Code is amended and reenacted as follows:

- 10 6. Failure, as shown by the certificate of the court, to appear in court or post and  
11 forfeit bond after signing a promise to appear, if signing is required by law, in  
12 violation of section 39-06.1-04, willful violation of a written promise to appear in  
13 court, in violation of section 39-07-08, or violation of equivalent ordinances or laws  
14 in another jurisdiction. Upon resolution by the operator of the underlying cause for  
15 a suspension under this subsection, as shown by the certificate of the court, the  
16 director shall record the suspension separately on the driving record. This  
17 separate record is not available to the public.

18 **SECTION 4. AMENDMENT.** Subsection 1 of section 39-06-33 of the North Dakota  
19 Century Code is amended and reenacted as follows:

- 20 1. In matters of driver's license suspension or revocation arising under sections  
21 39-06-32 and 39-06.1-10, and chapters 39-16 and 39-16.1, the director shall give  
22 notice of intention to suspend to the licensee by mailing the notice to the licensee  
23 at the address of record in the department under section 39-06-20. Actual notice  
24 of the opportunity for a hearing under this section must be deemed to have  
25 occurred seventy-two hours after the notice is mailed by regular mail. The  
26 licensee has ten days after the date of mailing of the notice to request, in writing or  
27 by other means authorized by the director, a hearing on the intended suspension  
28 or revocation.

29 **SECTION 5. AMENDMENT.** Section 39-06-35 of the 1999 Supplement to the North  
30 Dakota Century Code is amended and reenacted as follows:

1           **39-06-35. Period of suspension.** When the period of suspension imposed under this  
2 title ceases, the operator's license or driving privilege that has been suspended may not be  
3 returned or reinstated, and remains under suspension, until the operator pays to the director a  
4 reinstatement fee of fifty dollars, or twenty-five dollars if the suspension was the result of a  
5 suspension under subsection 4, 5, or 7 of section 39-06-03 or subsection 2 of section 39-06-32,  
6 or one hundred dollars if the suspension was the result of a violation under section 39-08-01 or  
7 chapter 39-20, and, if applicable, until compliance with subsection 3.1 of section 39-06.1-10.  
8 Upon payment of the reinstatement fee the license must be returned to the operator. A  
9 reinstatement fee is not required for a license to be returned to the operator if the return of the  
10 license is due to the findings of a hearing, reexamination of hearing, or court or judicial review  
11 under chapter 39-06, 39-06.1, or 39-20.

12           **SECTION 6. AMENDMENT.** Section 39-06.1-04 of the North Dakota Century Code is  
13 amended and reenacted as follows:

14           **39-06.1-04. Failure to appear, pay statutory fee, post bond - Procedure - Penalty.**  
15 If a person fails to choose one of the methods of proceeding set forth in section 39-06.1-02 or  
16 39-06.1-03, the person must be deemed to have admitted to commission of the violation  
17 charged, and the official having jurisdiction shall report such fact to the licensing authority within  
18 ten days after the date set for the hearing. Failure to appear at the time designated, after  
19 signing a promise to appear, if signing is required by law, or failure to appear without paying the  
20 statutory fee or posting and forfeiting bond is a class B misdemeanor. Failure to appear without  
21 just cause at the hearing must also be deemed an admission of commission of the violation  
22 charged.

23           **SECTION 7. AMENDMENT.** Subsection 2 of section 39-06.1-13 of the North Dakota  
24 Century Code is amended and reenacted as follows:

- 25           2. The point total shown on a licensee's driving record must, during any twelve-month  
26 period, be reduced by three points when the licensee mails or delivers a certificate  
27 to the licensing authority indicating successful completion of instruction in a driver  
28 training course approved by the licensing authority. Successful completion of  
29 instruction must be certified to by the sponsoring agency or organization of the  
30 driver training course. The reduction in points authorized by this subsection must  
31 only be from a point total accumulated prior to completion of the necessary hours

of driver training instruction, and may not exceed nine points during any three-year period commencing on the date of entry of the last points against the person's driving record. If on the date the licensing authority receives the certificate of completion of the driver training course from the licensee, that licensee's driving record contains twelve or more points or, as a minor, the licensee's driving record contains six points or more, the point reduction authorized by this subsection must be applied only after the period of suspension or cancellation required by the number of points then on the driver's record has been served.
