16 26.1-01-07.5. Fire district maps - Insurance applications to show fire district in 17 which property is located - Penalty. Before December first of each year, the commissioner 18 of insurance commissioner shall publish maps of the fire districts of the state for use by 19 insurers under this section for the following calendar year. The state firemen's firefighter's 20 association and the state fire marshal shall assist the commissioner of insurance commissioner 21 in preparing the maps. After December 31, 1993, no insurer may issue or renew a policy for 22 fire, allied lines, homeowner's multiple peril, farmowner's multiple peril, commercial multiple 23 peril, or crop hail insurance coverage for property in this state unless the application identifies 24 each fire district in which the insured property is located. The application must identify the 25 property and insured value of the property located within each fire district if the policy provides 26 coverage for property that is not all within a single district. For purposes of this section, "fire 27 district" means rural fire protection district, city, or area served by a certified rural fire 28 department. An insurer that is found by the commissioner to be in violation of this section is 29 subject to a penalty of one hundred dollars for each such violation to be deposited in the 30 insurance tax distribution fund. The commissioner of insurance commissioner may adopt rules

- 1 necessary for administration of this section, including rules governing preparation, charges for,
- 2 and use of maps under this section.
