## FIRST ENGROSSMENT

Fifty-seventh Legislative Assembly of North Dakota

## ENGROSSED SENATE BILL NO. 2352

Introduced by

Senators Grindberg, Robinson, Urlacher

Representatives Boucher, Rennerfeldt, Svedjan

- 1 A BILL for an Act to amend and reenact section 57-39.2-04.3 of the North Dakota Century
- 2 Code, relating to a sales and use tax exemption for purchases of computer and
- 3 telecommunications equipment by a new primary sector business; and to provide an effective
- 4 date.

## 5 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

6 **SECTION 1. AMENDMENT.** Section 57-39.2-04.3 of the North Dakota Century Code 7 is amended and reenacted as follows:

57-39.2-04.3. (Effective before February 1, 1999, and after July 31, 2002) Sales tax
 exemption for manufacturing or recycling machinery and equipment <u>and primary sector</u>

10 business computer and telecommunications equipment.

- 11 Gross receipts from sales of machinery or equipment used directly in 1. 12 manufacturing of tangible personal property for wholesale, retail, or lease are 13 exempt from taxes under this chapter. To be exempt, the machinery or equipment 14 must be used in a new manufacturing plant or in a physical or economic expansion 15 of an existing manufacturing plant. Purchase of replacement machinery or 16 equipment is not exempt unless it results in a physical or economic expansion of 17 the plant. 18 Gross receipts from sales of machinery or equipment used directly in recycling of 2.
- tangible personal property are exempt from taxes under this chapter. To be
  exempt, the machinery or equipment must be used in a new recycling facility or in
  physical or economic expansion of an existing recycling facility. Purchase of
  replacement machinery or equipment is not exempt unless it results in a physical
  or economic expansion of the facility.

1	3		<u>Gros</u>	s rec	eipts from sales of computer and telecommunications equipment that is
2		į	<u>an in</u>	<u>tegra</u>	part of a new primary sector business or a physical or economic
3		9	expa	nsion	of a primary sector business are exempt from taxes under this chapter.
4		ļ	Purc	hase	of replacement equipment is not exempt under this subsection.
5	<u>4</u>	-	To qu	ualify	for exemption at the time of purchase, the manufacturer or, recycler, or
6		1	prima	ary se	ector business must receive from the commissioner a certificate stating
7		1	that t	he m	achinery or equipment qualifies for the exemption. If a certificate is not
8		I	recei	ved b	efore the purchase, the manufacturer or, recycler, or primary sector
9		ļ	busir	<u>ness</u> r	nust pay the tax and apply to the commissioner for a refund.
10	<del>4.</del> 5	<u>.</u>	If the	mac	hinery or equipment is purchased or installed by a contractor subject to
11		t	tax u	nder	this chapter, the manufacturer or, recycler, or primary sector business
12		I	must	appl	y for a refund of the amount remitted by the contractor.
13	<del>5.</del> 6	<u>.</u>	For p	ourpos	ses of this section, the following definitions apply:
14		i	a.	"Ecor	nomic expansion" means an increase in production volume, employment,
15				or the	e types of products that can be manufactured or recycled.
16		I	b.	"Equi	pment" <u>:</u>
17				<u>(1)</u>	For purposes of a manufacturer or recycler, means any tangible
18					personal property other than machinery used directly in the
19					manufacturing or recycling process; and
20				<u>(2)</u>	For purposes of a primary sector business other than manufacturing or
21					recycling, means telecommunications equipment and computer
22					equipment, printers, and software that are an integral part of the
23					operations of the primary sector business.
24		(	c.	"Mac	hinery" means mechanical devices purchased or constructed by the
25				manu	facturer or recycler, or its agent, and used directly in manufacturing or
26				recyc	ling operations at any time from the initial stage where the raw material
27				is firs	t received at the plant site through the completion of the product,
28				inclu	ling packaging and all processes prior to transportation of the product
29				from	the site. The term includes electrical, mechanical, and electronic
30				comp	onents that are part of machinery and necessary for a machine to
31				produ	uce its effect or result and environmental control equipment required to

1		maintain certain levels of humidity or temperature in a special and limited		
2		area of the manufacturing facility where the regulation is essential for		
3		production to occur. The term includes computer equipment that controls or		
4		monitors the functions of machinery used directly in the manufacturing		
5		operations.		
6	d.	"Machinery" and "equipment" <u>:</u>		
7		(1) For purposes of a manufacturer or recycler, do not include handtools,		
8		buildings, or transportation equipment not used directly in		
9		manufacturing or recycling; machines and equipment used primarily in		
10		administrative, accounting, sales, or other nonmanufacturing segments		
11		of the business; any property that becomes a part of the manufactured		
12		or recycled product; or any other equipment or machinery not used		
13		directly in manufacturing or recycling; and		
14		(2) For purposes of a primary sector business other than manufacturing or		
15		recycling, do not include equipment that is not an integral part of the		
16		operations of the primary sector business.		
17	e.	"Manufacturing", in addition to the meaning ordinarily ascribed to it, means		
18		the processing of agricultural products, including registered and certified		
19		seed, but does not include mining, refining, extracting oil and gas, or the		
20		generation of electricity.		
21	f.	"Primarily" means more than fifty percent of the time the machinery or		
22		equipment is used.		
23	g.	"Primary sector business" means an individual, corporation, limited liability		
24		company, partnership, or association that through the employment of		
25		knowledge or labor adds value to a product, process, or service which results		
26		in the creation of new wealth and which has been certified by the department		
27		of economic development and finance to be qualified under this subdivision.		
28	<u>h.</u>	"Recycling" means collecting or recovering material that would otherwise be		
29		solid waste and performing all or part of the process in which the material		
30		becomes a raw material for manufacturing or becomes a product for sale at		
31		retail or wholesale.		

1	<del>h.</del>	<u>i.</u> "Use	d directly" with respect to manufacturing means used primarily in the
2		actua	al production, processing, fabrication, or assembly of raw materials, or
3		parti	ally finished materials, into the form in which the product is finalized,
4		pack	aged, and ready for market. The term also means:
5		(1)	To effect a direct physical change upon the tangible personal property.
6		(2)	To guide or measure a direct physical change upon the property when
7			the function is an integral and essential part of tuning, verifying, or
8			aligning the component parts of the tangible personal property.
9		(3)	To test or measure the property on the production line or at a site in the
10			location of production.
11		(4)	To transport, convey, or handle the tangible personal property during
12			the manufacturing.
13		(5)	To package the product for sale and shipment.
14		(6)	To conduct research and development and design activities related to
15			the manufacturing process of the plant.
16		"Use	d directly" with respect to recycling means used solely in processing,
17		com	pacting, altering, transporting, or otherwise affecting material as a part of
18		the r	ecycling process.
19	(Effe	ctive <del>fror</del>	<del>n February 1, 1999,</del> through July 31, 2002) Sales tax exemption for
20	manufacturi	ing or rec	cycling machinery and equipment and primary sector business
21	computer a	nd teleco	mmunications equipment.
22	1.	Gross rec	eipts from sales of machinery or equipment used directly in
23		manufact	uring of tangible personal property for wholesale, retail, or lease are
24		exempt fr	om taxes under this chapter. To be exempt, the machinery or equipment
25		must be u	used in a new manufacturing plant or in a physical or economic expansion
26		of an exis	ting manufacturing plant. Purchase of replacement machinery or
27		equipmen	t is not exempt unless it results in a physical or economic expansion of
28		the plant.	
29	2.	Gross rec	eipts from sales of machinery or equipment used directly in recycling of
30		tangible p	ersonal property are exempt from taxes under this chapter. To be
31		exempt, tl	he machinery or equipment must be used in a new recycling facility or in

1			phys	sical o	economic expansion of an existing recycling facility. Purchase of
2			repla	aceme	nt machinery or equipment is not exempt unless it results in a physical
3			or e	conom	ic expansion of the facility.
4		3.	Gross receipts from sales of computer and telecommunications equipment that is		
5			<u>an ir</u>	ntegral	part of a new primary sector business or a physical or economic
6			<u>expa</u>	ansion	of a primary sector business are exempt from taxes under this chapter.
7			<u>Purc</u>	chase	of replacement equipment is not exempt under this subsection.
8		<u>4.</u>	To c	qualify	for exemption at the time of purchase, the manufacturer or, recycler, or
9			prim	nary se	ctor business must receive from the commissioner a certificate stating
10			that	the ma	achinery or equipment qualifies for the exemption. If a certificate is not
11			rece	eived b	efore the purchase, the manufacturer <del>or</del> , recycler, or primary sector
12			<u>busi</u>	<u>ness</u> r	nust pay the tax and apply to the commissioner for a refund.
13	<del>4.</del>	<u>5.</u>	If the machinery or equipment is purchased or installed by a contractor subject to		
14			tax ı	under	his chapter, the manufacturer or, recycler, or primary sector business
15			mus	t apply	for a refund of the amount remitted by the contractor.
16	<del>5.</del>	<u>6.</u>	For	purpos	ses of this section, the following definitions apply:
17			a.	"Ecor	nomic expansion" means an increase in production volume, employment,
18				or the	types of products that can be manufactured or recycled.
19			b.	"Equi	pment" <u>:</u>
20				<u>(1)</u>	For purposes of a manufacturer or recycler, means any tangible
21					personal property other than machinery used directly in the
22					manufacturing or recycling process; and
23				<u>(2)</u>	For purposes of a primary sector business other than manufacturing or
24					recycling, means telecommunications equipment and computer
25					equipment, printers, and software that are an integral part of the
26					operations of the primary sector business.
27			C.	"Mac	ninery" means mechanical devices purchased or constructed by the
28				manu	facturer or recycler, or its agent, and used directly in manufacturing or
29				recyc	ling operations at any time from the initial stage where the raw material
30				is firs	t received at the plant site through the completion of the product,
31				incluc	ling packaging and all processes prior to transportation of the product

1		from	the site. The term includes electrical, mechanical, and electronic
2		comp	ponents that are part of machinery and necessary for a machine to
3		prod	uce its effect or result and environmental control equipment required to
4		main	tain certain levels of humidity or temperature in a special and limited
5		area	of the manufacturing facility where the regulation is essential for
6		produ	uction to occur. The term includes computer equipment that controls or
7		moni	tors the functions of machinery used directly in the manufacturing
8		opera	ations.
9	d.	"Mac	hinery" and "equipment" <u>:</u>
10		<u>(1)</u>	For purposes of a manufacturer or recycler, do not include handtools,
11			buildings, or transportation equipment not used directly in
12			manufacturing or recycling; machines and equipment used primarily in
13			administrative, accounting, sales, or other nonmanufacturing segments
14			of the business; any property that becomes a part of the manufactured
15			or recycled product; or any other equipment or machinery not used
16			directly in manufacturing or recycling; and
17		<u>(2)</u>	For purposes of a primary sector business other than manufacturing or
18			recycling, do not include equipment that is not an integral part of the
19			operations of the primary sector business.
20	e.	"Man	ufacturing", in addition to the meaning ordinarily ascribed to it, means
21		the p	rocessing of agricultural products, including registered and certified
22		seed	, and the refining of crude oil but does not include mining, other refining,
23		extra	cting oil and gas, or the generation of electricity.
24	f.	"Prim	narily" means more than fifty percent of the time the machinery or
25		equip	oment is used.
26	g.	<u>"Prin</u>	nary sector business" means an individual, corporation, limited liability
27		<u>comp</u>	pany, partnership, or association that through the employment of
28		<u>know</u>	ledge or labor adds value to a product, process, or service which results
29		<u>in the</u>	e creation of new wealth and which has been certified by the department
30		<u>of ec</u>	onomic development and finance to be qualified under this subdivision.

1	<u>h.</u>	"Rec	cycling" means collecting or recovering material that would otherwise be
2		solid	waste and performing all or part of the process in which the material
3		becc	mes a raw material for manufacturing or becomes a product for sale at
4		retai	or wholesale.
5	<del>h.</del> <u>i.</u>	"Use	d directly" with respect to manufacturing means used primarily in the
6		actu	al production, processing, fabrication, or assembly of raw materials, or
7		parti	ally finished materials, into the form in which the product is finalized,
8		pack	aged, and ready for market. The term also means:
9		(1)	To effect a direct physical change upon the tangible personal property.
10		(2)	To guide or measure a direct physical change upon the property when
11			the function is an integral and essential part of tuning, verifying, or
12			aligning the component parts of the tangible personal property.
13		(3)	To test or measure the property on the production line or at a site in the
14			location of production.
15		(4)	To transport, convey, or handle the tangible personal property during
16			the manufacturing.
17		(5)	To package the product for sale and shipment.
18		(6)	To conduct research and development and design activities related to
19			the manufacturing process of the plant.
20		"Use	d directly" with respect to recycling means used solely in processing,
21		com	pacting, altering, transporting, or otherwise affecting material as a part of
22		the r	ecycling process.
23	SECTIO	N 2. E	<b>EFFECTIVE DATE.</b> This Act is effective for taxable events occurring after
24	June 30, 2001.
